HUZUR CUTCHERRY,

Barôda, 29th September 1883.

MAY IT PLEASE YOUR HIGHNESS,—

I beg to submit herewith the following account of the administration of your Highness' State for the year ending 31st July 1882.

2. I regret that so much delay should have occurred in placing this report before your Highness. Among the causes of the delay may be mentioned your Highness' tour through the Kari Division of the State, and the subsequent visit to Calcutta. The delay has also been due to the fact that certain officers did not send in their returns till very lately.

3. Now that your Highness gives close personal attention to the work of administration in all its details, I deem it superfluous to mention by name the officers whose merits I would otherwise have brought to notice.

LIBRARY OF THE BOMBAY BRANCH OF THE ROYAL ASIATIC SOCIETY

I beg to remain,

Your Highness'

Most obedient and faithful Servant,

KAZI SHAHABUDIN,

Dewan.

MEMORANDUM.

Relations with the British Government, &c.

The relations of the State with the neighbouring territories have been most satisfactory. This is mainly due to the measures which have been adopted to remove the causes of friction. Thus, the settlement of Giras and Wanta claims, and of boundary disputes, and also prompt compliance with demands for the surrender of offenders, have prevented many disputes which formerly cropped up, causing a great deal of trouble and annoyance to all concerned. Improved internal administration also has not a little contributed to the same result.

2. Mutual extradition of offenders and mutual co-operation in police matters between this State and other territories has been going on satisfactorily. The same is to be said regarding the operations of the Thuggee and Dacoity Department.

3. No case of mail robbery occurred during the year in these territories.

4. It has been decided by the Government of India that the Courts of this State have jurisdiction over the native employés of the British Post Offices situated within the Baroda territory in the matter of offences committed within the territory against the Postal law. I may here observe that the working of these Post Offices continues to be satisfactory in every respect—a fact for which much credit is due to the Superintending officers.

5. Pending the settlement of the Cantonment jurisdiction question, it has been arranged with the Agent to the Governor-General at Baroda, that the execution within the limits of the Cantonment of decrees passed by His Highness' Courts, and also those passed by the Cantonment Court of Small Causes, be delegated to the Cantonment Magistrate, all incidental points arising therefrom being disposed of by the Agent to the Governor-General.

6. It was proposed that His Highness' Government should cede civil jurisdiction over that portion of the Bhawnagar-Gondal Railway which is situated in Baroda territory as regards suits brought against the Railway proprietary. This State consented to make the concession tentatively for three years, leaving open the question as to the arrangement to be adopted thereafter.

7. The Rana of Mandwa's claim for jurisdiction over his Wantas situated in Ambao, Jiatalaori, and four other Wantas, all within Baroda territory, was negatived by the Government of India.

8. The Rana of Mandwa appealed to the Government of India against the decision of the Government of Bombay to the effect that the Rana's right of levying fines in cases of adultery in Chandod, should be extinguished by the payment to him of Rs. 2,000 by the Baroda Government. The Government of India upheld the decision. The Rana, however, has not yet accepted the amount of compensation, which is held in deposit in the Residency Treasury.

9. The Government of Bombay have placed the Estate of the Thakur of Warsora in the Mahi Kanta under attachment. Facilities have been given by this State to the attachment officer to exercise the rights of the Thakur in respect to lands and other property situated in this territory, without, however, the intervention of the Political Agent.

10. During the year under report, and in the two preceding years, about 1,703 square miles of Baroda territory were topographically surveyed by the Survey Department of the Government of India at the cost of this State.

Investiture of His Highness the Maharaja.

11. The most important event of the year was the investiture of His Highness Syaji Rao Maharaja Gaekwar, with the powers of government.

12. Unable himself to be present on the occasion, His Excellency the Right Honorable the Viceroy and Governor-General of India asked His Excellency the Right Honorable Sir James Fergusson, Baronet, K.C.M.G., C.I.E., Governor of Bombay, to perform the ceremony, which His Excellency did at Baroda, on the morning of 28th December 1881.

13. Great preparations were made to give *eclat* to the important and joyful occasion.

14. His Excellency Sir James Fergusson arrived at Baroda on the 26th December, and was received by His Highness and by the British authorities with all the honours due to his high position.

15. A large number of guests, European and Native, were invited on the occasion, and the festivities were kept up unflaggingly for a week. Among the attractions was an Exhibition of Native arts and manufactures, which, though restricted to productions of the Baroda territory, deserves separate notice.

16. The ceremony of investiture took place in the Durbar tent pitched in the compound of the Nazar Baug Palace, the Durbar Hall in the Palace not being large enough for the purpose. The assembly was large and brilliant, and represented every branch of the service and every section of society.

17. A raised dais was erected in the Durbar tent with seats for His Highness the Maharaja, His Excellency the Governor, and the Agent to the Governor-General.

18. On arrival at the Nazar Baug Palace, His Excellency was received with due honours, and a procession was formed from the Palace to the Durbar tent. On arrival of the procession, a salute of 21 guns was fired, and all present rose. The procession then moved towards the dais, and on arrival there, His Excellency the Governor announced to the assemblage that he had been charged with the duty of representing His Excellency the Viceroy and Governor-General of India at the formal investiture of the Maharaja with the powers of administration.

19. His Excellency then caused the *kharita* from His Excellency the Viceroy and Governor-General to be read. This done, His Excellency led His Highness the Maharaja to his seat on the dais. The assembly resumed their seats, and a salute of 21 guns was fired.

20. The Viceroy's *khillat* for the Maharaja was then brought in.

21. *Khillats* for the Minister, Raja Sir T. Madava Row, K.C.S.I., and several other Officers of the State, were next brought in and conferred on them on behalf of the British Government.

22. His Excellency Sir James Fergusson then addressed His Highness in an impressive speech such as befitted the important and solemn occasion. His Highness having replied, the procession was reformed and left the Durbar tent.

Exhibition.

23. During the year, an Exhibition was held at Baroda on the occasion of the assumption of the powers of Government by His Highness the Maharaja.

24. A Committee was appointed to carry out the object of the Exhibition, which was mainly to show a collection of articles illustrative of the arts and manufactures in Baroda territory.

25. Local Committees were formed by the Subhas of the several divisions for the purpose of collecting articles from traders and manufacturers.

26. Several foreign articles were specially allowed to be exhibited. Articles of special merit were also contributed by the Palace and private individuals.

27. Articles were admitted into the Exhibition from 1st December to 15th December, both days inclusive.

28. The railway and other charges for the transmission of the exhibits to Baroda were borne by 'His Highness' Government. The B. B. & C. I. Railway Company and the Western Rajputana and Bhawnagar-Gondal Railway authorities kindly consented to convey the returned articles free of charge.

29. The Exhibition was formally opened on 24th December 1881 by His Highness the Maharaja, and was kept open to the public for three weeks.

30. The subjoined statement will show the number of articles received for exhibition:—

1.	Baroda Division, including the City	6,582
2.	Amrelly Division	922
3.	Kadi do.	687
4.	Nowsari do.	632
5.	Foreign	591
	Total.....	9,414

31. The Exhibition consisted of paintings in oil and water colours, drawings, photographs, works in wood and metal, pottery, tools, &c.

32. The exhibited articles were arranged in the following groups:—

I.	Machinery, instruments and implements of all sorts	Prize Rs.		438
II.	Dyes and pigments of different sorts and colours	,,	,,	54
III.	Cotton, woollen, silk and other textile manufactures	,,	,,	721
IV.	Jewelled ornaments	,,	,,	15
V.	Gold and silver work	,,	,,	372
VI.	Cutlery and hardware	,,	,,	407
VII.	Furniture of wood and ivory	,,	,,	198
VIII.	Stone work, &c.	,,	,,	188
IX.	Pottery, &c.	,,	,,	130
X.	Glassware	,,	,,	62
XI.	Toys, playthings and fancy articles	,,	,,	141
XII.	Cane, bamboo and grass work	,,	,,	84
XIII.	Stationery	,,	,,	228
XIV.	Fine arts	,,	,,	451
XV.	Leather work	,,	,,	191
XVI.	Perfumery	,,	,,	130
XVII.	Electro-plating and metallurgy	,,	,,	60
XVIII.	Miscellaneous	,,	,,	142

XIX. Special prizes were given for the following, amounting to Rupees 272:—

1. Iron safes.
2. White glazed pottery.
3. Pure cold-drawn castor oil.
4. Articles prepared from horn, such as combs, snuff-boxes and paper-cutters.
5. Locks.
6. Knives and scissors.

33. The prizes were awarded by His Highness the Maharaja. There were in all 403 prizes of the aggregate value of Rs. 4,284, and they consisted of gold and silver medals, pugrees and cash. Certificates of honourable mention were also given for the best articles.

34. The total expenditure on account of the Exhibition amounted to Rs. 7,650.

35. Free admission was allowed without tickets, and therefore there is no data to ascertain the number of visitors; but it is roughly calculated that more than 200,000 persons of both sexes visited the Exhibition.

36. A classified catalogue of the articles exhibited is in the Press.

37. The thanks of His Highness' Government are due to the President of the Committee, Mr. T. S. Tait, M.A., B. Sc., to the Secretaries, Messrs. Raghunath Mahadeo Kelker and Hargovindass Dwarkadass, and to the central and local Committees, to whose exertions the success of the Exhibition was due.

The Ex-Gaekwar.

38. It is with regret that we have to record the death from dysentery of the ex-Gaekwar Malhar Rao Maharaja, which occurred at Doveton House, Madras, on the 26th July 1882. He had been ill for about six weeks only. From the commencement of his illness, he showed great unwillingness to receive European treatment, and sought the aid of Vaids and Hakims. Captain Wyllie, who had succeeded Dr. Seward in charge of the ex-Gaekwar, endeavoured to persuade him to take Europe medicine, and partly succeeded with the result that the ex-Maharaja improved considerably, as is evident from the opinions of Drs. Sibthorp and Kees, who held a consultation on the 13th July. From the next day, however, he declined to follow the regimen prescribed for him. On the contrary, he acted in a way which could not but aggravate his illness.

39. His mind, too, was deranged. The following extract is from Captain Wyllie's report to the Government of India, dated 18th July 1882:—

> "(8.) The immediate cause of Malhar Rao's mental derangement is no doubt physical weakness, resulting from dysentery and taking insufficient nourishment; but I think that the seeds of the disease must have been latent in his system for many years. Always of a superstitious nature, the ex-Gaekwar has, since I have known him, paid particular attention to religious observances, and has invariably shown the strongest possible reluctance to take food in any shape until he has said his prayers and bathed for an hour or two in the open verandah. No remonstrances availed, and he has often, during his illness, complained bitterly of our wishing to force him to eat against his will."

"(9.) In conclusion, I must add that only those who know "him can appreciate the difficulties of dealing with such a man "as the ex-Gaekwar. From the outset, he refused all liquid "medicines, and would only take powders compounded in his pre- "sence from roots the nature of which he is acquainted with. "Quinine and opium he will have nothing to say to, because they "affect his head and heat his system."

* * * * *

40. Too much praise cannot be given to Captain Wyllie for the solicitude and care with which he treated the ex-Gaekwar during his illness.

41. His Highness the Maharaja was constantly kept informed of the ex-Gaekwar's state of health, and every wish of the latter for assistance from Baroda was promptly complied with.

42. The two widows of Malhar Rao Maharaja left Madras soon after his death. The senior lady is now living in the town of Dabhoi, where the principal Sirkar buildings have been placed at her disposal. The junior widow is living at Baroda. Both have got liberal allowances from the State, and appear to be satisfied with the arrangements made for them by the Maharaja.

Settlement Department.

43. As in the preceding years, the work of the Settlement Department was in the year 1881-82 chiefly confined to the disposal of claims to cash allowances, though not an inconsiderable amount of it related to land and other descriptions of claims.

44. The cash allowances consist principally of Devasthans, Warshasans, Assamis, Tora Giras, and Haks of Watandars or district hereditary officers.

45. *Devasthans.*—249 claims of the aggregate annual value of Rs. 9,273, and involving arrears to the amount of Rs. 66,309, were disposed of in the year under report. The annual amount and the arrears awarded were Rs. 5,938 and 36,174, respectively. Thus, claims to the annual value of Rs. 3,335 and to Rs. 30,135 of arrears were disallowed.

46. *Warshasans.*—419 claims of the aggregate annual value of Rs. 12,368, and involving arrears to the amount of Rs. 93,409, were disposed of. The annual amount and the arrears awarded were Rs. 8,374 and 66,180, respectively. Claims to the annual value of Rs. 3,994 and to Rs. 27,229 of arrears were disallowed. Of the annual amount awarded as above stated, Rs. 2,723 have been declared continuable for life only. This amount will, therefore, lapse to the State in course of time.

47. *Assamis, Nemnooks, &c., in the Fadnis, Silledari, Sibandi and Huzurat Departments.*—147 claims of the annual value of Rs. 80,108 were disposed of. Claims to Rs. 59,720 per annum have been allowed,

and those to Rs. 20,388 per annum have been disallowed. Out of Rs. 1,44,107 claimed as arrears, Rs. 51,125 were awarded, and the rest, Rs. 92,982, were disallowed.

48. *Watandars.*—Including claims to arrears, there were 60 claims disposed of under this head. Rs. 12,974 per annum, and land bighas 261 have been continued, and arrears to the amount of Rs. 83,146 have been paid.

49. *Villages.*—Claims to 8 alienated villages were investigated and disposed of during the year.

50. A part of one of the Commission cases, viz., the claims of Gulam Kadar Munshi and Habibulla Munshi to their private property confiscated by the ex-Gaekwar, which had remained undisposed of, was settled in the year under report. Certain ornaments forthcoming in the Palace have been ordered to be returned to the claimants, and a lump sum of money directed to be paid in satisfaction of other claims.

51. *Giras and Wanta.*—269 claims to Tora Giras allowances, including those to succession, of the aggregate annual value of Rs. 3,794, and land, kumbhas 226 and bighas 82, were disposed of. Of these, claims to Rs. 3,678 per annum and land, kumbhas 226 and bighas 82, were allowed, and those to Rs. 116 per annum disallowed. Arrears to the extent of Rs. 50,856 were awarded, and Rs. 3,747 were disallowed.

52. In the year under report, 1,127 decisions of the Special Settlement Officer were executed. These include 812 decisions relating to cash allowances, and 315 relating to land. The annual amount involved in the 812 decisions relating to cash allowances is Rs. 19,957. The annual value involved in the decisions relating to land is not known, but the extent of land adjudicated upon is 13,551 bighas and 10,335 kumbhas.* A sum of Rs. 30,015 has been paid on account of arrears.

53. Taking all the claims together, there were 1,152 claims of the aggregate annual value of Rs. 1,58,805, and land 226 kumbhas and bighas 343 disposed of in the year under report. Of these, Rs. 1,12,925 per annum, and land, kumbhas 226 and bighas 343, have been continued, and Rs. 45,880 have been discontinued. Rs. 2,97,937 have been allowed and Rs. 1,54,094 disallowed on account of arrears.

54. The work of settling the debts of Sirdars and Shilledars to Paraks steadily advanced in the year under report. One hundred and one claims, aggregating Rs. 16,97,081, were settled. 94 claims of the value of Rs. 4,63,912 were allowed, 7 of the value of Rs. 43,681 were disallowed, and Rs. 11,89,488 were struck off as remissions, &c. Rs. 36,656 were paid off at once from the arrears of the Shilledars' allowances held in deposit, and appropriate instalments, according to circumstances of each case, have been fixed for the payment of the remainder.

* A kumbha is nearly equal to an acre.

O.

SPECIAL GIRAS SETTLEMENT.

55. Mr. G. B. Reid, of the Bombay Civil Service, was in charge of this special work during the year.

56. Mr. Reid was on leave from 4th May to 13th November 1881; and in the latter part of the year was appointed by the Government of Bombay to act, successively, for the Collectors of Broach and Ahmedabad. During his absence, no one was appointed in his place. During his absence, however, the Agents employed by the British Government and this State were engaged in collecting various information regarding the claims of Girassias and others residing in the Mahi Kanta and Palanpur.

57. The following list will show generally the work of the year under review:—

	Wanta.	Giras.	Total.
Remaining undecided on 3rd May 1881	30	8	38
Registered during the year under report	1,102	1,978	3,080
	1,132	1,986	3,118
Deduct cases decided during the year	256	1,487	1,743
Balance for decision	876	499	1,375

58. The cases registered during the year stood distributed as follows:—

	Wanta.	Giras.	Total.
Mahi Kanta	1,076	771	1,847
Palanpur	17	1,028	1,045
British Khalsa Districts	9	179	188
Total.....	1,102	1,978	3,080

59. With reference to the cases remaining to be registered, Mr. Reid observes as follows:—

> "So far as I can tell at present, there are about 314 cases "which may have to be registered, made up of 75 from Mahi "Kanta, 214 Angurh land cases, and 25 from Sunkhera-Mewas. "This would raise the number of cases to be decided to 1,689."

60. Of the 30 Wanta and 8 Giras cases remaining from the last year, 11 Wanta and 5 Giras cases were decided during the year.

61. Of the 1,487 Giras claims decided, 929 were rejected, and in the remaining 558, awards were given for about 3,883 Rs. a year. Out of the 256 Wanta Cases, 121 were rejected; and in 135, awards were made for lands measuring about

B.	W.	W.
1158	2	18

and

Ks.	M.	A.
33	59	1½.

62. The Special Settlement Officer's work during the year has been mainly the decision of the cases of the Kolies of Kankrej under Palanpur, and of the cases of a similar class of people in the Katosan District under the Mahi Kanta Agency.

63. As regards these Kankrej cases, Mr. Reid observes as follows:—

"A considerable part of the time has been spent over the "claims of the Kolies of Kankrej under the Palanpur Political "Superintendency. The claims were for rights which had in "most cases been practically extinct for 40 years. Even in cases "where there had been some rights received pretty lately, and "where evidence was procurable, the rights were of the most "petty descriptions. If it had been possible to know beforehand "what the nature of the claims was, it would have been better "for the Durbar to have paid over a good round sum to the "Political Superintendent for distribution among the Kankrej "claimants. This course would have been cheaper to the "Durbar, who would have been spared the expense of keeping up "an expensive establishment for months for this petty work, "and it would have been better for the Kankrej Girassias, who "have had to waste much time in attendance on my Court, and "who are now naturally much disappointed that so lengthy and "detailed an inquiry should have resulted in such an enormous "percentage of their claims being dismissed altogether, and in "so very small a sum being awarded in satisfaction of their "other claims."

64. During the year under review, 16 applications were presented for certificates under Rule 29 of the rules prescribed for the guidance of the Special Settlement Officer's Court to enable the applicants to file appeals against his decisions. Of these, two were from the Baroda Government, and fourteen from Thakores and Girassias. Certificates were granted by the Special Settlement Officer in only five of these cases.

65. Mr. Reid in his report for the year under retrospect, refers to delays in the execution of decrees passed by him. Some of the causes of delay are mentioned in paras. 91 to 97 of the Administration Report for the year 1879-80. These reasons are quoted here for convenience of reference:—

"The Department has to ascertain whether the person in "whose favor the Special Settlement Officer has decided, is living "or dead. If dead, the heirs have to be ascertained, and this "entails protracted references and inquiries, as many of the "individuals concerned reside outside Baroda territories.

"Again, the awards of the Special Settlement Officer are "made subject to the rights of alienees, mortgagees, &c. These "derivative rights have to be duly investigated and given effect to.

"Again, in some cases, it is found that the lines of the "Girassias, in whose favour the awards have been given, have "become extinct. In such cases, inquiries become necessary, "in order to determine whether, or not, there are collaterals "entitled to the continuance of the payment.

"Again, where arrears have to be paid, it has to be carefully "ascertained from what date they are really payable, the last

" payment has to be traced out, and it is necessary in the interests " of the State to find out what became of the monies which had " been withheld.

" Again, in many cases, the Giras paying villages have often " changed hands; that is to say, for some years, they were under " Khalsa management; for some, they were farmed out; for some, " they were granted in Inam to certain individuals, from whom " they were subsequently taken back and given to others for a " time; after which they became Khalsa again. In such circum- " stances, it becomes not a little difficult to ascertain what parties " are responsible for the arrears, and in what proportions.

" These particulars ascertained, detailed action has to be taken " for actual recovery from those parties and in those proportions.

" Great as have been the difficulties arising from the past state " of things, some of the changes, introduced by the present " Administration by way of reforms and improvements, have " unavoidably increased those difficulties so far as the work of " executing the decisions of the Special Settlement Officer is con- " cerned. For instance, the reformed administrative divisions " of the country have increased the difficulties of tracing out the " requisite records.

" Again, in some cases, the land awarded is not so much " as traceable. Parties in possession deny or dispute identity. " When hard pressed by evidence, they plead rights of their own."

66. The Giras payments were stopped by the late Maharaja Khundérow in Samvat 1919, and inquiries have to be instituted as to whether any payments had been made for any of the intermediate years, as is found to have been the case in several instances, in order to avoid the risk of double payments, and as to what parties, that is, the Sirkar, the Inamdar, the Izardar, or any other, were responsible for the payments.

67. The Special Settlement Officer also observes in his report that in many cases after his decision has been received by His Highness' Government, a fresh inquiry is instituted, and that the claimants are put to much incovenience by being sent for to Baroda. In no case is any fresh inquiry made with the object of going over the ground already gone over by the Special Settlement Officer. Whenever inquiries are made, they are confined to the ascertainment of points necessary for the executions of the decision. For instance; decisions are often passed in favour of certain parties, but without prejudice to the rights of mortgagees. In such cases, it becomes necessary to look into the rights of mortgagees and settle them. Again, in some cases, the decisions are passed in favour of a particular individual or his heirs. In such cases, it becomes necessary to ascertain whether the individual is dead or alive, and who his heirs are. Again, decisions are passed in favor of individuals who are found to have been dead, and it becomes necessary to ascertain their heirs. These and other similar reasons render certain inquiries and consequent delay unavoidable in carrying out the decisions of the Special Settlement Officer.

68. In this connection, it may be pointed out that from the time the special machinery for the settlement of Giras cases was set in motion up to the end of the year under review, decisions on about 4,477 claims were received from the Special Settlement Officer, and that out of this number about 3,556 have been executed, leaving a balance of about 921. Out of this balance, about 550 were received only in the last two months of the year, and 95 awaited the result of appeals preferred against the decisions of the Special Settlement Officer.

69. The cost of this special machinery for the settlement of Giras cases was about British Rs. 24,276 for the year. This expenditure is borne entrely by the Baroda Government.

Boundary Settlement.

70. During the year the office of Boundary Commissioner continued to be held by Lieutenant-Colonel G. L. Warden.

71. Including the cases instituted during the year, there were 68 boundary disputes for settlement.

72. These cases stood distributed as follows:—

With Mahi Kanta	2
„ Palanpur	48
„ Surat	1
„ Rewakanta	16
„ Khandesh	1
Total	68

73. Of this number, 36 were disposed of during the year, leaving a balance of 32 cases.

74. Of the 36 cases disposed of, 35 related to disputes between this State and Palanpur.

75. The aggregate area disputed in the 36 cases decided was about 37,493 bighas.

76. The modes of settlement employed were as follows:—

By trial	32
By agreement of parties	4
	36

77. The boundaries settled were demarcated in 24 cases, besides the demarcation of the limits of Chandode.

78. Appeals preferred from the decisions passed during the year under review, and in the previous year, were as follows:—

By Baroda	2
By opposite parties	9
Total	11

79. Of these, the appellate authority decided eight, in three of which the decisions were passed in favour of Baroda.

80. Three special appeals were preferred to the Government of India against the decisions of the Commissioner, Northern Division, two by Baroda and one by the Panch Mahal authorities. All these three special appeals were decided in favour of Baroda, one in the year under report, and the other two in the following year.

81 The salary of the Boundary Commissioner, and pay of his establishment and contingent charges amounted to Rs. 22,495 in the year. Baroda's share of this cost amounted to Rs. 16,876. The salary of our Agent and his establishment amounted to Rs. 16,906. Thus, the aggregate cost to Baroda of the Boundary Settlement Establishment during the year was Rs. 33,782.

82. Taking all the cases decided during the year, the average cost of each disposal was Rs. 938 as far as the expense incurred by Baroda alone was concerned.

83. Taking only the contested cases, the average cost to Baroda of each disposal came to Rs. 1,056.

84. A proposal was made by His Highness' Government to demarcate the whole frontier between Baroda territory and Kankrej under Palanpur, which has for a long time past been a fruitful source of disputes.

Judicial Department.

85. The Judicial tribunals at work during the year were as follows:—

Designation.	No. of Tribunals.	No. of Judges.
Varisht, or High Court	1	2
Sardar Court	1	3
District Judges' Courts, including the Courts of the City Judge, Special Judge and Assistant Judge	7	7
Munsiffs' Courts	18	18
Courts of the Subahs of the Divisions	4	4
Magistrates' Courts	96	96
Total	127	130

86. The number of tribunals last year was 125. The Joint Judge's Court at Baroda was abolished. A probationer, attached to the Nowsari Subah, was invested with second class magisterial powers, and a special second Class Magistrate and a Joint Munsiff were temporarily appointed to assist the Baroda Mahal 2nd class Magistrate and the Baroda City Munsiff, respectively. This accounts for the increase of two tribunals over the number existing last year.

87. The cost of the whole Judicial department for the year under report was in round figures Rs. 4,20,000, against Rs. 4,06,000 in the previous year. The proportion of the salaries of the Officers who have revenue functions in addition to their magisterial duties,

charged to the department, is the same as in former years, viz., one-fourth the salary of the Subahs, and one-half the salary of Naib Subahs, Vahivatdars, Mahalkaris and Avalkarkoons.

88. The total receipts from stamps, fines, &c., amounted to Rs. 3,21,332, against Rs. 3,13,356, for the last year, and against Rs. 2,77,769 for the year before the last. Out of this total of Rs. 3,21,332, the proceeds of the Civil branch amounted to Rs. 2,43,050 against Rs. 2,34,785 in the previous year; and of the Criminal branch Rs. 78,282 against Rs. 78,571 last year.

89. There were 260 vakils and muktyars against 222 last year, practising in our Courts, of whom 113 practised in the Courts located at the Capital, so that about one-half of the total number find employment in the Capital of this State.

90. The total number of cases (original and appellate) decided by the Civil and Criminal tribunals of the State was 29,038 against 28,722 in the previous year. Of these, 15,745 against 15,338 in the last year, were Civil cases, and 13,293 against 13,384 last year, were Criminal cases, so that the amount of work done in both the branches was nearly the same as in the last year.

Civil Justice.

91. The total number of civil suits filed during the year was 13,165 against 12,617 in the last year, thus showing an increase of about 4 per cent. The file of the civil suits has gone on increasing for the last five years.

92. The total numbers representing the file, disposal and pending balance of original civil suits, are as under:—

Number of civil suits pending at the commencement of the year	2,642
Filed during the year	13,165
Re-admitted	368
Received by transfer or by remand	77
Total for disposal.....	16,252
Disposed of	12,776
Pending at the end of the year	3,476

93. Out of the total number of 13,165 original suits filed during the year, 12,304, that is, 93 per cent., were filed in the Munsiffs' Courts, and the remaining 861 suits, or about 7 per cent., were filed in the Judges' Courts. The ratios for the last three years were 95 and 5 per cent., respectively.

94. The total value of the suits filed in the year was a little over 20½ lacs of Rupees against about 25 lacs last year. The average value of a suit comes to about Rs. 157 against Rs. 199 last year. The 861 suits filed in the Courts of the Judges represent a total value of Rs. 7,33,000, whereas, the 12,304 suits filed in the Courts of the Munsiffs

represent a total value of about Rs. 13,31,000. The total value of the suits in the Courts of the Judges last year was Rs. 12,21,000, and that of the suits in the Munsiffs' Courts was about Rs. 12,85,000, so that the falling off in value in the year under report was in the Judges' Courts. In the Munsiffs' Courts, the value has increased by about Rs. 46,000.

95. The total number of suits disposed of was 12,776 against 12,529 in the previous year. Of these, 1,833 suits, that is, about 14 per cent., were struck off the file. The ratio last year was 13 per cent. 82 cases were decreed on oath against 61 last year. Out of the total number of suits disposed of, 4,672 suits, or about 37 per cent., were either withdrawn by *razinama* or compromised, or decreed on admission, or by reference to arbitration. The ratio last year was about 34 per cent., and in the three years previous to it, about 30 per cent. Thus it appears that the tendency of parties for amicable settlement of their disputes is increasing, which appears to be a good sign, and worthy of encouragement. A little over one-third of the total number of the suits disposed of were thus amicably settled.

96. The number of suits decided *ex parte* was 3,176, which gives a ratio of about 25 per cent. against 26 per cent. last year, to the total number of suits disposed of. The ratio of these *ex parte* decisions is diminishing every year, under the instructions which have been issued to secure, as far as possible, the attendance of defendants either in person, or by their legal representatives.

97. The number of contested suits disposed of was 2,950 against 3,090 last year. This gives a ratio to the total number of suits disposed of, of about 23 per cent. against 25 per cent. last year. The Courts located at the Capital and the District Court of Kari and the Munsiff's Court of Petlad show the largest ratio of these cases.

98. Out of the 3,176 *ex parte* decisions, 3,123, that is, about 98 per cent., were for the plaintiffs, while the remaining 2 per cent. were for the defendants. The ratios in the last two years have been the same. Out of the 2,950 decisions in contested suits, 2,612, that is, about 89 per cent., were for the plaintiffs, against 87 per cent. last year, while the remaining 11 per cent. of the decisions were for the defendants.

99. The total number of suits disposed of this year exceeded the number decided last year by 247. As the total number of suits for disposal was more than a thousand in excess of the number last year, the balance at the end of this year exceeds that of the last year by 834 suits, notwithstanding the greater number of disposals in the year.

100. The total pecuniary value of the suits disposed of comes to about 23⅛ lacs of Rupees against 27¼ lacs last year.

101. The average duration of contested suits this year was 163 days against 159 days last year. For other than contested suits the average duration was 82 days against 68 days last year. The average duration of the cases disposed of in the Courts of the Judges

was 274 days for contested and 78 days for other than contested suits, against 379 and 101 days, respectively, last year. This is a great improvement over the last year, which in its turn showed great improvement over the previous year in this respect. In the Munsiffs' Courts, the average duration for contested suits was 155 days, and for other than contested suits 82 days, against 163 and 82 days, respectively, last year.

102. The pending balance at the end of the year was 3,476 suits against 2,642 suits last year. The balance of pending suits of more than one year's duration has risen to 373 against 193 last year, but out of this number, 320 are of less than two years' standing.

103. As usual, suits relating to money form the largest bulk of the suits instituted. In the year under report, there were 12,536 of such suits out of the total number 13,165. This gives a ratio of 95 per cent. against 96 per cent. last year. Out of these money suits, 6,719, that is, 51 per cent., were on written obligation against 53 per cent. last year; those on account stated were 3,669, that is, about 28 per cent. against 26 per cent. last year; and those on running account were 1,502, that is about 11 per cent. against 15 per cent. last year, so that 90 per cent. against 94 per cent. last year of the money suits were evidenced by bonds, or accounts stated or running. The number of suits relating to immoveable property was 497, that is, about 4 per cent., the same ratio as in the last year. Suits of other descriptions numbered 132, being about one per cent. of the total number filed.

104. The classification of suits filed, according to pecuniary values, shows that there were 10,112 suits under Rupees one hundred each. This gives a ratio of 77 per cent. to the total number of suits filed. The percentage last year was the same. There were 2,991 suits each above Rs. 100 and not exceeding Rs. 3,000 against 2,777 last year. This gives a ratio of 22⅔ against 22 per cent. in the last year, so that 99⅔ per cent. of the total number of suits filed belonged to the pecuniary jurisdiction of the Munsiffs, leaving only 48 suits each above Rs. 3,000 to the jurisdiction proper of the Judges' Courts. These 48 suits, however, represent a total pecuniary value of about 6½ lacs of Rupees, while the remaining 13,117 suits represent a pecuniary value of about 14 lacs of Rupees. Last year the number of suits, each above Rs. 3,000, was 81, and their total pecuniary value was about 11½ lacs of Rupees, so that there is a considerable falling off in the number as well as in the pecuniary total value of the suits belonging to the jurisdiction proper of the Judges. The number of suits, each exceeding Rs 1,000, and not exceeding Rs. 3,000, was 162, representing a total pecuniary value of about 2¾ lacs of Rupees against 176 suits of a total pecuniary value of about Rs. 3 lacs last year. The increased pecuniary jurisdiction conferred last year on the Munsiffs has not, therefore, resulted, this year, in an increase of suits of this description in those Courts. There is, however, a general increase in the number and pecuniary value of the suits belonging to those Courts.

105. The Sardar Court resumes its place, which it had lost last year, of being the first as regards the total amount of the values of the suits instituted. The total value of suits instituted in it has risen from Rs. 1,60,700 last year to Rs. 3,73,000 this year. Out of this amount, however, nine suits of the value of Rs. 3,35,000 have been exempted from the payment of Court-fees in the first instance, so that fees were received only on the value of Rs. 38,000. The City Munsiff's Court comes next in this respect, the total pecuniary value of the suits filed in it being about Rs. 3,21,000 against Rs. 3,73,000 last year. The City Judge's Court comes third, having filed suits of the value of Rs. 1,84,000 against Rs. 5,62,000 last year. The above three Courts, belonging to the Baroda City, give a total pecuniary value of a little more than 8½ lacs of Rupees against 11 lacs last year, that is, about 43 per cent. of the aggregate pecuniary value of the suits filed in the whole State. The ratio last year was about 44 per cent. The Baroda District comes, as usual, next to the Baroda City in this respect. Next to it comes the Kari District, the Nowsari District follows the Kari District, and the Amreli District, as usual, comes last.

106. As regards the number of suits filed, the Baroda District, as usual, comes first, having filed 4,741 suits against 4,377 last year. The Kari Division comes next, having filed 3,679 suits against 3,461 last year. The Baroda City stands third, having filed 1,908 suits against 2,357 last year. The Nowsari District, coming next, filed 1,492 against 1,581 last year. The Amreli District, which comes last, filed 1,345 suits against 841 last year. There has been thus an increase of file everywhere, except in the Baroda City and in the Nowsari District. The file in the Amreli District has been steadily increasing year by year.

107. Looking to individual Courts, the City Munsiff Court filed the largest number of suits, viz., 1,798 against 2,224 last year. The Petlad Munsiff Court filed 1,702 suits against 1,502 last year. The Kari, Pattan and Visnagar Munsiff Courts each filed above a thousand suits, while Dabhoi came close to one thousand.

108. The details of the number, nature and values of the suits disposed of during the year, will be found in the Tabular Statements, Civil, Nos. 3 and 5 (*vide* Appendices D. and F.).

109. As to the statistics about the execution of decrees, it appears that at the beginning of the year, there were 1,796 darkhasts or applications pending disposal, against 1,462 last year. These darkhasts referred to 1,725 decrees, the unrealized value of which was about Rs. 23,15,000. Last year, the corresponding figures were 1,415 decrees and about Rs. 20,82,000. The total number of darkhasts filed during the year was 9,468 against 9,058 last year, and they referred to 8,465 decrees against 7,852 last year. The unrealized value of the said 8,465 decrees was about Rs. 14,53,000 against about Rs. 17,05,000 last year. Including the darkhasts received by transfer, there were in all 11,273 darkhasts for disposal referring to 10,199 decrees, the total unrealized value of which was Rs. 37,72,119. Last

year, the corresponding figures were 10,548 darkhasts, 9,294 decrees, and Rs. 38,07,000 unrealized value. The total number of darkhasts disposed of was 9,320, that is about 83 per cent., the same as last year, of those for disposal. These disposed of darkhasts referred to 8,288 decrees, against 7,569 decrees, and 8,752 darkhasts last year. The total amount realized was about Rs. 5,17,700 against about Rs. 4,56,000 realized last year, and Rs. 4,16,000 in the year previous to the last. This gives 14 per cent. as the ratio of the actual relief obtained by the decree-holders to the unrealized value of the decrees sought to be executed. The ratio last year was 12 per cent., while in the year previous it was 13 per cent. The realizations in the Judges' Courts were about 7 per cent., the same ratio as in the last year, and in the Munsiffs' Courts, the realizations were about 27 per cent. against 25 per cent. last year and 26 per cent. in the year previous to the last. The average duration of darkhasts disposed of was 96 days against 90 days last year.

110. The number of darkhasts pending disposal at the end of the year was 1,953 and they referred to 1,905 decrees, the unrealized value of which stood at about Rs. 23,46,000. The corresponding figures for the last year were 1,796 darkhasts, referring to 1,725 decrees, the unrealized value of which stood at about Rs. 23,15,000. Of the pending darkhasts at the end of the year, 1,651 were under one year against 1,549 last year. Those above one year and under three years were 257 against 192 last year; and those above three years were 45 against 55 last year. The long-pending darkhasts of more than three years' standing are mostly in the Courts of the Baroda City and the Baroda District. The reasons of this balance in these Courts have been stated in the last year's report and they hold good for this year also.

111. The Petlad Munsiff Court comes first as regards the number of darkhasts disposed of. It disposed of 1,704 darkhasts, the value satisfaction of the decrees obtained thereby amounting to Rs. 56,773, against 1,414 darkhasts and Rs. 43,789 last year. The City Munsiff Court comes next, having disposed of 1,662 darkhasts against 1,618 last year, and the amount realized was Rs. 58,339 against Rs. 46,348 last year. The largest amount realized was in the City Judge's Court, being about Rs. 1,07,421 against Rs. 69,556 last year. It came highest in this respect also last year.

112. Looking to the details of execution, it appears that of the 9,312 darkhasts disposed of finally, 2,775, or about 30 per cent., were struck off the file, 2,786, that is, another 30 per cent., were disposed of under *razinámás*, and 2,100, that is about 23 per cent., were disposed of under applications by the decree-holders for stay of execution. The ratios last year were 29 per cent. for darkhasts struck off the file, the same percentage for darkhasts disposed of under *razinámá*, and 23 per cent. for darkhasts disposed of under applications for stay of execution. Coercive process in the shape of imprisonment was resorted to only in 126 darkhast cases, which gives a ratio of about 1¼ per cent. against about 1½ per cent. last year; and the coercive process in the shape of auction-sale of immoveable and moveable property was resorted to in

461 darkhast cases, which gives a ratio of about 5 per cent., the same as in the last year. The sales of immoveable property realized about Rs. 38,000, against about Rs. 64,000 last year; and the sales of moveable property realized about Rs. 15,200, against about Rs. 15,500 last year. The auction sales of immoveable property seem to have realized about 79 per cent., and of moveable property about 82 per cent. of the estimated values of those properties.

113. Turning to the appellate work of the various Courts, it appears that the total number of appeals filed during the year was 754 against 771 last year. Of these, 603 were regular and 151 special appeals. The corresponding figures last year were 566 regular appeals and 205 special appeals. Though the number of regular appeals is proportionately somewhat higher than that of the last year, the number of special appeals is proportionately much less, and the total number of appeals is smaller than in the last year. The appellate work is, on the whole, steadily diminishing year by year—a result indicating increased satisfaction on the part of suitors with the decisions of the lower Courts.

114. The total number of appeals for disposal, including those that were pending, re-admitted and transferred, was 1,236 against 1,185 last year.

115. As regards disposal, the total number of appeals disposed of by the various appellate tribunals was 923 against 763 last year. The greatest number of appeals decided was in the Varisht Court, being 405 against 197 last year. Among the Judges' Courts, the greatest number of civil appeals was decided by the City Judge's Court, being 156 against 221 last year. All the 156 appeals were decided by the City Judge himself. In the Baroda District Court, 137 appeals were disposed of against 146 last year. Out of this number, the District Judge himself decided 42 and the Joint and Special Judge 85, and the Assistant Judge 10. The Kari District Judge's Court decided 154 appeals against 122 last year, and out of this number, the Judge himself decided 49 and the Assistant Judge 105 appeals. The Nowsari District Judge decided 55 appeals against 60 last year, and the Amreli District Judge decided 16 appeals against 17 last year. As all the appellate Courts have original civil and criminal work in addition to the appellate civil work, it will be advantageous to review side by side the aggregate number of cases decided by each of these Courts:—

Designation of Courts.	Number of cases decided during the year.								Total.	Result for the previous year, 1880-81.
	Civil.				Criminal.					
	Original.		Appeals.		Original.		Appeals.			
	Suits.	Miscellaneous cases.	From decrees.	From orders.	Offence cases.	Miscellaneous cases.	From decisions in offence cases.	From decisions in miscellaneous cases.		
1	2	3	4	5	6	7	8	9	10	11
Varisht or High Court ...	5	...	405	139	18*	...	458†	76	1,095	767

District Judge, Amreli	704	23	16	...	11	...	8	2	764	516

* These are murder and other referred cases.

† This number includes the cases decided on revision by the Varisht Court.

116. The Amreli District Judge and the Baroda Joint and Special Judge decided cases even within the pecuniary jurisdiction of the Munsiffs.

117. The total value of the appeals filed during the year was about Rs. 4,75,000 against about Rs. 3,97,000 last year.

118. The number of appeals pending at the end of the year was 313 against 422 last year and 371 in the year before the last. The pending balances in all the Courts except the Baroda District Judge's Court are very moderate, and in some of them very small indeed. Out of the 313 pending appeals, 270 are of less than one year's duration against 360 last year; 28 against 51 last year are of more than one year's and less than two years' duration; and 15 against 11 last year are of more than two years' and less than five years' duration. In all, there are 43 pending appeals above one year's duration

against 62 last year. Out of this number, 28 are pending in the Varisht Court. 18 of these appeals belong really to the dormant file, as no notices could be served on the parties owing to their whereabouts not being known; and the remaining 10 are awaiting disposal, pending replies to references made to the lower Courts or to arbitrators.

119. The average duration of decided appeals was 206 days for contested appeals against 201 days last year, and 176 days for other appeals against 145 days last year.

120. There were 503 appeals from the decisions of the Munsiffs, who decided 11,794 original suits during the year. This gives a ratio of about 4 per cent. (the same as last year) between appeals filed and the original suits decided by the Munsiffs during the year. The total number of appeals decided by the Judges was 500. Of these, in 351 appeals, that is, in about 70 per cent., the decisions of the Munsiffs were confirmed or only modified, the decisions in about 30 per cent. having been reversed. The ratios last year were 73 and 27 per cent. respectively. The average duration of contested appeals decided by the Judges was 128 days against 136 days last year. For other appeals, the average duration was 119 days against 105 days last year. In the case of the Munsiff Courts of the Baroda City, Baroda Mahal, Jarod, Dehgaum, Vyara and Kodinar, the reversals have been higher than the average of 30 per cent. The Visnagar Munsiff comes out the best in this respect this year, as the reversals of his decisions have been only 11 per cent., although a good many appeals were preferred from his decisions. The Munsiffs have been favorably reported by the Judges.

121. The proportion of regular appeals preferred to the Varisht Court from the original decisions of the Judges, to the total number of original suits decided by them, comes to about 10 per cent. against 13 per cent. last year. As to disposal, about 73 per cent. of the decisions appealed from were confirmed or modified against 82 per cent. last year, and the reversals were 27 per cent. against 18 per cent. last year. The average duration of regular appeals disposed of by the Varisht Court was 274 days for contested and 313 days for other appeals against 436 and 483 days respectively last year.

122. The proportion of special appeals filed in the Varisht Court to the number of regular appeals decided in the Judges' Courts, comes to about 30 per cent., against 39 per cent. last year.

123. As regards disposal, the decrees of the lower appellate Courts were confirmed or only modified in about 77 per cent. of the special appeals decided, the reversals being about 23 per cent. The ratios last year were 81 and 19 per cent. respectively. The average duration of decided special appeals was 341 days for contested and 337 days for other appeals. The figures for the last year were 317 and 271 days respectively.

124. The following statement presents in one view the civil work done by the various tribunals:—

Designation of Courts.	Original suits decided.	Miscellaneous cases.	Appeals from decrees decided.	Miscellaneous appeals decided.	Applications for execution of decrees disposed of.	Total.	Remarks.
Varisht or High Court ...	5	.....	405	133	.....	543	Besides this, the Varisht Court disposed of 932 petitions presented to it for interference with the action of the lower Courts. 15 miscellaneous appeals were also rejected summarily after perusal as they showed no *prima facie* good grounds for interference.

125. The working of the special Court for Sardars is improving from year to year. The number of suits filed this year is nearly the same as in the last year.

Criminal Justice.

126. The pending balance at the commencement of the year under report was 188 cases against 206 last year. The number of new cases filed during the year was 6,862 against 7,096 last year, and the number of committed, referred, or transferred cases was 390 against 460 last year, so that the total number of cases for disposal for the year was 7,440 against 7,762 last year. In the year before the last, the number of cases filed was 8,425, and in the year previous to it, the number was 9,701; so that, the criminal work has been decreasing every year, which is to be regarded as a satisfactory feature. The total number of cases disposed of was 7,164 against 7,574, thus leaving at the end of the year 276 cases as the pending balance throughout the whole State.

127. The 188 pending cases at the end of the last year involved 451 persons as accused; the 6,862 cases filed during the year involved 13,753 persons as accused against 13,582 last year; and the 390 cases received by committal, reference, or otherwise, referred to 757 persons as accused, so that the total number of persons as accused in the 7,440 cases for disposal was 14,961 against 14,937 last year. The 7,164 cases disposed of referred to 14,335 persons, so that the 276 cases pending at the end of the year involved only 626 persons as accused.

128. The following presents a summary of the criminal work done by the Varisht Court:—

Description of Cases.	Pending.	Filed.	Total.	Disposed of.	Pending.	Remarks.
1	2	3	4	5	6	7
Referred cases	3	19	22	18	4	Besides this work the Court disposed of 431 miscellaneous petitions presented to it, praying for interference with the action of the lower Courts. It also disposed of 58 appeals against 38 last year, summarily, as there appeared no *prima facie* grounds for admitting the appeals.
Regular appeals	...	30	30	27	3	
Special appeals	3	25	28	27	1	
Appeals against acquittals and for enhancement of sentence.	8	105	113	105	8	
Revision cases	15	286	301	299	2

Total ...	38	543	581	552	29	
Result for the last year, 1880-81.	33	475	508	470	38	

129. The average duration of referred cases disposed of by the Varisht Court was 60 days against 54 days last year; that of regular appeals disposed of was 28 days against 24 last year; and that of special appeals disposed of was 29 days against 47 last year.

130. The following presents a summary of the work done by the Sessions Courts:—

Description of Cases.	Pending.	Filed.	Total.	Disposed of	Pending.	Remarks.
1	2	3	4	5	6	7
Original Cases.						
Offence cases	23	220	246	207	39	
Miscellaneous cases	1	29	30	25	5	
Appeals.						
From decisions in offence cases.	11	277	288	275	13	
From decisions in miscellaneous cases.	14	211	225	211	14	
Total ...	52	737	789	718	71	
Figures for the last year, 1880-81.	66	699	765	713	52	

131. The average duration of original offence cases disposed of by the Sessions Courts from the date of filing to the date of disposal was 41 days against 49 last year. The average duration of appeals in offence cases disposed of was 25 days against 24 days last year. The average duration of Sessions cases has been decreasing year by year.

132. Looking to individual Courts, the Sirdar Court still shows the greatest delay in the disposal of these cases, though there is a marked improvement in this respect, the average duration in that Court of decided original cases being 74 days against 112 days last year. The Baroda City Judge's Court also shows this year considerable progress in this respect, the average duration in it for original offence cases being 58 days against 84 last year, and 156 days in the previous year. There is still much room for improvement, as the average is far higher than it ought to be. The average duration of the original cases disposed of by the Baroda District Judge has been rising considerably, being 42 days against 32 days last year, and 25 days in the year before the last. The average duration of these cases disposed of by the Kari District Judge was 30 days against 28 days last year; that of the Nowsari District Judge's Court was 35 days against 28 last year; and that of the Amreli Court was 35 days against 43 last year.

133. The average duration of miscellaneous original cases was 57 days against 64 last year, and that of miscellaneous appeals was 56 days against 35 last year.

134. For the last five years the Sessions work has been diminishing, on the whole, year by year. The last year showed considerable decrease, and the year under report exhibits a little further diminution. Out of the 220 offence cases filed in the Sessions Courts against 234 last year, there were 197 cases received by committal, &c., against 210 last year. In the Baroda District Judge's Court, however, there was a considerable increase, it having filed 63 cases against 42 last year and 64 in the year before the last.

135. The Public Prosecutor's work has been satisfactory. The cost incurred on this account amounted this year to Rs. 2,608 Babashai. A circular has been also issued this year to the effect that in murder cases, the accused may be allowed the benefit of the services of a professional Vakil at Sirkar expense, if the accused be too poor to entertain one himself, and be yet desirous to have professional aid. The question of life or death of the accused involved in such cases renders this help advisable, especially as the prosecution is now conducted by the Public Prosecutor.

136. The following presents a summary of the work done by the Magistrates:—

Description of Cases.	Pending.	Filed.	Total.	Disposed of.	Pending.	Remarks.
1	2	3	4	5	6	7
Offence cases	159	7,013	7,172	6,939	233	
Miscellaneous cases ...	279	5,051	5,330	5,084	246	
Total ...	438	12,064	12,502	12,023	479	
Figures for the last year, 1880-81.	366	12,273	12,639	12,201	438	

137. The file in the Magistrates' Courts of offence cases has diminished, as compared with the last year, by about 234 cases, but the miscellaneous cases file has increased by about a hundred cases, so that the Magistrates' Courts had nearly the same amount of work to go through. The 7,172 offence cases for disposal with the Magistrates involved 14,404 persons as accused, against 7,473 cases involving 14,402 persons last year. Of these, 6,939 cases, involving 13,861 persons as accused, were disposed of, 186 cases, involving 413 accused, being committed to the Sessions Courts, 163 cases, involving 313 accused, being either referred or transferred to other courts, and the remaining 6,590 cases, involving 13,135 accused, being finally disposed of by the Magistrates themselves. The pending balance at the end of the year was 233 cases, involving 543 persons as accused, against 159 cases, involving 376 persons as accused, last year.

138. The average duration of offence cases disposed of in the Courts of the Magistrates was 21 days against 18 last year. The highest average duration which was in the Courts of the 1st Class Magistrates was 28 days against 27 last year, while the lowest average, viz., that in the Town Magistrates' Courts, was 10 days against 5 days last year.

139. The general average duration per case for the total number of offence cases disposed of in all the Courts of the State comes to 22 days against 19 days last year.

140. The total number of offence cases finally disposed of in all the Courts of the State was 6,789, involving 13,575 persons as accused, against 7,157 cases and 13,537 persons last year.

141. The particulars as regards the disposal of these accused are as follow:—

Disposal.	Number of Persons.	Percentage in whole numbers this year, 1881-82.	Percentage in 1880-81.	Remarks.
1	2	3	4	5
Let off under *Razinama* ...	3,472	26	27	
Struck off the file	655	5	3	
Acquitted or discharged ...	4,195	31	31	
Convicted	5,190	38	39	
Died, escaped, pardoned ...	57	.....	.....	
Total ...	13,575	.....	.....	

142. The above percentages show that there has been an increase of 2 per cent. over last year in the number of persons whose

cases were struck off the file. The convictions have been one per cent. less than in the last year, and eleven per cent. less than in the year previous.

143. The total number of witnesses examined by all the Criminal Courts of the State was 25,122, which gives an average of about 3 witnesses per case. The average last year was the same.

144. Out of 13,753 persons against whom charges were preferred during the year, 7,467 persons, that is, about 54 per cent., against 58 per cent. last year, were arrested by the Police, the rest having been apprehended on warrant, or having appeared on summons, or voluntarily.

145. The number of persons committed to the Sessions was 413, while the total number of persons tried was 14,335. This gives a ratio of about 3 per cent., the same as in the last two years. The number of persons whose cases were referred to the higher authorities was 185 against 349 last year.

146. The number of miscellaneous cases has somewhat increased, as will appear from para. 137 above. The average duration of miscellaneous cases disposed of was 21 days against 25 last year.

147. The classification of cases filed, and finally disposed of according to the principal heads of offences, together with the number of accused persons involved in them, gives the following results. Out of the 6,862 cases filed during the year, involving 13,753 accused, 3,375 cases, that is about 49 per cent., were those against property. The number of cases last year was nearly the same, viz., 3,420 cases or 48 per cent. There were 1,883 cases of theft against 1,991 last year. This gives a ratio of about 27 per cent. to the total number of cases filed, against 28 per cent. last year. The principal subheads under the general class of offences against property show a diminution of crime as compared with the last year, except in the cases of dacoity and house-breaking, which increased from 15 and 69 to 23 and 74 respectively.

148. There were 243 cases of robberies and dacoities last year against 405 in the year preceding it. This year the number of these cases is 249, being only six in excess of that of the last year.

149. The number of cases referring to offences against the human body was 1,688 against 1,943, and gives a ratio of about 25 per cent. to the total number of cases filed, against 27 last year. The principal subheads under this class of offences show nearly the same numbers as last year. There were filed 23 cases of murder, 16 of culpable homicide not amounting to murder, and 70 of grievous hurt. The respective figures for the last year were 29, 14 and 68. There were 6 cases of causing miscarriage and 12 of rape, against 5 and 16 cases respectively last year. It is satisfactory to notice that there has been no case of emasculation.

150. As to the disposals, out of the total number of 6,789 cases, involving 13,575 accused persons finally dealt with, there were 3,334 cases relating to offences against property, which gives a ratio of about

49 against 48 per cent. last year. There were 1,668 cases relating to offences against the human body, which gives a ratio of about 25 per cent. against 27 per cent. last year. Twenty-six cases of murder and ten of culpable homicide not amounting to murder, were tried during the year against 29 and 16 cases respectively in the preceding year. 221 cases of robbery and 34 of dacoity were tried during the year, against 241 cases of robbery and 22 of dacoity last year.

151. The ratio of convictions to the total number of accused persons finally dealt with was, as already shown, 38 per cent. In offences relating to property, the ratio of persons convicted, 2,633, to the total number of persons tried for that class of offences, comes to about 41 per cent. against 46 last year. In offences against the human body, the ratio comes to about 22 per cent., the same as in the last year. With regard to offences of murder, 15 persons were convicted out of 47 tried, which gives a ratio of about 32 per cent. against 53 per cent. last year. Seven persons out of 22 charged with culpable homicide not amounting to murder were convicted, which gives a ratio of about 32 per cent. against 35 last year. The percentage of convictions in robbery cases comes to about 53 per cent. against 51 last year; and the percentage of convictions in cases of theft comes to about 53 against 55 last year. The convictions in dacoity cases come to about 41 per cent. against 43 last year. House-breaking shows a ratio of about 70 per cent. against 63 last year. The ratio of convictions in the cases of house-breaking has been the highest, viz., 70 per cent. The general ratio of acquittals has not, however, increased. It continues at 31 per cent. as last year. The disposals by *Razinamas* have been 26 per cent. against 27 last year.

152. The following is a summary of punishments awarded in the year:—

Nature of Punishment.	No. of Persons. 1881-82.	No. of Persons. 1880-81.
Sentenced to death	2	4
Imprisoned	686	637
Fined	2,631	2,635
Flogged	48	66
Imprisoned and fined	1,756	1,885
Imprisoned and flogged	34	38
Fined and flogged	1	...
Imprisoned, fined and flogged	24	29
Bound to security, &c.	14	11
Total	5,196	5,305

153. Two persons convicted of murder were hanged this year against 4 last year. Both these cases belonged to the Baroda district. The sentence of life imprisonment was passed on six convicts against 13 last year. There was only one person sentenced to rigorous imprisonment from seven to fourteen years, against eleven last year; ninety-five persons, against seventy-one last year, were sentenced from

two to seven years. Thus one hundred and four persons were punished for heinous offences against 99 last year and 154 the year before the last.

154. Out of the total number of 2,500 persons imprisoned, 303 or about 12 per cent. were sentenced to simple imprisonment, the rest, 2,197, that is about 88 per cent., having been sentenced to rigorous imprisonment. The ratios last year were 14 and 86 per cent. respectively. Of the 2,197 persons sentenced to rigorous imprisonment, 998 persons or about 40 per cent. of the whole number imprisoned, received rigorous imprisonment under or up to one month; 837, or about 33 per cent., above one and up to six months; 260, or about 10 per cent., above six months and up to two years. The corresponding ratios last year were 44, 30 and 9 respectively. One hundred persons were sentenced to rigorous imprisonment by the Sessions Courts and by the Varisht Court, and this gives a ratio of about 4 per cent., the same as in the last year, to the total number imprisoned. The sentence of flogging was passed on 107 persons against 133 last year. This gives a ratio of about 2 per cent. against 3 per cent. last year. The number of persons sentenced to flogging has been decreasing year by year.

155. The total number of persons fined was 4,412. Of these 3,890 were fined up to Rs. 25 each, which gives a ratio of about 88 per cent. against 90 last year. Of these again, 2,536, that is, about 57 per cent., were fined up to Rs. 5 each, against 56 per cent. last year. There were two persons sentenced to a fine above Rs. 1,000 each, and only one was fined above Rs. 500 and up to Rs. 1,000. The total amount of fines inflicted was, in mixed currency, about Rs. 72,800, against about Rs. 70,000 last year. The realized amount, including the previous outstandings, was Rs. 48,027 against Rs. 44,738 last year. Out of the realized amount, Rs. 9,567 were paid by way of compensation to complainants, &c., against 4,096 last year, and Rs. 5,040 against Rs. 4,379 were refunded, as the sentences were reversed or modified on appeal or revision.

156. Of the total number of persons punished, 4,816 were males and 380 females; that is, for every 13 males punished there was one female punished. The proportion last year was eleven to one.

157. Proceeding to appeals from the sentences of Magistrates, the total number filed during the year was 277, which gives a ratio of about 4 per cent. to the total number of cases decided by them. The ratio last year was the same. Out of the 275 appeals decided during the year, the Subhas decided 112 and the Judges 163. In addition to these appeals, there were filed 211 appeals against the decisions of Magistrates in miscellaneous cases, which gives a ratio of about 4 per cent. to the total number of these cases decided by the Magistrates. The ratio last year was the same. Of these miscellaneous appeals, 124 were decided by the Subhas and 87 by the Judges.

158. Of the 431 convicted persons whose appeals were disposed of, the sentences against 169 were confirmed, those against 98 were

modified, and those against 164 were reversed. The proportion of reversals comes to about 38 per cent. against 34 last year.

159. The proportion of special appeals to the Varisht Court from the appellate decisions of the Subhas and the Judges in offence cases, exclusive of appeals against acquittals, comes to about 9 per cent. of the appeals decided by them against 10 per cent. last year. About 17 per cent. of these decisions were reversed against 3 per cent. last year, the rest being either confirmed or modified. The percentage of special appeals from the appellate decisions in miscellaneous cases comes to about 24 per cent. against 38 per cent. last year.

160. The proportion of regular appeals to the Varisht Court from the decisions of the Subhas and Judges passed in Sessions and other original cases decided by them, exclusive of the cases in which the accused were acquitted, was about 16 per cent. against 12 per cent. last year. In about 18 per cent. the decisions were reversed, the rest having been either confirmed or modified. The reversals last year were 17 per cent.

161. The number of appeals to the Varisht Court against acquittals or for enhancement of punishment, was 105 against 123 last year. With regard to about 13 per cent. of the persons affected by these appeals, the decisions of the lower Courts were reversed. The ratio of reversals last year was about 12 per cent.

162. In the exercise of its powers of revision, the Varisht Court called up or received 286 offence cases against 209 last year. Of these, the Varisht Court itself called up 112, the Baroda District Judge sent up 56, the Kari Subha 46, the Baroda Subha 32, the Nowsari Subha 14, the Amreli Subha 9, the Amreli Judge 8, the Kari Judge 6 and the City Judge 3 cases. Of the 478 persons affected by the 299 cases decided, the decisions affecting 85 persons, that is about 18 per cent., were reversed, and those against 43, that is about 9 per cent., were modified. The corresponding ratios last year were 15 and 22 per cent.

163. The work of all the First Class Magistrates has been noticed in favourable terms by the Subhas and Judges. Many of the Second and Third Class Magistrates also have been noticed in more or less favourable terms, but the work of the following Magistrates has been noticed as unsatisfactory more or less:—Messrs. Gopalrao Khanderao, 2nd Class Magistrate of Kheralu; Keshavrao Govind, 2nd Class Magistrate, now transferred to Vyara; Narayan Babaji, 2nd Class Magistrate at Vadavli; Sakharam Ramchandra, 2nd Class Magistrate, Ghandevi; Keshavram Dhirajram, 2nd Class Magistrate, now transferred to Vijapur; Bhaskar Sadashiv, 3rd Class Magistrate, Dabhoi; Ramrao Waman, 3rd Class Magistrate, Padra; Manekji Bairamji Mahalkari, 3rd Class Magistrate, Attarsumba; Balwantrao Babaji, 3rd Class Magistrate, Kheralu; Lalaji Raghunath, 3rd Class Magistrate, Vijapur; and Jamiatram Shambhuram, 3rd Class Magistrate, Bilimora.

164. The work of all the Judges, including the Joint, Special and Assistant Judges, was satisfactory.

165. The criminal work done by the Subhas, which consists of appeals only, has been satisfactory. They have also continued to keep an efficient supervision over the work of the Magistrates.

166. The criminal work performed by the Inamdars under the Sanads given to them still continues to be slight. They filed 50 cases against 63 last year, and disposed of 45 cases against 62 last year.

167. The civil and criminal cases arising in our Military Cantonments at Súdrá, Deesá, and Mánikwárá are disposed of by the Contingent Subhas located in those camps, and by the Sir Subha of the Contingent at Baroda. They decided 57 civil suits and 126 criminal cases during the year under report.

168. The usual statistical details will be found in the Appendix, which may be referred to for further details.

169. The 2nd Judge of the Varisht Court went this year on circuit to the Amreli Division, including Dwarka. This occupied him for about two months.

JAILS.

170. The number of jails and lock-ups in His Highness' territories was 43 in all, viz.:—

1 Central Jail at Baroda,
7 District Jails, and
35 Lock-ups.

171. The District Jail at Baroda, *i. e.*, the Raopura Chabutra, was closed in the year under report.

ROYAL ASIATIC SOCIETY LIBRARY OF THE BOMBAY BRANCH OF THE

172. *Central Jail.*—The following statement gives particulars regarding the prisoners in the Central Jail for the year under report:—

Number.	Class of Prisoners.	Remained on 31st July 1881.			Received during the year.			Total.			Discharged, &c., from all causes.			Remaining at the end of the year.			Daily average of each class.			Total daily avorage of whole jail.		
		Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1	Convicted ...	340	37	386	529	50	579	873	87	965	371	47	418	507	40	547	430	37	470

173. In the total daily average there was an increase of 26 per cent. This increase was partly due to prisoners from two of the District jails having been transferred to the Central Jail, and partly also to a greater number of admissions.

174. The following are the details of the prisoners discharged:—

Convicted Prisoners.

Transferred to other jails	13
Released on appeal	17
Do. on expiry of sentence	333
Do. on payment of fine	26
Do. by order of the Administration	11
Escaped	1
Executed	2
Died	15
Total.....	418

The occasion on which the eleven prisoners received their discharge was the Investiture of His Highness the Maharaja. These were short-term prisoners.

Two convicts from the Central Jail were executed in the year under report, as against one last year.

The convict shown as escaped was recaptured soon afterwards.

Under-trial Prisoners.

Released	12
Convicted and sentenced	6
Transferred to other jails	94
Escaped	2
Total.....	114

Lunatics.

Handed over to relatives	1
Grand Total.....	533

175. The number of deaths during the year under report was 15, which bears the ratio of 3·1 per cent. to the average daily number, which was 484. The percentage last year was 2·3.

176. There were 5 deaths from pneumonia, 3 from phthisis or consumption, 2 from dysentery, 2 from heart disease, 1 from rheumatism, 1 from abscess, and 1 from remittent fever.

177. The daily average of sick prisoners was 19·9, or nearly 20 as against 30 in the previous year. The prevailing disease was ague.

178. There was no case of cholera in the jail, though cholera prevailed in the City for some time.

179. The ages of those who died are given below:—

Age period.	No. of deaths.
20 — 29	3
30 — 34	5
35 — 39	3
40 — 44	1
45 — 49	...
50 — 54	...
55 and over.....	3
Total.....	15

180. Of the 547 convicted prisoners remaining in the Jail at the end of the year, there were:—

	Males.	Females.	Total.
Sentenced to life imprisonment	91	24	115
Above 14 years' do.	6	.....	6
Above 10 years and not exceeding 14 years do.	16	1	17
Above 7 years and not exceeding 10 years	36	1	37
Above 5 years and not exceeding 7 years	72	1	73
Above 3 years and not exceeding 5 years	64	1	65
Above 1 year and not exceeding 3 years	114	2	116
Above 6 months and not exceeding 1 year	33	2	35
Above 1 month and not exceeding 6 months	69	8	77
Not exceeding 1 month	6	.....	6
Total.....	507	40	547

181. Of the 547 convicted prisoners, there were:—

Hindus	487
Mahomedans	57
Jains	2
Native Christian	1
Total	547

182. Of the 432 admissions in the jail during the year, there were:—

	Males.	Females.	Total.
Hindus	320	36	356
Mahomedans	68	7	75
Native Christian	1	0	1
Total	389	43	432

183. The total expenditure of the jail during the year under review was Rs. 40,481 against Rs. 29,522 in the previous year.

184. The average cost per prisoner was as below:—

Heads of Charges.	1880-81.	1881-82.
	Rs. a. p.	Rs. a. p.
Diet	30 7 3	34 13 3
Establishment and guarding	40 4 8	35 0 10
Clothing	2 6 10	5 7 0
Hospital charges	1 10 8	2 9 9
Contingencies	2 0 8	5 11 5
Total	76 14 1	83 10 3

185. Thus, there was an increase in the total average cost per head. This increase is to be found in all items but one, viz., establishment and guarding. The increase in the item of diet was due to the comparative dearness of provisions, and that in clothing was due to the issue of new blankets and gunny mattresses for the use of the convicts. The increased expenditure under contingencies was due to the purchase of sundry articles of dead stock. These items do not, however, form permanent items of expenditure, and may, therefore, be treated as extraordinary expenditure. The decrease in the expenditure under the head of establishment and guarding was attributable to the reduction of sentries at the new Jail.

186. *District Jails.*—There were seven district jails in the year. The following statement gives particulars of their inmates during the year:—

Number.	Class of Prisoners.	3 Remaining at the commencement of the year.			4 Received during the year.			5 Total.			6 Discharged, &c., from all causes.			7 Remaining at the end of the year.			8 Daily average of each class.			9 Total daily average of all jails.		
		Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1	Convicted ...	717	33	750	1,340	90	1,430	2,057	132	2,189	1,397	106	1,503	660	26	686	638	40	673			937
2	Under trial ...	43	3	46	1,032	70	1,161	1,125	82	1,207	1,078	79	1,157	47	3	50	54	3	57	694	43	
3	Lunatics ...	2	1	3	0	...	0	11	1	12	9	1	10	2	...	2	2	...	2			
	Total ...	732	37	799	2,431	173	2,600	3,193	215	3,408	2,484	186	2,670	709	29	738	694	43	737	...	...	...
	1890-91 ...	1,005	43	1,049	3,307	304	3,701	4,403	347	4,750	3,595	304	3,899	817	43	860	869	37	906	...	...	...

187. Thus, the total daily average in all the district jails together, was, in the year under report, less than in the previous year by 169. This confirms what has been stated in para. 225 with regard to the apparent increase of crime caused by entering into the registers, cases wherein *razinamas* had been taken by the Police, or those wherein the Police found that no offence had actually occurred.

188. The particulars regarding the discharged prisoners are as follow:—

Convicted Prisoners.

Transferred to other jails	200
Released on appeal	66
Do. on expiry of sentence	937
Do. on payment of fine	226
Do. by order of Sarkar on the ground of serious sickness	1
Do. by order of the Administration	36
Escaped	8
Executed	1
Died	28
Total	1,503

The prisoner, who was released on account of sickness, was a Waghir undergoing his sentence in the Okhamandal or Dwarka Jail.

The thirty-six prisoners were released from the District jails on the occasion of the accession of His Highness the Maharaja to power.

Of the eight prisoners who escaped, five were recaptured before the close of the year under report.

The majority of those transferred to other jails were sent to the Central Jail at Baroda.

Under-trial Prisoners.

Convicted and sentenced	395
Released	408
Transferred to other jails	351
Escaped	1
Died	2
Total	1,157

Lunatics.

Released after recovery	6
Transferred to other jails	3
Handed over to relatives	1
Total	10
Grand Total	2,670

189. The percentage of mortality in the District jails was 4 as against 2·4 in the previous year. The percentage in 1879-80 was 4·6, and that in 1878-79 was 7. The percentage of mortality among the convicted prisoners was 4·4, and that among the under-trial ones was 3·5.

190. The total expenditure on District jails in the year under report was Rs. 68,763 as against Rs. 69,297 in the previous year.

191. The average cost per prisoner in the District jails was:—

	Rs.	a.	p.
Diet	39	8	11
Establishment and guarding	47	12	10
Clothing	0	15	4
Contingencies	2	14	1
Hospital charges	1	0	5
Total..... Rs.	92	3	7

192. If the expenditure incurred on account of the Raopura Jail, which was open for a few months of the year under report, be taken into account, the average cost per prisoner will amount to Rs. 88-0-8.

193. The average cost per prisoner for the previous year was:—

	Rs.	a.	p.
Diet	30	1	2
Guarding and establishment	41	3	5
Clothing	1	15	4
Contingencies, including Hospital charges	3	3	6
Total..... Rs.	76	7	5

194. The increase under the head of establishment and guarding was mainly owing to the smaller daily average number in the year under report. The average daily number in the previous year was 906. The actual expenditure under this item was less than in the previous year; being Rs. 35,231-2-4 as against Rs. 37,344-2-7.

195. The higher expenditure under the head of diet was mainly due to dearness of provisions. In every class of jails in this territory, the expenditure on account of diet was higher than in the previous year, and in the case of District jails, the average is perceptibly affected by the high average in the Dubhoi, Amreli, and Okhamandal jails. In the first two, the average cost of diet was Rs. 46-6-1 and Rs. 46-14-9 respectively, and in the last it was Rs. 73-9-7.

196. *Lock-ups.*—The number of Lock-ups or Taluka jails remained the same as in the previous year.

197. The following statement gives particulars of the inmates of these Taluka jails:—

Number.	Class of Prisoners.	Remaining at the commencement of the year.			Received during the year.			Total.			Discharged, &c., from all causes.			Remaining at the end of the year.			Daily average of each Class.			Total daily average of all Lock-ups.		
		Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1	Convicted ...	89	...	89	1,304	73	1,377	1,393	73	1,466	1,328	67	1,395	65	6	71	64	2	66			
2	Under trial ...	52	3	55	3,203	239	3,445	3,258	242	3,500	3,157	226	3,383	101	16	117	162	12	174	227	15	242
3	Lunatics ...	2	1	3	14	2	16	16	3	19	11	2	13	6	1	6	1	1	2			
	Total ...	143	4	147	4,521	314	4,838	4,667	318	4,985	4,496	295	4,791	171	23	194	227	15	242	...	...	...
	1880-81 ...	135	17	152	4,568	327	4,895	4,703	344	5,047	4,660	340	4,900	143	4	147	211	10	221	...	...	...

198. 4,838 persons were received in the several lock-ups in 1881-82, or 57 less than in the previous year. Similarly, the number of prisoners discharged was also less by 109. The total daily average attendance was 242 as against 221 in 1880-81. The average daily number of convicted prisoners was 66 as against 88 in the previous year.

199. The following are the particulars of the discharged prisoners:—

Convicted Prisoners.

Transferred to other jails	497
Released on appeal	22
Do. on expiry of sentence	733
Do. on payment of fine	112
Do. by order of the Administration	29
Escaped	...
Died	2
Total	1,395

Under-trial Prisoners.

Convicted and sentenced	823
Released	1,623
Transferred to other jails	929
Escaped	7
Died	1
Total	3,383

Lunatics.

Released after recovery	7
Transferred to other jails	2
Handed over to relatives	4
Total	13
Grand Total	4,791

200. The 29 prisoners were released in honor of the accession of His Highness the Maharaja to power.

201. The death-rate in the lock-ups was very favourable. The average daily population being 242, the rate was ·8 as against 3·1 in the previous year.

202. The average cost per prisoner in the lock-ups was:—

	Rs.	a.	p.
Diet	30	4	11
Establishment	2	8	11
Clothing	0	1	0
Contingencies	1	1	2
Hospital charges	0	4	2
Total...Rs.	34	4	2

203. The average cost per prisoner in the year 1880-81 was Rs. 28-9-0 and in 1879-80 Rs. 46-14-6. The higher average cost in the year under report as compared with that of the previous year was mainly due to the increase in the item of diet, which amounted to Rs. 30-4-11 against Rs. 23-7-8 in the previous year.

204. The total expenditure on account of the lock-ups was Rs. 8,291 as against Rs. 6,314 in the preceding year.

205. The following comparative statement gives particulars of the inmates of all the jails, severally noticed above, for 1881-82 and the previous year:—

	Convicted.		Under-trial.		Lunatics.		Total.	
	1880-81.	1881-82.	1880-81.	1881-82.	1880-81.	1881-82.	1880-81.	1881-82.
Prisoners at the beginning of the year.	1,441	1,225	140	102	3	8	1,584	1,335
Admitted during the year	3,747	3,395	5,055	4,729	14	27	8,816	8,151
Total ...	5,188	4,620	5,195	4,831	17	35	10,400	9,486
Disposed of during the year	3,931	3,316	5,034	4,654	9	24	9,004	7,994
Remaining at the end of the year ...	1,257	1,304	131	177	8	11	1,396	1,492

206. The following table gives the admissions and disposals of prisoners in all the jails from the year 1878-79 to 1881-82.

	1878-79.	1879-80.	1880-81.	1881-82.
Admissions	15,482	10,854	8,816	8,151
Discharged from all causes	15,150	11,491	9,004	7,994

207. In the Appendix will be found the usual statistical details.

Police.

208. During the year under report, the sanctioned strength of the police force was the same as in the last year, viz.:—

Name of Division.	Superintendent or Police Naib Subhu.	Inspectors and Fouzdars.	Subordinate officers and men.		Other establishment.	Total.	Remarks.
			Foot.	Mounted.			
Baroda City	1	8	575	35	39	658	
Baroda Division	1	14	1,156	138	28	1,337	This figure includes 215 Tainatees.
Nowsari do.	1	14	713	153	28	909	This number is inclusive of 77 Tainatee Karkhandars.
Kadi do.	1	17	1,651	208	32	1,909	Exclusive of 221 Tainatee Sowars from the Military Department.
Amreli do.	1	8	488	78	23	598	
Total ...	5	61	4,583	612	150	5,411	

209. The above total of 5,411 is inclusive of vacancies, which at the end of the year were 385.

210. Taking the total population of these territories according to the last census to be 21,80,311 souls, we have one policeman to 414 of the population. The details for each Division are given in the subjoined table:—

Name of Division.	Population.	Police force exclusive of establishment.	Proportion of Police (officers and men) to population.
Baroda City	1,01,818	619	1 Policeman to 164·5
Baroda Division	6,54,989	1,309	500·3
Nowsari do.	2,87,549	881	326·4
Kadi do.	9,88,487	1,877	526·6
Amreli do.	1,47,468	575	256·4
Total ...	21,80,311	5,261	414·4

211. The total annual cost sanctioned during the year, including both budget and extraordinary grants, was Rs. 9,04,664 in mixed

currencies; and the total expenditure actually incurred was Rs. 7,59,956. The following statement gives figures for each Division:—

Name of Division.	Sanctions (in mixed currencies).	Actual expenditure (in mixed currencies).
	Rs. a. p.	Rs. a. p.
Baroda City	1,12,790 14 3	1,00,192 11 0
Baroda Division	2,20,525 6 11	1,87,129 7 1
Nowsari do.	1,52,010 7 9	1,25,585 1 7
Kadi do.	3,12,984 15 0	2,56,246 12 7
Amreli do.	1,06,322 5 0	90,802 1 5
Total ...	9,04,664 0 11	7,59,956 1 8

212. The total expenditure for the year preceding was Rs. 7,55,447. Thus there was an increase of expenditure by Rs. 4,508 over the last year. The increase was due to:—

(*a*) Increase of pay to certain officers;

(*b*) Issue of dress to the men in the Amreli Division; and

(*c*) Some items of expenditure of previous years adjusted in this year.

213. Of the officers and men employed during the year under review, there were 2,817 Hindus of all castes, 2,189 Mahomedans, 18 Parsis and Jews, and 2 Christians, as shown below:—

Name of Division.	Hindus.	Mahomedans.	Parsis and Jews.	Christians.	Total.	Remarks.
Baroda City	460	173	3	.....	636	
Baroda Division ...	684	436	2	.....	1,122	
Nowsari do. ...	524	263	10	2	799	
Kadi do. ...	783	1,088	2	.....	1,873	
Amreli do. ...	366	229	1	.....	596	
Total ...	2,817	2,189	18	2	5,026	

214. The following statement gives particulars regarding Hindus in the force:—

Name of Division.	Brahmans.	Rajputs.	Marathas.	Parbhus and Sonoys.	Waghers.	Kolis and Bhils.	Hindus of other castes.	Total.
Baroda City	114	53	187	10	...	37	59	460
Baroda Division	246	45	249	15	...	19	110	684
Nowsari do.	114	40	200	22	...	31	117	524
Kadi do.	92	120	71	27	24	253	196	783
Amreli do.	49	60	104	8	5	24	116	366
Total ...	615	318	811	82	29	364	598	2,817

215. The different castes and creeds bear the following ratios to the total:—

Brahmans	12·24	per cent.
Rajputs	6·33	do.
Marathas	16·14	do.
Parbhus and Senoys	1·63	do.
Waghers	0·57	do.
Kolis and Bhils	7·24	do.
Hindus of other castes	11·90	do.
Mahomedans	43·55	do.
Parsis, Jews and Christians	0·40	do.

216. The corresponding percentages for the preceding year were:—

Brahmans	12·05
Rajputs	6·27
Marathas	15·92
Parbhus and Senoys	1·64
Waghers	0·59
Kolis and Bhils	7·04
Hindus of other castes	11·39
Mahomedans	44·68
Parsis, Jews and Christians	0·42

217. It will be observed that, as in the preceding year, the different castes and creeds were well represented.

218. The number of Hindus employed in the police was ·29 per cent. of the total Hindu male population in this territory, and that of the Mahomedans was 2·45 per cent. of the total Mahomedan male population.

219. Amongst officers 34·31 per cent. were Mahomedans, 1·46 per cent. Parsis and Jews, and 64·23 per cent. Hindus of all castes.

220. Of the Hindus 41·89 per cent. were Brahmans, 7·95 per cent. Rajputs, 20·94 per cent. Marathas, 6·82 per cent. Parbhus and Senoys, 3·41 per cent. Kolis, Bhils and Waghers, and 18·99 per cent. Hindus of other castes.

221. Of the men 45·73 per cent. were Mahomedans, 0·15 per cent. Parsis, Jews and Christians, and 54·12 per cent. were Hindus of all castes.

222. Of the Hindus 16·22 per cent. were Brahmans, 12·22 per cent. Rajputs, 30·99 per cent. Marathas, 1·82 per cent. Parbhus and Senoys, 16·90 per cent. Kolis, Bhils and Waghers, and 21·85 per cent. Hindus of other castes.

223. The following statement gives particulars regarding punishments and rewards to the police force during the year:—

Name of Division.	Punishments.								Rewards.		
	Dismissed.		Reduced to lower grade.		Criminally punished.		Total number of officers punished.	Total number of men punished.	By promotion.	By presents in money.	Total number of men rewarded.
	Officers.	Men.	Officers.	Men.	Officers.	Men.					
Baroda City	1	135	62	392	1	8	64	535	...	...	...
Baroda Division ...	1	23	91	184	...	12	92	219	102	45	147
Nowsari do. ...	...	33	32	42	...	8	32	83	80	30	110
Kadi do. ...	...	14	66	136	...	14	66	164	43	8	51
Amreli do. ...	...	15	68	153	1	4	69	172	3	5	8
Total ...	2	220	319	907	2	46	323	1,173	228	88	316
Total for 1880-81...	16	278	440	1,086	8	97	464	1,461	296	122	418

224. The following table shows the number of resignations, deaths, discharges and dismissals during the year under report, as compared with those for the two previous years:—

Year.	By resignation.	By discharge or otherwise.	By desertion.	By death.	Total.
1881-82	159	109	138	88	494
1880-81	212	235	94	96	637
1879-80	259	115	105	139	618

225. The total number of crimes reported during the year was 8,428 against 6,925 in the previous year. There was thus an apparent increase of crime during the year ; but the increase was mainly in petty crimes, while there was a decrease in those of a heinous nature. The increase in the number of petty crimes is, to some extent, attributable to the fact that the figures for the previous year do not include cases in which *razinamas* were filed before the police, or those where the police found that no offence had actually taken place; whereas the figures for the year under review include such cases also which, in the Baroda Division alone, were no less than 1,027.

226. Of the crimes reported during the year, there were 20 cases of murder, 22 of culpable homicide not amounting to murder, 85 of grievous hurt, 28 of rape, 33 of dacoity, 145 of robbery, 3,630 of theft, 435 of house-breaking, 161 of receiving stolen property, 121 of criminal breach of trust, 62 of mischief by fire, and the rest were miscellaneous offences.

227. The figures for each Division are given in the following table:—

Name of Division.	Murder.	Culpable homicide.	Grievous hurt.	Rape.	Dacoity.	Robbery.	Theft.	House-breaking.	Receiving stolen property.	Criminal breach of trust.	Mischief by fire.	Miscellaneous offences.	Total.
Baroda City	1	1	5	1	...	11	315	161	5	44	5	415	964
Baroda Division	10	6	29	9	19	50	1,339	44	67	29	21	1,034	2,687
Nowsari do.	1	4	8	...	4	9	266	25	9	9	1	312	588
Kadi do.	8	9	34	12	10	61	1,436	193	66	31	23	1,664	3,537
Amreli do.	...	2	9	6	...	14	334	22	14	8	12	231	652
Total ...	20	22	85	28	33	145	3,630	435	161	121	62	3,686	8,428
Total for 1880-81... ...	21	25	95	27	28	154	3,033	258	109	130	49	2,946	6,925

228. Some of the cases of dacoity shown in the above statement fall under that designation only technically. They were otherwise ordinary cases of theft.

229. Nine hundred and forty-four cases of previous years were brought under inquiry during this year. These, with the 8,428 cases mentioned above, make up the total of 9,372.

230. Of these 9,372 cases, 3,355 were sent to Magistrates, 3,067 were disposed of by *razinamas*, 1,035 were struck off with the permission of Magistrates, 670 remained on the dormant list, 6 were transferred, and 1,239 remained undetected. Out of those sent to Magistrates,

convictions were secured in 2,194 cases, so that the percentage of convictions to cases sent to Magistrates for inquiry was 65·4 against 66 for the preceding year. The following statement gives particulars for each Division:—

Name of Division	Cases reported during the year.	Cases of previous years brought under inquiry during the year under report.	Total.	Struck off with the permission of Magistrates.	Disposed of by *Razinamas*.	Remained on dormant list.	Transferred.	Remained undetected.	Cases sent to Magistrates for inquiry during the year.	Cases in which convictions were secured.	Percentage of convictions to cases sent to Magistrates.	
											1880-81.	1881-82.

231. The number of persons arrested during the year under review was 12,528 against 11,450 for the previous year. Of these, 5,277 were released, 3 died, 4 escaped, 3 were transferred to other districts, 17 remained in the custody of the police, and 511 were on bail at the end of the year. The rest, *viz.* 6,713, were sent to Magistrates for trial. Of these, again, 2,602 were acquitted, 3,623 were convicted, 2 died after commencement of trial, 8 escaped, and 478 remained pending trial at the end of the year. The appended table gives figures for each Division:—

Name of Division.	Number of persons arrested.	Disposal of persons arrested during the year under report.						Sent to Magistrates for inquiry.					Total.
		Released without trial.	Died.	Escaped.	Transferred to other Districts.	In Police custody.	On bail at the end of the year.	Acquitted.	Convicted.	Died after commencement of trial.	Escaped.	Pending trial at the end of the year.

Total for 1880-81 ...	11,450	4,115	7	4	1	4	405	2,696	3,847	3	3	365	11,450

232. Of the persons arrested, 42·12 per cent. were discharged without trial (this, indeed, appears a large percentage, but it is mainly formed of persons whose cases were struck off in consequence of *razinamas* submitted either to the police or to the Magistrates. For instance, in the Baroda Division, out of the 1,816 persons who were released without trial, 943 were released by permission of Magistrates in consequence of *razinamas* before the police, and 873 were released by the Magistrates because *razinamas* were presented to them), 20·77 per cent. acquitted, 28·92 per cent. convicted, and 4·08 per cent. remained on bail at the end of the year. The percentage of persons convicted to persons sent for trial was 53·97, or rather 54 against 56 for the previous year. The percentages for each Division are given in the following table:—

Name of Division.	Percentage of persons arrested who were				Percentage of persons convicted to those sent to Magistrates for trial.	
	Discharged without trial.	Acquitted.	Convicted.	On bail at the end of the year.	1880-81.	1881-82.
Baroda City	47·22	23·97	19·79	0·59	55·69	43·25
Baroda Division	48·02	19·05	24·30	4·18	53·27	51·08
Nowsari do.	26·14	23·21	43·71	.....	54·97	59·27
Kadi do.	40·18	19·17	31·59	4·48	56·72	57·28
Amreli do.	34·92	27·91	34·79	0·13	58·60	53·56
Total.....	42·12	20·77	28·92	4·08	56·00	53·97

233. In 3,421 cases, property to the extent of Rs. 2,13,408 was alleged to have been stolen, as against 3,137 cases involving property of the value of Rs. 1,81,129 for the previous year. There is thus an increase, both in the number of cases and in the value of the property alleged to have been stolen, but that this increase is mainly owing to a greater number of petty thefts is clear from the fact, that only about eleven thousand rupees worth of property out of the above figure was covered by robbery and dacoity, &c. Again, the percentage of recoveries, especially in cases of robbery, &c., was more favourable than that of the previous year. For, in 2,179 cases, property to the extent of Rs. 98,585 was recovered against 2,092 cases, and Rs. 80,739 for the year preceding. The percentage of property recovered to that alleged to have been stolen, was 46·20 against 44·58 for the preceding year. The percentage of recoveries in cases of robbery

and dacoity was 73 against 69 in the previous year. The following table gives figures for each Division:—

Name of Division.	1881-82.				1880-81.		Percentage of property recovered to property lost.	
	Cases in which property was alleged to have been stolen.	Alleged value of property lost.	Cases in which property was recovered.	Value of property recovered.	Alleged value of property lost.	Value of property recovered.	1881-82.	1880-81.

General Remarks.

234. *Baroda Division.*—The Subha attributes the increase in the number of offences in the year under report, partly to the newly introduced system of entering into police registers all cases in which *razinamas* are filed before the police, or those where the police find that no offence has actually occurred, and partly to dearness of provisions.

235. One Mobudkhan Amirkhan was detected and arrested by the police of the Division, while in the act of counterfeiting British rupees. The man was tried, convicted, and sentenced to three years' imprisonment.

236. Though cases of culpable homicide not amounting to murder and grievous hurt were less in the year under notice than in the preceding year, there was an increase of three in murders and four in offences of rape. One case of murder, in which two innocent lives were lost, occurred under rather painful circumstances. A police peon named Isrising, stationed at Petlad, who bore some grudge against his superior, the Naib Fouzdar, attempted the Naib Fouzdar's life. The Naib Fouzdar, however, escaped. Isrising thus thwarted, fled to a neighbouring jowari field, and there concealed himself. Another policeman entering the field to arrest Isrising, had an encounter with him, and lost his life. Isrising then rushed out of the field with his sword stained with blood, and ran to the 2nd Class Magistrate's Cutcherry, where also he slew a Brahman Havildar who happened to be present. Isrising expiated his crime on the gallows.

237. Though the Subha is desirous to enlist into the Police force, Kolies and other criminal tribes, he finds it difficult to do so owing to the unwillingness of these people to enter into any regular service and submit to discipline.

238. *Nowsari Division.*—The introduction of the new Abkari system has slightly added to the work of the police. There were 61 cases of offences under the Abkari rules, the number of persons arrested being 86, and that of convicted 63.

239. Only one murder occurred in the Division in the year under report. It was in the town of Nowsari. The perpetrators of the crime have not yet been detected.

240. The dacoit Morar Bhana, who had been arrested as mentioned in the last year's report, escaped again during the year, but was recaptured.

241. *Kari Division.*—The number of robberies and dacoities in the year under report (61 and 10 respectively) shows a considerable improvement over the corresponding figures for the previous year (68 and 23 respectively), cases of dacoities especially having decreased fifty per cent. It is satisfactory to note that there was no case of highway dacoity in this Division.

242. With regard to murders and culpable homicides, also, the figures in the year under report show a great improvement over those of the preceding year. This shows that heinous crime is greatly on the decline.

243. There is, however, an increase in petty thefts and other petty offences, and this is easily explained. There is a large Koli population in the Division. These people show considerable apathy to any regular service, and generally subsist on labor, which is not sufficiently forthcoming in the hot season. When, therefore, high prices of provisions prevail and honest means of subsistence fail, the criminal habits of the class come into prominent play. The strong arm of the law deters them from committing heinous crimes. They naturally take, therefore, to committing small ones. If sufficient honest employment can be found for the Kolis and other cognate tribes, even small crimes will diminish perceptibly.

244. No mail robbery occurred in the year under report.

245. The risings of the Bhils in the Udeypur and Edar States would, it was at one time feared, create a feeling of disquietude in the minds of the Bhils and Kolis residing in our limits. Special precautions were, therefore, taken both in the way of preserving order and watching the frontier. A cordon of mounted and foot police was stationed along the eastern frontier line, and additional parties of police patrolled along the line. Thus, a considerable portion of the force had to be withdrawn from its regular duties.

246. Convict Punja Natha, a noted dacoit, who had escaped from the Baroda Central Jail, was, with some tact, recaptured by Naib Fouzdar Martandrao Bhivrao, of the Kari Division Police.

247. *Amreli Division.*—No cases of outlawry occurred in the year under report.

248. No case of murder, dacoity, or mail robbery took place in the year under notice.

249. On the whole, the results of the working of the Amreli Division Police were satisfactory.

250. The usual tabular statement will be found annexed—*vide* Appendix A e.

EXTRADITION.

251. During the year under report, the Baroda Government made extradition demands in 122 cases, against 110 of last year, and received similar demands in 92 cases from British districts and tributary and other Native States against 113 of last year, as shown below :—

Demands by Baroda.

On	Number of demands.		Number of demands withdrawn.	
	Cases.	Men.	Cases.	Men.
British Districts	67	176	4	9
Native States	55	141	.....	2
Total...	122	317	4	11

Demands on Baroda.

By	Number of demands.		Number of demands withdrawn.	
	Cases.	Men.	Cases.	Men.
British Districts	42	97	1	1
Native States	50	114	1	1
Total...	92	211	2	2

252. During the same period, 247 men were surrendered to Baroda in 107 cases, while Baroda surrendered 142 men in 76 cases, as shown below:—

Surrenders to Baroda.

From	No. of surrenders on demands during the year.		No. of surrenders on demands during previous year.		Total No. of surrenders during the year.	
	Cases.	Men.	Cases.	Men.	Cases.	Men.

Native States	29	56	16	48	45	104
Total ...	81	138	26	59	107	247

Surrenders by Baroda.

To	No. of surrenders on demands during the year.		No. of surrenders on demands during previous year.		Total number of surrenders during the year.	
	Cases.	Men.	Cases.	Men.	Cases.	Men.
British Districts	34	66	3	5	37	71
Native States	34	65	5	6	39	71
Total ...	68	131	8	11	76	142

253. During the year 223 extradited persons were tried in 93 cases; 143 were convicted and 80 acquitted; and 41 persons remained to be tried, as shown below:—

British Districts and Native States.	No. of trials.		No. of convictions.		No. of acquittals.		Pending.	
	Cases.	Men.	Cases.	Men.	Cases.	Men.	Cases.	Men.
British Districts	51	120	37	73	14	47	13	33
Native States	42	103	32	70	10	33	4	8
Total ...	93	223	69	143	24	80	17	41

254. Certificates for trial in British India were issued in 6 cases, involving 12 persons.

CENSUS.

255. The work of compiling the various statistical tables from the Census taken last year was continued and finished during the year under review. It was necessarily a laborious work, and much praise is due to Rao Bahadur Gajánan Krishna Bhatawadekar, B.A., LL.B., for having executed it in all its details with accuracy and completeness. As, however, his report and the Census tables have lately been printed, nothing more need be said here on the subject.

MILITARY.

256. The strength of the regular or the disciplined force may be said to have remained the same as in the preceding years. There are thus four regiments of infantry, two of cavalry and two companies of artillery serving at Baroda. A regiment of infantry is stationed at Dhari and another in Okhamandal in the Amreli Division. Detachments of infantry and artillery are posted at Kari.

257. The following table shows the numerical strength of each branch of the force:—

	Effective.	Non-effective.	Total.
ARTILLERY.			
Amalgamated gold and silver gun battery ...	65	81	146
Light field battery	69	44	113
Rumi gunners	24	.....	24
Total ...	158	125	283
CAVALRY.			
The Maharajá's Body-guard	55	55	110
Silledar cavalry	192	62	254
Total ...	247	117	364
INFANTRY.			
1st Regiment	566	54	620
2nd Regiment	566	45	611
3rd Regiment	566	73	639
5th Regiment	338	33	371
Dhari Battalion	514	25	539
Okha Battalion	461	22	483
Total ...	3,011	252	3,263
BAND.			
Mounted Band	22	13	35
Foot Band	71	3	74
Total ..	93	16	109
General and Staff	5	6*	11
Grand Total ...	3,514	516	4,030

* Clerks, &c.

258. The total strength of artillery, cavalry and infantry is as under:—

	Effective.	Non-effective.	Total.
Artillery	158	125	283
Cavalry	247	117	364
Infantry	3,011	252	3,263
Bands	93	16	109
General and Staff	5	6	11
Total ...	* 3,514	516	4,030

* *Note.*—Out of this number 35 places were vacant at the close of the year under review.

259. The force was composed of—

Europeans and Eurasians	17 or	·4 per cent.
Mahomedans	803 or	22·8 per cent.
Marathas and Konkanees.	878 or	25·0 per cent.
Purdeshis or Hindustanis	1,572 or	44·7 per cent.
Kolies, Rajputs, Gosavis and other races	209 or	5·9 per cent.
Vacancies	35 or	1·2 per cent.

260. The cost of the above force during the year 1881-82, including the cost of arms, ammunition, remounts, &c., was as under:—

	Rupees.
Artillery	67,274
Cavalry	1,25,968
Infantry	4,58,828
Bands	29,858
Staff officers	29,047
Store magazine	4,037
Total.....	7,15,012

261. Thus the average cost per each effective man in the artillery was Rs. 431 per annum, in the cavalry Rs. 533 per annum, in the infantry Rs. 153 per annum, and in the bands Rs. 321 per annum; and taking the whole force together, the average cost per each effective man was Rs. 205 per annum.

262. The cost compares with that of the preceding year as follows:—

	Cost in 1880-81.	Cost in 1881-82.	Increase in 1881-82.	Decrease in 1881-82.	Net decrease in 1881-82.
Artillery	61,902	67,274	5,372	.....	.....
Cavalry	1,26,511	1,25,968	.....	543	.....
Infantry	4,81,804	4,58,828	.....	22,976	.....
Bands	29,054	29,858	804	.....	.....
General and staff officers ...	34,920	33,084	.....	1,836	.....
Total ...	7,34,191	7,15,012	6,176	25,355	19,179

263. The increase against "artillery" is due to the full dress supplied to the men in the gold and silver gun battery in 1881-82, and to the purchase of horses in that year.

264. The decrease of Rs. 22,976 under "infantry," is mainly attributable to the cost of the dress supplied in 1879-80 to the Dhari Battalion having been brought to account in 1880-81, and to the payment of arrears due to the Captain of that regiment having been made in that year. No such charges were adjusted in the accounts of the year under report.

265. Twelve men were discharged. The gratuities paid to them amounted to Rs. 1,092.

266. The rate of mortality in the force was 50 per thousand, against 24 in the year 1880-81, and against 42·5 in the previous year.

267. The average daily attendance of the sick in the Sayaji Rao Military Hospital at Baroda was 81, against 176 in the year previous.

268. There were 14 cases of desertion against 68 in the previous year. Only three of the deserters were apprehended, tried and punished.

269. The irregular force of the State consists of horse and foot. The horse or the mounted portion belongs to four departments, viz., the Silledari, Sibandi, Huzurat and the Khalsa. The bulk of the first three of these are managed on the Silledari system, and the last departmentally. The foot portion consists of two departments, viz., the Sibandi and the Khalsa.

270. The numerical strength of the force belonging to each department is shown below:—

Horse.

Silledari	1,655
Sibandi	622
Huzurat	400
Khalsa	1,732
Total.....	4,409

Foot.

Sibandi	1,155
Khalsa	669
Total.....	1,824
Grand Total.....	6,233

271. Thus taking all the departments together, there are 4,409 mounted effective men, and 1,824 foot, total 6,233.

272. Three thousand of the mounted force are serving in the contingent stations of Manikwara, Sadra, Deesa, &c., and the rest at Baroda and in the districts.

273. The following table shows the expenditure incurred on account of this irregular force in the year under report:—

Horse.

	Rupees.
Silledari	9,22,819
Sibandi	3,03,796
Huzurat	1,64,380
Khalsa	7,79,005
Contingent Sir Subha and establishment.....	35,017
Total.....	22,05,017

Foot.

Sibandi	1,61,939
Khalsa	48,783
Total.....	2,10,722
Grand Total.....	24,15,739

274. This cost compares with that of the preceding year as follows:—

	Cost in 1880-81.	Cost in 1881-82.	Increase in 1881-82.	Decrease in 1881-82.	Net decrease.
HORSE.					
Silledari	11,71,892	9,22,819	.....	2,49,073	.....
Sibandi	3,08,671	3,03,796	.....	4,875	.....
Huzurat	1,95,544	1,64,380	.....	31,164	.....
Khalsa	7,84,798	7,79,005	.....	5,793	.....
Contingent Establishment Sir Subha and	41,433	35,017	.....	6,416	.....
Total ...	25,02,338	22,05,017	.....	2,97,321	.....
FOOT.					
Sibandi	1,59,621	1,61,939	2,318	.....	.....
Khalsa	49,102	48,783	.....	319	.....
Total ...	2,08,723	2,10,722	2,318	319	.....
Grand Total ...	27,11,061	24,15,739	2,318	2,97,640	2,95,322

275. The decrease shown above is due to the payment of larger arrears in 1880-81 than in the year under report, and the increase against Sibandi in 1881-82 is owing to payments on account of arrears made in that year.

276. The above figures give an average per each effective mounted man of Rs. 517 per annum in the Silledari, Rs. 484 per annum in the Sibandi, Rs. 411 per annum in the Huzurat, and Rs. 450 per annum in the Khalsa Karklanas; and, taking all the establishments together, the average for each Sowar is Rs. 500, against Rs. 567 per annum in 1880-81.

277. As regards the foot, the average per man in the Sibandi is Rs. 140 per annum, and in the Khalsa Karkhanas Rs. 73; or, taking both together, the average is Rs. 115 per annum in the year under review.

278. Great mortality prevailed amongst the horses during the year 1881-82. 199 horses are reported to have died against 91 in the previous year.

279. The following statement shows the number and cost of remounts purchased:—

Stations.	Remounts purchased.	Rupees.	Average cost per each horse.
Manikwara	2	500	250
Deesa	95	26,669	281
Sadra	13	2,315	178
Rewakanta	3	657	219
Baroda	118	30,621	259

280. The cost of the whole force, regular and irregular, for the year 1881-82, and the previous year, is shown below:—

	1880-81.	1881-82.
Regular	7,34,191	7,15,012
Irregular	27,11,061	24,15,739
Total.....	34,45,252	31,30,751

281. These figures show a decrease of Rs. 3,14,501, which, as said above, is mainly due to payments of arrears having been made in the year 1880-81.

282. During the year, His Highness' Government laid down a scale of gratuity for privates, non-commissioned officers and to a certain class of Native commissioned officers of the Okha and Dhari battalions, who may be discharged on the ground of physical unfitness.

Public Works.

283. The following tabular statement shows in round numbers the total outlay of the Department in the year under report, in comparison with that of the previous year:—

Heads of service.	Expenditure in 1880-81.	Expenditure in 1881-82.	Increase.	Decrease.
	Rs.	Rs.	Rs.	Rs.
Original works	10,15,000	10,25,600	10,600	.....
Repairs	1,10,100	1,23,000	12,900	.....
Establishment	85,000	92,000	7,000	.....
Tools and plant	2,500	2,500	.....	.....
Stock purchase, &c.	82,400	40	.....	32,360
Total Rs. ...	12,45,000	12,43,140	30,500	32,360

284. The increase under the head of establishment is due chiefly to certain advances having been adjusted during the year under report, and the raising of the salaries of certain members of the Department. The ratio of the cost of establishment to the total outlay, viz., Rs. 11,48,600 comes to 8 per cent., which is a little more than that of the previous year, when it was 7·48.

285. The appendices contain detailed statistics as regards the outlay and working of the Department during the year.

286. It may, however, be useful to note here the principal original works which were brought to completion in the year under retrospect. They are shown below:—

No.	Description of Work.	Amount of sanction.	Amount expended.
		Rs.	Rs.
1	Jamnabai Hospital, Baroda	1,60,446	1,56,280
2	Extra accommodation to Kothi Public Offices, Baroda	24,354	23,519
3	Additions and alterations to the Old Jail at Baroda, now used for records	8,228	8,228
4	Wahiwatdar's Cutcherry, Chansama	41,404	45,095
5	Do. do. Dehgamm	30,875	23,780
6	Do. do. Sankheda	12,667	12,117
7	School-house at Sidhpoor	27,338	25,195
8	Do. Sojitra	25,419	24,600
9	Dispensary at Mehesana	8,497	8,132
10	Do. Kodinar	9,237	8,621
11	Out-houses for the bungalow of the Assistant Agent Governor-General, Amreli	18,339	15,453
12	Bridges and culverts on the Warsoda Road ...	6,894	4,080
13	Road from Kathor to Sion	12,587	9,768
14	Bungalow for Mankaries at Makerpoora	13,319	11,672
15	Dhurumshalla at Ambawadi	5,432	4,783
16	Masonry stone parapet in front of Public Garden at Baroda...	27,183	23,765
17	Plant-house in Public Garden	11,305	11,350
18	Police Lines at Sankheda	7,481	6,559
19	Miscellaneous works	41,808	35,109

287. The following statement shows the principal original works in progress at the close of the year under review:—

No.	Description of Work.	Amount of estimate.	Amount expended up to the end of the year 1881-82.
		Rs.	Rs.
1	Laxmivilas Palace, Baroda	23,90,035	6,27,770
2	College do.	5,84,829	4,49,822
3	Municipal Offices, do.	56,606	2,913
4	Wishwamitri River Bund	29,968	19,634
5	New Library at Baroda	45,539	34,813
6	Dispensary at Sinore	8,498	7,448
7	Do. Kurjan	8,370	7,455
8	Do. Bechraji	8,497	7,073
9	Do. Visnagar	8,497	3,332
10	Do. Vijapur	3,688	1,915
11	Do. Damnagar	9,237	3,848
12	Hospital at Pattan	28,830	20,531
13	Do. Amreli	29,717	14,764
14	School-house at Dabhoi	18,500	14,713
15	Road from Badherpore to Songhad	2,878	2,541
16	Road from Railway goods' shed to Camp limits at Baroda	6,901	1,330
17	Road from Public Park to Bhootdi Zampa at Baroda	54,860	35,701
18	Public Offices at Nowsari...	92,521	63,721
19	Road from Amreli to Chithal	35,592	9,595
20	Road from Amreli to Warsoda	37,971	37,639
21	Lines for Okha Battalion at Dwarka	.....	2,570
22	Converting a portion of Girjabai's Paga into stables for sick horses and camels	5,566	3,853

288. In addition to the works executed through the Public Works Department, a variety of small works, such as making new or repairing old wells, repairing tanks, &c., are executed by or under the orders of the Revenue Department. The charges thus incurred

in the Revenue Department have not been included in the outlay of the Public Works Department above noted. They amounted in the year under report to Rs. 46,877.

289. The new Palace has continued to be in immediate charge of Mr. A. K. Modi, L.C.E., Assistant Engineer, and has made fair progress. The ground-floor of this important edifice is nearly completed, and the first floor will soon be taken on hand.

290. It will be remembered that the Palace was designed by Major Mant. Owing to his lamentable death the services of Mr. Chisholm, Government Architect, Madras, have been engaged by the State to complete the detailed and working designs. In doing this Mr. Chisholm is adhering to the original style of Major Mant.

291. The College and the Library, the former designed by Mr. Chisholm, and the latter by Major Mant, approached completion. The library building has since been occupied.

292. A design had been prepared by the late Major Mant for the General State Hospital at Baroda. It, however, involved too large an outlay, and had therefore to be returned to the Public Works Department with a view to the curtailment of the cost.

293. The construction of a Light-house at Modwa Point was sanctioned, and the structure was completed. A new fifth order dioptric revolving light was set up in the year itself. This light was erected in the interest of the shipping of Kattyawar and Guzerat.

Public Park.

294. This garden continues to be useful. It is resorted to by people specially from the City for health and pleasure.

295. The total expenditure in connection with the maintenance and improvement of this garden was as under:—

Improvement	Rs.	54,836
Maintenance	,,	30,224
Miscellaneous	,,	4,440
Total.....	Rs.	89,500

Municipalities.

296. The following is a comparative statement of expenditure incurred on account of Municipalities in the year under report and in the previous year:—

		1880-81.	1881-82.
(1)	Baroda City Municipality ...Rs.	2,32,960	2,59,734
(2)	Town Municipalities in the Districts ..... ,,	54,769	67,306
	Total.....Rs.	2,87,729	3,27,040

297. The increase in the expenditure of the City Municipality is due to the large amount expended on decorations, triumphal arches, illuminations, &c., on the occasion of the assumption of power by His Highness the Maharaja in December 1881.

298. The increase in the cost of the Town Municipalities in the Districts is owing to the extension of municipal arrangements in the Districts.

299. The following statement shows the details of the expenses of the Baroda City Municipality:—

	1880-81.	1881-82.
	Rupees.	Rupees.
Office establishment...	13,958	15,713
Inspectors	5,124	5,561
Conservancy	58,360	62,167
Road repairs	35,494	39,158
Watering roads	20,548	24,405
Lighting	14,663	26,878
Fire establishment	2,644	4,799
Clearing wells and tanks	2,213	2,197
Planting of trees	3,405	3,556
Dead stock purchase	16,770	12,038
Buildings and repairs	53,724	53,364
Miscellaneous	4,057	9,898
Total Rupees ...	2,32,960	2,59,734

300. The principal articles of dead-stock maintained at the end of the year for the use of the City Municipality are shown in the following table. The articles that remained in the store at the end of 1880-81, and those that were purchased during the year under report, are given separately:—

No.	Items.	Dead-stock which remained on hand on 31st July 1881.	Dead-stock purchased during 1881-82.	Total.	Remarks.
1	Fire engines	46	2	48	4 sold off, being unserviceable.
2	Carts of all kinds	179	30	209	14 do. do.
3	Lamp-posts, iron and others ...	1,814	.....	1,814	
4	Bracket lamps	314	.....	314	
5	Fire tanks	50	.....	50	3 do. do.
6	Dust-bins	618	.....	618	9 were lost in flood.
7	Urinals	105	.....	105	
8	Rollers, stone and iron	10	.....	10	
9	Sign-boards	592	2	594	
10	Cages for trees, wooden and iron...	769	45	814	
11	Mud scrapers	60	.....	60	
12	Cast-iron pipes	50	138	188	
13	Porcelain pipes	21	.....	21	
14	Jack screw	1	.....	1	
15	Wheel-barrows	20	.....	20	
16	Fire-escape	1	.....	1	

301. The health of the city was generally good, after the fever and cholera which prevailed in the early part of the year had disappeared.

302. One hundred and fifty-four wells, &c., were cleared out, and sixty-three wells and two tanks were repaired during the year.

303. There were in all 25 fires in the city during the year, causing damage to the extent of about Rs. 28,200. The corresponding figures for the previous year were 14 fires and Rs. 11,000 damage.

304. Forty-three main roads and streets, about 17 miles in length, were watered during the year under report.

305. The following is a comparative statement of expenditure for the past two years:—

	1880-81.	1881-82.
	Rs.	Rs.
Public health	88,021	92,351
Public safety	25,269	36,420
Public convenience	22,773	27,058
Public communication	73,774	81,149
Establishment	20,224	22,756
Miscellaneous	2,899	.....
Total	2,32,960	2,59,734

District Municipalities.

306. The total expenditure during the year under report on the Town Municipalities in the districts was Rs. 67,306; that of the previous year was Rs. 54,769.

307. During the year under report an annual grant of Rs. 500 was sanctioned for the Municipality at Beyt.

308. The following statement shows the total expenditure incurred in connection with the Town Municipalities in the districts:—

Names of Towns.	Sanction.					Expenses.	
	Grant.			Municipal receipts.	Total.	1880-81.	1881-82.
	Annual.	Special.	Last year's savings.

Total ...	9,000	450	.....	185	9,635	4,597	8,636
Grand Total .....Rs.	67,074	2,834	13,037	12,912	95,857	54,769	67,306

309. The above expenditure does not include charges for schools, dispensaries, vaccination, police, &c., which are all defrayed directly by the State.

310. As compared with the previous year, the District Municipal expenditure during the year under report stands thus:—

No.	Name of Division.	1880-81.	1881-82.	Increase.	Decrease.
1	Kari	27,936	31,238	3,302	.....
2	Baroda	10,951	14,397	3,446	.....
3	Nowsari	11,285	13,035	1,750	.....
4	Amreli	4,597	8,636	4,039	.....
	Total Rs....	54,769	67,306	12,537	.....

311. The reason for the increase in the cost of District Municipalities is explained in para. 298 above.

RAILWAYS.

312. The following lines of His Highness the Gaekwar's State Railway were at work during the year under review:—

	Miles approximately.
From Dabhoi to Meagaum	20
,, ,, to Chandode.....	10¾
,, ,, to Bhadarpore.....	9¾
,, ,, to Vishwamitri Junction...	19
Total ...	59½ miles.

313. The total capital authorisations up to the 30th of June 1882 amounted to Rs. 13,77,965, and the actual expenditure up to that date was Rs. 12,49,657. The amount stated in the last report (para. 342) was that of the authorisations and did not represent the cost.

314. The following statement shows the general results of the working of our open lines for the calendar year 1881, as compared with those of the preceding years:—

	Totals for 1873, 20 miles open.	Totals for 1874, 20 miles open.	Totals for 1875, 20 miles open.	Totals for 1876, 20 miles open.	Totals for 1877, 20 miles open.	Totals for 1878, 20 miles open.	Totals for 1879, 40 miles open.	Totals for 1880, 58 miles open.	Totals for 1881, 59½ miles open.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Gross earnings	15,759	33,087	34,302	30,776	46,400	44,891	72,083	1,28,825	1,41,233
Expenses	15,496	25,074	26,965	29,071	36,285	28,022	40,475	63,687	92,384
Net profit	263	8,013	7,337	9,805	10,115	16,869	31,608	65,133	48,849
Return per annum on capital invested... ...	0·07	2·15	1·97	2·62	2·65	3·88	4·21	5·67	3·94

315. The gross earnings for 1880-81 shown above comprised:—

	Rs.
Coaching traffic.....	85,436
Goods traffic	53,925
Sundries.....	1,872
Total.....	1,41,233

316. The gross earnings increased from Rs. 1,28,825 in the previous year to Rs. 1,41,233 in the year under report. On the other hand, the increase in the total expenses was very large, it having risen from Rs. 63,687 in the previous year to Rs. 92,384 in the year under review, which sum is equal to an excess of 45 per cent. The net earnings consequently fell. Another reason for the decrease in the net earnings is that the development of traffic was not so great as had been anticipated.

317. The increase in the gross earnings was due to the Dabhoi-Baroda section of the line, which had been opened for traffic on 1st July 1880, having worked throughout the whole year 1881. The receipts from coaching traffic constituted the bulk of the revenue, and this was due to the greater facilities afforded to pilgrims for visiting Chandode.

318. The large increase in expenses was mainly under the heads of Maintenance and Traffic. The maintenance charges absorbed about 24 per cent. of the gross receipts, and are accounted for by the additional length of the line maintained during the year at cost of Revenue, and by the rebuilding of certain culverts, &c. The increase in the traffic expenses arose principally from the large outlay on wagon covers, ropes, &c.

319. The large decrease under the head of Sundry earnings was due to the completion of the Dabhoi-Baroda section, during the construction of which a large amount was realized from contractors on account of engines and wagons lent to them.

320. The following statement shows the number of passengers carried during 1881 and the eight preceding years:—

Class.	Totals for 1873.	Totals for 1874.	Totals for 1875.	Totals for 1876.	Totals for 1877.	Totals for 1878.	Totals for 1879.	Totals for 1880.	Totals for 1881.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.

322. The following is a statement of goods traffic:—

	Totals for 1873.	Totals for 1874.	Totals for 1875.	Totals for 1876.	Totals for 1877.	Totals for 1878.	Totals for 1879.	Totals for 1880.	Totals for 1881.
Tons	3,747	9,719	12,815	13,502	19,110	17,329	23,054	29,169	35,750
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Earnings therefrom ...	8,602	16,852	17,339	19,414	27,130	24,473	31,131	47,449	53,935

323. The working expenses amounted to about 65 per cent. of the gross receipts in 1881, against about 49½ in 1880.

324. The working expenses for 1881 and the preceding eight years are given in the following table:—

	Totals for 1873.	Totals for 1874.	Totals for 1875.	Totals for 1876.	Totals for 1877.	Totals for 1878.	Totals for 1879.	Totals for 1880.	Totals for 1881.
	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Maintenance	394	4,633	6,030	6,435	6,897	7,738	9,013	15,632	33,842
Locomotive	5,561	8,476	8,526	8,640	11,505	7,388	15,708	24,730	28,750
Carriage and Wagon ...	935	2,422	2,213	3,287	3,866	1,429	1,794	3,753	2,702
Traffic	5,088	5,622	6,271	7,191	8,934	8,276	10,918	13,956	20,410

Total ...	15,493	25,074	26,965	29,971	36,285	28,022	40,475	63,687	92,364

325. The B. B. and C. I. Railway Company charged during the year for superintendence (including the services of the Resident Engineer, the Locomotive Foreman, the District Traffic Superintendent and general expenses of management and audit) a sum of Rs. 9,600, the maximum limit assigned for this purpose in accordance with the revised arrangements made with the Company in the previous year for the management of our lines.

326. The payments made to the B. B. and C. I. Railway Company for the working contract in the year under retrospect and the three preceding years are noted below :—

	Rs.	a.	p.
1878	3,130	8	0
1879	4,498	14	0
1880	7,078	12	0
1881	9,600	0	0

327. The following table shows the details of rolling stock :—

	Description.	Total stock authorized.	Total stock on the list at the end of 1881.	Actual stock in running order on 31st December 1881.	Remarks.
	Engines	6	6	5	One engine was undergoing repairs on the last day of the year.
Coaching Vehicles.	State saloons	2	2	2	
	Upper class	3	3	3

19	Hire of Locomotives ...	.....	.....	.....	.....	.....	.....	
	Total Rs. ...	85,436	52,459*	85,436	52,459*	2,55,884	17,526	* Exclusive of Rs. 1,465 charged for carriage of revenue stores.

329. The total interest* on the capital outlay up to the end of the year under review on our State-lines amounted to Rs. 2,22,025; the total net revenue earned was Rs. 1,97,995, thus leaving a net deficit of Rs. 24,030 to be made good.

330. Appendix **Ai** will show the principal commodities carried on the State Railways during the year.

* At 4½ and 4 per cent.

331. During the year some correspondence took place regarding the proposed line from Anand to Piploe on the 2′ 6″ gauge, resulting in the issue of orders for the survey of the line, the cost of the survey being shared in mileage proportions between the British Government and the Baroda State, pending decision as to final ownership of the line.

332. The construction of a telegraph line from Meagaum to Dabhoi was decided upon.

Education.

333. The following is a comparative statement of the total expenditure of the Educational Department during the year under report and the two preceding years:—

	Expenditure in Local Currency.			Remarks.
	1879-80	1880-81	1881-82	
	Rs.	Rs.	Rs.	
Baroda High School and College...	33,114	36,069	41,385	
Anglo-Indian Institution	3,744	4,033	3,937	
Anglo-Vernacular Schools... ...	4,165	4,581	5,195	
Grant-in-aid to the Nowsari Zartosti Madressa	2,600	2,600	2,600	
Grant-in-aid to the Gandevi School.	400	600	780	
Grant-in-aid to the Dadabhai Cowasji Tata Anglo-Vernacular School at Nowsari	.....	.....	75*	* This grant-in-aid was only for the last three months of the year.
Vernacular Schools...	81,293	96,805	1,06,818	
Vernacular College of Science ...	12,279	11,821	10,334	
Educational Buildings	76,559	2,77,898	1,71,491†	† This item has also been included in the Public Works Department expenditure.
Total ..	2,14,154	4,34,347	3,42,615	

334. Excluding the expenditure under the head of educational buildings, the total expenditure for the year comes to Rs. 1,71,124 as against 1,56,449 for the last year and 1,37,595 for 1879-80. The details of the expenditure under the head of educational buildings will be found in the sequel.

Baroda College and High School.

335. Mr. T. S. Tait, M.A., B.Sc., continues in charge of this Institution as Principal, and Mr. H. Littledale, B.A., as Vice-Principal.

336. The Baroda College was recognized by the University of Bombay in the Faculty of Arts for the purpose of the previous Examination on the 1st of October 1881.

337. The staff of the College and High School at the end of the year consisted of—

1 Principal.
1 Vice-Principal.
18 Assistant Teachers.
1 Gymnastic Master.
1 Writing Master.
1 Laboratory Assistant.

23 in all.

338. Of the eighteen Assistant Masters, one is M. A., five are B. As., one is F. E. A., and eleven are Matriculated students, all of the University of Bombay.

339. Two Assistant Masters were added to the permanent staff during the year.

340. Some temporary Assistant Masters were also appointed owing to increase in the number of boys.

341. The following statement shows the number of students on the rolls for the month of July 1882 and for the corresponding months in the six preceding years:—

	1876	1877	1878	1879	1880	1881	1882	Remarks.
College	...	...	...	...	...	...	28	
Upper School	56	85	102	100	105	143	180	
Lower School	172	241	225	273	270	284	416	
Total ...	228	326	327	373	375	427	624	

342. Thus the increase during the year under review has been the greatest that has occurred since the establishment of the Institution on its new basis in 1876.

343. The expenses and fee collections of the College and High School during the year compare as follows with the figures of 1879-80 and 1880-81:—

	1879-80	1880-81	1881-82
	Rs.	Rs.	Rs.
Expenses	33,114	36,009	41,385
Fee collections ...	1,321	1,519	2,760

344. Deducting the amount of fees from the total of ordinary expenses, the annual average cost of educating each pupil was Rs. 90-11-3. In the year before, the average cost was Rs. 109-8-10, while in the year 1879-80 it was Rs. 126-12-6.

345. The average cost has thus been steadily decreasing notwithstanding the extra expense entailed by the establishment of a college-class. The decrease is due to the increase in the number of students and better attendance.

346. The Matriculation examination of the University of Bombay was held in November 1881. Ten students from the Baroda High School succeeded in passing the examination against six in the previous year and ten in the year before.

347. All these ten students joined the college-class, and to five of them, who fulfilled the prescribed conditions, scholarships, each worth Rs. 5 per mensem, were awarded.

348. There were four students during the year holding Sircar scholarships of Rs. 20 per mensem each, and prosecuting their studies at other Colleges affiliated to the University of Bombay.

349. The annual prize distribution took place on the 10th of August 1882, that is, 10 days after the completion of the official year, before a large assemblage in the Maharaja's School. The prizes were presented by His Highness the Maharaja.

350. The following statement shows the number of students in the school and college, the nationalities of the students, the number studying different languages, the average daily attendance and the monthly rate of school-fee:—

Name of Institution.	Number of students of each denomination.					Average daily attendance.	Number studying each language.					Monthly rate of fee.
	Hindus.	Mahomedans.	Parsis.	Others.	Total.		English.	Marathi.	Gujarathi.	Sanscrit.	Persian.	
1	2	3	4	5	6	7	8	9	10	11	12	13
Baroda College and High School.	School 540 College 27 } 567	School 21.	School 34 College 1 } 35	School 1.	School 596 College 28 } 624	399·75, i. e. 400	624	278	312	School 144 College 24 } 168	School 71 College 4 } 75	College 2 8-0 Upper School 0-8-0 Lower do. 0-4-0

351. The number of books in the school library is shown in the following table:—

1877	274
1878	335
1879	431
1880	517
1881	596
1882	692

352. The prize fund remained the same as in the last year. Two special prizes for handwriting, of the value of Rs. 57-8-0, were established during the year.

353. During the year under report, the following State scholarships were awarded to students:—

5	College scholarships of Rs. 5 per mensem	Rs. 25
5	Upper School scholarships of Rs. 5 per mensem...	„ 25
25	District School scholarships of Rs. 3 per mensem .	„ 75
	Gymnasium scholarships bestowed on poor students to enable them to buy nourishing food ...	„ 10
	Total monthly value of scholarships Rs.	135

Anglo-Indian Institution.

354. This school was established in 1876 for the education of European and Eurasian boys and girls whose parents are in the service of the State.

355. Mr. Williams and Mrs. Williams were Master and Mistress of the school during the year.

356. The number of pupils and the amount of fees collected for the month of July 1882 and the corresponding months of the six preceding years are shown in the following table:—

1876.		1877.		1878.		1879.		1880.		1881.		1882.	
No. of Children.	Fees.	No. of Children.	Fees.	No. of Children.	Fees.	No. of Children.	Fees.	No. of Children.	Fees.	No. of Children.	Fees.	No. of Children.	Fees.
30	30	30	30	21	19	21	19	21	19	21	18	19	16

357. Of the 19 children attending the school at the end of the year, 12 were boys and 7 girls. 8 of these were Protestants and 11 Roman Catholics.

358. The total expenditure in the year amounted to Rs. 3,937, and the fee collections to Rs. 233.

359. The annual average cost of educating each pupil was Rs. 185-3-0, which amount is excessive. As regards this, Mr. Tait observes as follows:—

"This amount is very high, but as I have stated in previous reports there is no help for it. Mr. and Mrs. Williams would be glad to teach more children, but they cannot persuade more to attend.

"The school has now existed for six years, and it may well be asked by His Highness' Government whether it is fulfilling the object for which it was established, namely, to provide a good English education, chiefly, for children of European and Eurasian officers of His Highness the Gaekwar's service. Of these children, there are at the time of writing this report only six in attendance, the others having been sent away to various schools in Bombay, Poona and other places. We have, therefore, to contemplate the fact that the class for which this school was established does not approve of it. This being the case, I shall not be surprised if before the end of the next official year, I shall have to record the abolition of this school."

360. The question as to whether this school should be maintained or otherwise, has since been considered and disposed of.

Anglo-Vernacular Schools.

361. There were Anglo-Vernacular Schools at the following towns during the year under report:—

1. Petlad.
2. Sojitra.
3. Dabhoi.
4. Kari.
5. Pattan.
6. Sidhpur.
7. Amreli.

362. The following table gives the necessary information about the number of students in the Anglo-Vernacular Schools, their castes, their average attendance, &c.:—

Names of places where schools have been opened.	When opened.	Number of pupils at the end of the year.					Average daily attendance.	Rate of school-fee.	Fee collections.	Monthly cost of establishment.	Annual cost including all charges.	Annual cost of educating each pupil.
		Hindus.	Mahomedans.	Parsis.	Others.	Total.						
								Rs.	Rs.	Rs.	Rs.	Rs. a. p.
Petlad	6-1-78	55	2	...	...	57	41	Annas 4, Babashai ...	142	71	874	17 13 6
Sojitra...	1-10-78	47	...	...	...	47	37	Do. ...	127	61	730	16 4 9
Dabhoi...	14-10-78	31	...	...	...	31	26	Do. ...	100	60	705	23 7 6
Kadi	1-2-79	39	...	...	...	39	24	Annas 4 British ...	125	72	798	27 6 0
Pattan...	1-7-79	33	...	...	...	33	24	Do. ...	106	67	780	27 15 9
Sidhpur	1-2-81	33	...	...	...	33	20	Do. ...	96	42	504	20 10 0
Amreli...	1-2-79	37	1	...	...	38	30	Annas 2 Do. ...	59	67	804	24 5 6
Total ...	.....	275	3	...	...	278	202	.....	755	440	5,195	21 14 3

363. The total number of students who attended the Anglo-Vernacular schools was 17 more than that of the preceding year. The numbers attending the Petlad, Sojitra, Kari and Sidhpur schools have slightly increased, while there has been a slight decrease in those attending the schools at Pattan, Dabhoi and Amreli.

364. With the exception of one, all the teachers engaged in these schools are Matriculated students.

365. The annual average cost of educating each student was the same as that for the two previous years, namely, Rs. 22.

366. All these schools are under the direction of Mr. T. S. Tait, M.A., B.Sc.

367. The Anglo-Vernacular schools sent 42 students during the year to the High School at Baroda, a number which compares most favourably with the 27 sent last year and the 7 sent the year before.

Sir Cowasji Jehangir Nowsari Zartosti Madresa.

368. This school continues to receive a grant-in-aid of British Rs. 2,600 per annum from the State. It was inspected by Mr. Tait on the 13th March 1882.

369. The staff of this school was strengthened during the year, and stood at the end of the year as shown below:—

2 B. As.
2 F. E. As.
1 Matriculated Student.
2 Teachers without University rank, and
1 Gymnastic Teacher.

370. The following table gives the necessary details about the number of students, average attendance, rate of fee and the annual cost of educating each pupil:—

Name of Institution.	When established.	Number of pupils at the end of the official year.					Average daily attendance.	Monthly rate of school-fee.	Annual cost.	Cost of educating each pupil.
		Hindus.	Mahomedans.	Parsis.	Others.	Total.				
								As.		Rs. a. p.
Sir Cowasji Jehangir Nowsari Zartosti Madresa.	10th October 1856.	11	...	56	...	67	54	8	British Rupees 5,636	96 8 3 British.

371. At the Matriculation examination of the University of Bombay, held in November 1881, one student from this school passed as against three in the previous year.

372. The school has got a good collection of scientific apparatus, a fair library, and a good gymnasium.

373. An endowment of Rs. 1,000 was made to the school during the year by Mr. Burjorji Rustomji Garda of Nowsari. The sum has been placed at the disposal of the trustees of the Madresa in order to found a scholarship to be awarded to the student who passes the best examination either in religious and moral subjects, or in Persian.

374. There are three other scholarships in connexion with the school, one worth Rs. 6 per mensem, and the other two Rs. 4 per mensem each, founded by Messrs. Framji Nasarwanji Patel and Kavasji Nasarwanji Kanga.

Ghandevi English School.

375. The former grant-in-aid to this school was Rs. 50 per mensem. It was increased during the year under review on certain conditions to Rs. 70 per mensem. The main condition was that the trustees of the school should raise a new fund yielding interest equivalent to the additional grant, namely, Rs. 240 per annum.

376. The school is under the supervision of Mr. Tait, who visited and examined the classes in March 1882.

377. The staff was increased during the year by the addition of two masters. Thus the staff consists of 4 teachers, 3 of whom are Matriculated students of the University of Bombay.

378. The following table gives the necessary details about the number of pupils, their sects, average attendance, rate of fee and the cost of educating each pupil:—

Name of Institution.	When established.	Number of students on the rolls at the end of the official year.					Average daily attendance.	Monthly rate of fee.	Annual cost.	Cost of educating each pupil.
		Hindus.	Mahomedans.	Parsis.	Others.	Total.				
Ghandevi English School.	1st December 1879.	18	...	51	...	69	51	Re. 1 As. 8 As. 4	1,453	Rs. 27

The Dadabhai Cowasji Tata Anglo-Vernacular School at Nowsari.

379. A grant-in-aid of Rs. 300 per annum was granted to this school during the year.

Vernacular Schools.

380. Mr. Bhogilal Pranvallabhdass continues to be Director of Vernacular Instruction.

381. The number of the Vernacular schools, and that of the boys and girls attending them at the close of the year, were as follow:—

Class of Schools.	Number of schools,		Number of boys and girls.	
	1880-81.	1881-82.	1880-81.	1881-82.
1	2	3	4	5
Government...	162	181	16,334	19,211
Aided indigenous	18	23	1,131	1,492
Total ...	180	204	17,465	20,703

382. The number of both Government and aided schools and that of scholars shows a satisfactory increase. The increase is mainly to be attributed to the opening of new schools.

383. Of the Government schools, 13 were girls' schools, and their aggregate average attendance was 946, which was more by 392 than the figure for the preceding year, namely, 554. The average daily attendance was 532 against 325 of the last year.

384. The schools may be variously classified as follows:—

1st—According to Grade.

No.	Grade.	1880-81.		1881-82.	
		Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Superior	32	7,213	35	7,882
2	Middling	80	7,302	104	9,911
3	Inferior	68	2,950	65	2,910
	Total ...	180	17,465	204	20,703

2nd—According to the Languages taught.

No.	Languages.	1880-81.		1881-82.	
		Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Guzarati	147	15,379	164	18,194
2	Marathi	15	1,217	18	1,346
3	Sanskrit	11	231	11	269
4	Urdu	7	638	11	894
	Total... ...	180	17,465	204	20,703

3rd—According to the Districts in which they were situated.

No.	District.		1880-81.		1881-82.	
			Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Kari		52	5,151	64	6,221
2	Baroda Division.	Baroda City ...	20	2,145	24	2,440
		„ District.	54	6,058	58	7,243
3	Nowsari		23	1,874	26	2,478
4	Amreli Division.	Amreli ...	19	1,464	19	1,518
		Okhamandal ...	12	773	13	803
	Total... ...		180	17,465	204	20,703

385. The 24 schools of the Baroda City were as shown below:—

No.	Schools.	1880-81.		1881-82.	
		No. of schools.	No. of scholars.	No. of schools.	No. of scholars.
1	Sanskrit	9	191	9	235
2	Marathi	4	698	6	802
3	Guzarati	4	978	5	1,083
4	Urdu...	1	132	1	135
5	Girls' Schools	2	146	3	185
	Total ...	20	2,145	24	2,440

386. The average number of scholars throughout the year was 19,579 against 16,142 in the preceding year.

387. The following table shows the numbers and percentages of pupils belonging to each community :—

Number.	Sections of the community.	1880-81.		1881-82.	
		Number.	Percentage.	Number.	Percentage.
1	Brahmans	4,109	25·5	4,742	24·3
2	Banias	3,348	20·7	3,909	19·9
3	Kanbis	2,982	18·5	3,604	18·4
4	Mahomedans	1,456	9·	2,018	10·3
5	Other Castes and Creeds	4,247	26·3	5,306	27·1
	Total... ...	16,142	100·	19,579	100·

388. The total expenditure on Vernacular education during the year under retrospect amounted to Rs. 1,06,818.

389. The following statement compares the figures of 1881-82 with those of 1880-81 :—

No.	Heads of Expenditure.	1880-81.		1881-82.	
		Amount of Grant.	Amount expended.	Amount of Grant.	Amount expended.
		Rs.	Rs.	Rs.	Rs.
1	Direction	10,893	11,058	11,388	10,588
2	Inspection	6,528	6,309	7,650	6,970
3	Special Examiners	.....	.....	240	240
4	Sanskrit Supervision	1,238	1,162	1,248	1,248
5	Do. Library	.....	.....	439	408
6	Instruction	79,234	69,964	89,317	81,912
7	Contingencies	10,695	7,821	6,605	4,389
8	Grants-in aid	1,075	465	1,200	555
9	Assignment for the purchase of Vernacular books published by way of encouraging literature ...	1,000	26	1,000	508
	Total... ...	1,10,663	96,805	1,19,087	1,06,818

390. Thus the expenses of the year under retrospect exceeded those of the preceding year by Rs. 10,013.

391. Rs. 2,640 were sanctioned for prizes in the Budget, out of which Rs. 2,630 were spent as against Rs. 2,131 in the preceding year. Besides this, prizes and sweetmeats of the value of Rs. 2,639 were distributed to some of the schools by private visitors.

392. The fee collections this year amounted to Rs. 14,388 as against Rs. 11,959 of the last year. The particulars of the collections are as follow:—

No.	District.	1880-81. Amount.	1881-82. Amount.
		Rs.	Rs.
1	Baroda City...	1,122	1,438
2	Baroda Division	4,519	5,604
3	Nowsari do	1,511	1,704
4	Kari do.	3,716	4,398
5	Amreli do.	616	769
6	Okhamandal	475	475
	Total	11,959	14,388

393. The total expenses may be summed up as follows:—

No.	Item.	1880-81. Expenditure.	1881-82. Expenditure.
		Rs.	Rs.
1	Instruction, Direction, &c.	96,805	1,06,818
2	School-houses	56,182	16,207
	Total ...	1,52,987	1,23,025
	Deduct amount of fees	11,959	14,388
	Net Total ...	1,41,028	1,08,637

394. *Book Depôt.*—The sum placed at the disposal of the Director of the Vernacular Instruction as a permanent advance for the purchase of books to be kept in stock was increased to Rs. 7,000 this year, and a regular establishment was sanctioned in connexion with the depôt.

395. The following is a comparison of the stock in hand on the last day of the year under report with that on the last day of the preceding year:—

	No. of Books in the Depôt.	Price.
		Rs.
On 31st July 1882...	54,011	11,881
Do. do. 1881...	28,688	6,266

396. The following table shows the number and value of books sold during the year and in the two preceding years:—

Year.	Number of Books sold.	Value of Books sold.	Remarks.
		Rs. a. p.	
1879-80	26,307	5,825 11 1	
1880-81	33,796	8,219 2 11	
1881-82	44,498	10,433 12 1	

Vernacular College of Science.

397. This Institution, which was opened in August 1876, was abolished on 22nd April 1882.

School Buildings.

398. The following statement shows the details of the expenses incurred under this head in the year under report:—

Names of Works.	Previous Expenditure.	Expenditure during the year under report.	Total Expenditure.
	Rs.	Rs.	Rs.
New College, Baroda	2,95,941	1,53,881	4,49,822
School-house at Sidhpur... ...	19,232	5,963	25,195

Total ...	3,52,123	1,71,491	5,23,614

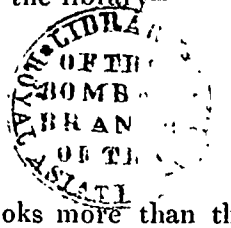
Baroda State Library.

399. There was no change in the constitution and management of this useful institution during the year.

400. His Highness' Government granted a fresh donation of Rs. five hundred for the purchase of books.

401. On the 31st of July 1882 there were in the library—

1,308	English books.
504	Guzerathi books.
486	Marathi books.
141	Sanskrit books.
52	Hindustani books.



2,491 in all; that is, 427 books more than the number on the last day of the preceding year.

402. In addition to the papers and periodicals subscribed for by the Library, the State continued to send to it for the benefit of the subscribers several newspapers, journals, &c., ordered on Sarkar account.

403. The new building for the State Library has lately been completed. It is not an unworthy monument of the late Major Mant's skill.

PRINTING PRESS.

404. The total expenditure incurred during the year 1881-82 was Rs. 21,300 against Rs. 22,547 in 1880-81. The particulars of this expenditure are given below:—

	1881-82.	1880-81.
Establishment.....	Rs. 6,452	Rs. 5,443
Contingencies.....	,, 1,437	,, 1,796
Printing paper	,, 11,930	,, 9,123
Machinery, types and other items	,, 1,481	,, 6,185
Total	Rs. 21,300	Rs. 22,547

405. There has thus been a decrease in expenditure of Rs. 1,247 in favor of the year under report, mainly in the item of purchase of machinery.

406. In 1880-81, the work done in the Press was valued at Rs. 22,648-7-0. The accounts for the year under report have not been made up, but the work done was much more than in the year which preceded it. It may roughly be valued at Rs. 30,000.

407. The work of printing was mostly in the vernacular, and was of a miscellaneous character, having been indented for by officers of all the Departments of the State.

Medical Department.

408. Dr. Bhalchandra Krishna Bhatawadekar, L.M., is in charge of this department.

409. The total strength of the department on the 31st of July 1882 consisted of 10 officers, 46 hospital assistants of all grades, 34 medical pupils, 1 midwife and 1 veterinary surgeon, against 9, 37, 26, 1 and 1, respectively, in the previous year.

410. The following statement will show the strength and cost of the Medical establishment as it stood at the close of the year under review:—

Division.		Establishment.	Cost in the month of July 1882, pay and contingencies.			Calculated yearly cost.		
			Rs.	a.	p.	Rs.	a.	p.
Baroda Division.	(a) Baroda City.	Head office	1,144	6	3	13,732	11	0
		Jumnabai Civil Hospital	870	5	9	10,444	5	0

		Total	620	14	10	7,451	2	0

Division.	Establishment.	Cost in the month of July 1882, pay and contingencies.	Calculated yearly cost.
		Rs. a. p.	Rs. a. p.
Kari Division.	Kari Civil Hospital	314 12 6	3,777 6 0
	Patan do. do.	241 1 6	2,893 2 0
	Visnagar Dispensary	89 7 0	1,073 4 0
	Vadnagar do.	76 3 9	914 13 0
	Sidhpur do.	98 2 9	1,178 1 0
	Dehegaum do.	88 15 6	1,067 10 0
	Mehesana do.	84 8 6	1,014 6 0
	Vijapoor do.	79 14 0	958 8 0
	Bechraji do.	63 1 0	756 12 0
	Decsa do.	59 0 3	708 3 0
	Sadra do.	65 2 2	781 10 0
	Total	1,260 4 11	15,123 11 0
Amreli Division.	Amreli Civil Hospital	261 10 11	3,140 3 0
	Dwarka do. do.	305 14 3	3,670 11 0
	Dwarka Military Hospital	93 3 0	1,118 4 0
	Dhari Battalion do.	93 0 9	1,116 9 0
	Dhari Branch Dispensary	49 2 2	589 10 0
	Kodinar do.	71 1 8	853 4 0
	Damnagar do.	61 0 0	732 0 0
	Beyt do.	81 8 2	978 2 0
	Manickwara do.	100 12 6	1,209 6 0
	Total	1,117 5 5	13,408 1 0
	Grand Total	8,016 11 8	96,200 12 0

411. The above amount of Rs. 96,200-12-0 was exclusive of the cost of medicines, instruments, furniture, buildings and pensions.

412. The total actual cost during the year, as compared with the previous year, may be summarized as follows :—

	1880-81. Mixed currency.	1881-82. Mixed currency.
	Rs. a. p.	Rs. a. p.
Establishment	78,544 10 1	84,300 2 4
Medicines and instruments	26,145 10 7	25,367 11 2
Contingencies	14,576 1 2	23,259 2 1
Buildings and repairs	55,637 0 0	1,41,416 0 0
Total	1,74,903 5 10	2,74,342 15 7

413. Excluding the expenditure under the head of Medical buildings, the total expenditure during the year comes to Rs. 1,32,927, which is more by Rs. 13,661 than that in the preceding year.

414. The increase was chiefly due to (1) the promotions given to several Medical officers, (2) the opening of new dispensaries, and (3) some disbursements on account of the previous year, &c.

415. During the year the following additional institutions were opened, namely:—

(1) A second class dispensary at Karjan.
(2) Do. do. at Saoli.
(3) Do. do. at Beyt.
(4) A third class dispensary at Dhari.
(5) A grant-in-aid dispensary at Billimora.
(6) A temporary dispensary in the Baroda City.

416. Some temporary medical agencies were also employed during the existence of cholera which prevailed with severity in the Baroda City and in some districts.

417. The buildings for the Jumnabai Hospital and Mehesana Dispensary, which were under construction in the previous year, were completed and received charge of by the Medical Department.

418. Buildings for the dispensaries at Sinore, Visnagar, Gandevi, Vadnagar, Bechraji and Karjan were under construction.

419. During the year buildings for the Kathore, Songarh and Vyara dispensaries were sanctioned.

420. The value of Medical stores at the beginning of the year, together with that of purchases during the year, aggregated about Rs. 41,338. Issues in the year were of the value of about Rs. 26,254; the balance of stores left in hand at the end of the year was of the value of Rs. 14,850; and the wastage amounted to Rs. 234.

421. The total expenditure on account of the establishment attached to the stores and contingencies amounted to Rs. 2,448, as against Rs. 1,763 in the previous year.

422. During the year arrangements were made with the Government of Bombay for two of the passed students of the Vernacular College of Science attending the Bombay Medical Depôt, with a view to their receiving scientific and practical training in the work of the Depôt. After they have completed one year's course in Bombay it is intended to attach them to the State Medical Stores at Baroda.

423. The results of the work of the various Medical Agencies are shown below:—

Institutions.	1880-81.			1881-82.			Increase.	Decrease.

Total ...	1,704	23,079	25,383	1,698	27,220	28,918	4,650	1,115
Grand Total ...	6,724	1,43,892	1,50,616	6,643	15,383	160,476	22,428	12,568

424. The following statement shows the results of the year, as compared with those of the previous year in regard to the number of patients treated in all the institutions:—

Year.	In-door Patients.	Out-door Patients.	Total.
1880-81	6,724	1,43,892	1,50,616
1881-82	6,643	1,53,833	1,60,476
	Decrease.	Increase.	Net Increase.
Difference	81	9,941	9,860

425. The falling off in the number of in-door patients is insignificant, and therefore needs no remark.

426. The increase in the out-door patients is mainly due to the opening of new dispensaries and to some of the dispensaries which were opened in the latter part of the previous year being effective throughout the year under retrospect.

427. Of the total number treated 1,43,357 were cured, 14,367 absented, 360 died, and 2,392 were under treatment at the close of the year, against 1,33,948, 14,092, 466 and 2,110 respectively, in the previous year. The ratio of death was 2·2 per mille against 3·0 in the previous year to the total number treated. The higher death-rate of the previous year is attributable to the prevalence of cholera.

428. The daily average attendance was 233·51 of the in-door, and 2,489·3 of the out-door patients, against 112·29 and 1,994·3, respectively, in the previous year.

429. Of the total number treated, 1,44,708 were from the civil population, as against 133,612 in the previous year. The increase is partly attributable to the opening of new dispensaries, and also testifies to the growing popularity of the Medical agencies at work.

430. The number of patients treated may be variously classified as follows:—

1st—According to Caste.

No.	Caste.	1880-81.	1881-82.
1.	Hindus	1,17,611	1,28,403
2.	Mahomedans	23,758	24,482
3.	Parsis	8,387	6,779
4.	Christians	129	170
5.	Other castes and creeds.	731	642
	Total	150,616	160,476

2nd—According to Sex.

	1880-81	1881-82
Males	88,202	91,799
Females	27,587	28,247
Children	34,827	40,430
Total	150,616	160,476

431. The surgical operations performed at the several Medical institutions were:—

Year.	Major.	Minor.	Total.
1880-81	118	6,829	6,947
1881-82	91	7,031	7,122
Difference	Decrease. 27	Increase. 202	Net Increase. 175

432. The average cost of treating each patient, both in-door and out-door, was—

	Rs.	a.	p.
In the year under report.....	0	12	9
In the previous year	0	12	8

433. The erection of a new General Hospital at Baroda has been delayed, owing to the plans prepared having been found to involve too large an expenditure considering the nature and requirements of the intended building.

434. The Vaccination establishment remained the same as in the previous year.

435. The work done by the Vaccination establishment is shown in the following table, as compared with that of the two preceding years:—

Year.	No. of vaccinators employed.	Total No. of persons vaccinated and re-vaccinated.	No. of persons successfully vaccinated.	Average No. vaccinated by each vaccinator.	Percentage of successful vaccinations to total vaccinated.	Average No. vaccinated per 1,000 of population.
1879-80	31	52,274	50,082	1,686	97·7	26·1
1880-81	31	61,170	59,071	1,973	96·5	28·0
1881-82	31	66,934	64,777	2,159	96·7	30·6

436. The sexes vaccinated were as follows:—

Year.	Males.	Females.	Percentage of females to males.
1879-80	27,565	24,709	89·6
1880-81	32,111	29,059	90·4
1881-82	35,042	31,892	91·0

437. The castes or creeds of the persons primarily vaccinated were as follows:—

Year.	Hindus.	Musalmans.	Parsis	Christians.	Others.	Total primary vaccinations.
1879-80 ...	45,912	3,380	70	9	2,671	52,042
1880-81 ...	52,922	4,285	70	9	3,682	60,968
1881-82 ...	58,020	4,648	88	6	3,987	66,749

438. The subjoined table gives the average number of persons vaccinated by each vaccinator in each of the four Divisions:—

Names of Divisions.	No. of vaccinators employed.		No. of persons vaccinated and re-vaccinated.		Average No. of persons vaccinated by each vaccinator.		Increase	Decrease.
	Years.		Years.		Years.			
	1881-82	1880	1881-82	1880-81	1881-82	1880-81		
Baroda Division...	11	11	18,821	17,820	1,711·0	1,620·0	91·0	...
Kari do. ...	10	10	31,312	27,062	3,131·2	2,706·2	425·0	...
Nowsari do. ...	6	6	10,320	9,630	1,720·0	1,605·0	115·0	...
Amreli do. ...	4	4	6,481	6,658	1,620·2	1,664·5	...	44·3
Total ...	31	31	66,934	61,170	2,159·1	1,973·2	631·0	44·3

439. The ages of the persons primarily vaccinated are shown in the following table, as compared with those of the preceding year:—

Year.	Total number of primary vaccinations.	Ages.			Ratio per cent.		
		Under 1 year.	Between 1 and 6 years.	Above 6 years.	Under 1 year.	Between 1 and 6 years.	Above 6 years.
1880-81	60,968	46,896	13,662	410	76·9	22·4	0·7
1881-82	66,749	55,168	11,194	387	82·7	16·8	0·5

440. The increase in the total number of vaccinated is due to the better work done by the Inspectors and Vaccinators; besides, the general health of the people was good.

441. The total cost of the Vaccination establishment was as follows:—

Year.	Number of persons vaccinated and revaccinated.	Total cost in Babashai currency.	Total successful operations.	Average cost per successful operation.
		Rs.		Rs. a. p.
1880-81	61,170	13,485	59,071	0 3 7
1881-82	66,934	13,553	64,777	0 3 4
Difference ... Increase ...	5,764	68	5,706	.....
Difference ... Decrease ...	.....	.....	.....	0 0 3

442. The work done by the Midwife is shown in the following table:—

Year.	Total No. of obstetric cases.	No. of cases of tedious labor.	No. of cases of natural labor.	Issues.	
				Living.	Dead.
1880-81	82	52	30	46	36
1881-82	69	54	15	54	15

443. The operations of the Veterinary Hospital are summarized below:—

Year.	Total No. of sick horses treated.	Number cured.	Withdrawn.	Number died.	No. remaining under treatment at the close of the year.	Percentage of cured to treated.	Percentage of deaths to treated.
1880-81	1,374	1,279	1	42	52	93·0	3·0
1881-82	1,360	1,250	...	34	76	91·9	2·72

444. The chemical analyses, performed by the Chemical Analyser, were as follows:—

Names of items examined chemically.	1881-82.
Human viscera	97
Articles of clothing with stains on	65
Weapons, sticks, &c. with stains on	57
Samples of different articles of human food	14
Do. of water	4
Do. of silver	1
Do. of roots, seeds, &c.	5
Do. of stones and crystals	7
Bones	8
Miscellaneous substances, such as powders, pills, &c.	52
Total ...	310

445. On the last day of the year there were 348 works of reference available to the employés in the department. The same Medical journals and periodicals, as in the last year, continued to be supplied.

446. In the Appendix will be found the usual statistical details.

PALACE.

447. The amount drawn from the Treasury on account of the Palace expenditure and that of the Karkhanas directly under it was Rs. 18,83,969, apportioned as shown below:—

Household—		Rs.
Ordinary expenses	7,61,906	8,91,897
Extraordinary expenses	1,29,991	
Karkhanas		5,59,852
Gardens		33,119
Dharmadaya		3,10,029
Devasthan		62,430
Sowari		26,642
Total.....		18,83,969

SEASON AND RAINFALL.

448. The season on the whole was rather unfavorable to agriculture. The monsoon fall of rain, though an average one, was inopportune.

449. In the Baroda and Kari Divisions the early fall was excessive and somewhat injurious to the kharif crops, which chiefly consist of food grains and fodder. The rabi crops on the other hand suffered from an insufficiency of rain.

450. The season was also unfavorable to rape and other oil-seeds, the produce of which was consequently much below the average.

451. The cotton and sugar-cane crops in the Amreli Division, however, were uncommonly good.

452. The following statement compares the rain-fall at the Head-Quarter towns of the several Divisions with that of the previous year:—

Divisions.	Years.		Normal Average.
	1880-81.	1881-82.	
	Inches.	Inches.	Inches.
Nowsari Division	48⅜	47¼	48
Baroda „	39⅓	42	32
Kari „	27⅜	41⅜	32
Amreli „	20	22½	25
Okhamandal Taluka	10¼	33⅝	7·92

453. The average prices of food grains for the two years are given below. The rise in the Baroda and Kari Divisions is accounted for by the unfavorable character of the season. In the other Divisions there was but a slight fluctuation in the prices.

	1880-81.	1881-82.
	Seers per British Re.	Seers per British Re.
Baroda Division.		
Wheat	28 4/7	24 5/6
Bajri	42	30 3/8
Jowar	49 2/7	37
Rice (common)	26 4/7	24 1/2
Kodra	80 4/7	60 3/5
Kari Division.		
Wheat	38 1/2	31
Bajri	55 1/3	35 1/8
Jowar	68 1/2	41 1/4
Rice (common)	22 1/2	19 3/4
Kodra	85 5/8	61 1/3
Nowsari Division.		
Wheat	30 1/3	30 1/2
Bajri	36 5/8	37 1/2
Jowar	48 1/3	44 5/8
Rice (common)	27 2/3	30 3/4
Kodra	87 1/2	88 1/4
Amreli Division.		
Wheat	29 1/2	27 1/2
Bajri	34 3/4	34 2/3
Jowar	44 5/8	45 1/8
Rice (common)	17 7/8	20

454. It may be noted that in consequence of the unfavourable character of the season, large remissions had to be made in the Baroda Division, and the collection of certain instalments had to be postponed as a measure of relief to the cultivators.

455. In the City of Baroda the following prices ruled during the year as compared with those in the previous year:—

	Average price in lbs. per Baroda Re.	
	1880-81.	1881-82.
Bajri	$35\frac{3}{4}$	$27\frac{14}{16}$
Jowar	$38\frac{9}{16}$	30
Rice (common)	$20\frac{1}{16}$	$21\frac{6}{16}$
Tur Dal	$32\frac{9}{16}$	$22\frac{14}{16}$
Wheat	$19\frac{5}{8}$	$19\frac{7}{16}$
Gram	$31\frac{1}{2}$	$30\frac{9}{16}$

Public Health.

456. Public health was on the whole good throughout the year.

457. There was no serious epidemic among cattle.

Land Revenue.

458. Appendix Am. is a statement showing the gross land revenue, the remissions and the net amount for collection for the year as compared with the figures for 1880-81.

459. Appendix Am. gives the actual collection and the outstanding balances for the two years.

460. The following is an abstract statement of Appendix Am.:—

	Land Revenue proper.	Miscellaneous Land Revenue	Total.	Remissions.	Amount for collection or net demand.
	Baroda Rs.	Baroda Rs.	Baroda Rs.	Baroda Rs.	Baroda Rs.
1880-81	85,79,653	11,41,915	97,21,568	11,663	97,09,905
1881-82	85,57,275	12,89,340	98,46,615	25,096	98,21,519
More	.....	1,47,425	1,25,047	13,433	1,11,614
Less	22,378	.....	.....	.....	.....

461. The increase in the miscellaneous land revenue is partly due to improvement in the receipts from grass lands, fruit trees, &c., and partly to certain large items of arrears brought to account during the year.

462. The excess in the remissions was chiefly in the Baroda Division, where the early crops suffered from a too heavy fall of rain.

463. The following is an abstract statement of Appendix An.:—

	Government demand.	Realizations.	Outstanding Balances.
	Baroda Rs.	Baroda Rs.	Baroda Rs.
1880-81	97,09,905	92,45,467	4,64,438
1881-82	98,21,519	92,79,379	5,42,140
Increase	1,11,614	33,912	77,702
Decrease	.....	.....	.....

464. The excess in the outstanding balances was due to the suspension of certain revenue instalments in the Baroda Division, owing to the inability of the ryots to pay the same at the appointed time on account of the failure of crops.

Former years' balances.

465. The following statement shows the outstanding balances of former years, the collections and the remissions made during the year, and the balances which still remain unadjusted:—

On what account.	Baroda Division.	Kari Division.	Nowsari Division.	Amreli Division.	Total.	Remarks.
	Baroda Rs.	Baroda Rs.	Baroda Rs.	Baroda Rs.	Baroda Rs.	
Balances standing unadjusted at the end of 1880-81 ...	26,58,535	21,03,892	18,27,749	2,75,058	69,55,234	
Deductions from the above amount written off ...	64,145	32,036	3,81,736	96,283	5,74,230	
Amount collected	1,54,461	1,17,076	63,578	51,747	3,86,862	
Total ...	2,18,606	1,49,142	4,45,314	1,48,030	9,61,092	
Outstanding	24,39,929	20,44,750	13,82,435	1,27,028	59,94,142	

466. The work of inquiring into these balances has been going on, and special measures have lately been adopted to expedite it.

Revenue Survey.

467. The two measuring parties at work in the Amreli Division continued their work, as stated in the last Report, during the year under review.

468. By the end of the last year the parties had surveyed the Mahals (Talukas) of Korinar, Damnagar, and all but two villages of the important Mahal of Amreli. There thus remained the two villages of Amreli and the Mahals of Dhari and Okhamandal for the Survey establishment to operate on.

469. The work done during the season under report, as compared with that done during the preceding season, was as under:—

	1880-81.	1881-82.
Number of villages in which survey was finished	67	101
Number of villages partly surveyed ...	13	29
Total area in bighas	282,589	468,941
Survey numbers, including sub-numbers.....	17,435	14,287
Cost of the survey	25,123	36,792
Cost of the survey per bigha	Ans. 1½	Ans. 1¼

470. These figures show a satisfactory progress. The fields the parties had to measure were larger in size than those in the Korinar Mahal, which was surveyed last season. There were also more alienated villages in the tract surveyed this season than in the Mahals surveyed before. These causes account for the difference between the last and the previous year's work, both as to the area measured and the cost of measurement.

Customs.

471. The revenue under this head is now collected departmentally, except at two or three unimportant towns, in which the town duties are farmed out.

472. The following statement shows the amounts of demand, collections and outstandings on account of Customs for the year under report as compared with the figures of the preceding year:—

Item.	1880-81	1881-82	Increase.	Decrease.
Baroda Division.	Baroda Rs.	Rs.	Rs.	Rs.
Government demand	4,39,437	4,37,782	.....	1,655
Realizations	4,38,532	4,37,340	.....	1,192
Outstanding balances	905	442	.....	463
Kari Division.				
Government demand.	4,76,535	4,05,381	.....	71,154
Realizations	4,75,222	4,05,378	.....	69,844
Outstanding balances	1,313	3	.....	1,310
Nowsari Division.				
Government demand	81,138	88,437	7,299	.....
Realizations	81,011	88,382	7,371	.....
Outstanding balances	127	55	.....	72
Amreli Division.				
Government demand	75,067	85,083	10,016	.....
Realizations	73,642	84,695	11,053	.....
Outstanding balances	1,425	388	.....	1,037
Total.				Net.
Government demand	10,72,177	10,16,683	.....	55,494
Realizations.	10,68,407	10,15,795	.....	52,612
Outstanding balances	3,770	888	.....	2,882

473. There was a decrease of Rs. 55,494 in Customs revenue during the current year, as compared with the past year.

474. The principal items of decrease occur in the Kari Division, in which there was a considerable falling off in the rape-seed trade, owing to the season having been unfavorable to the cultivation of that seed.

475. The increase in the Amreli Division was due to various causes.

Opium.

476. The area under cultivation and the out-turn of the poppy juice in the year as compared with those of the previous year were:—

		1880-81.	1881-82.
Area in acres		22,180	17,579
Yield, juice	lbs.	340,672	2,62,510
Average yield per acre ...	,,	$15\frac{7}{20}$	$15\frac{3}{32}$

477. The decrease of 4,600 acres in the cultivation was mainly due to the season having been unfavourable for the production of opium.

478. About 17 acres were cultivated without license against 30 in the preceding year. Eleven persons were found guilty and punished under the Opium law for unauthorized cultivation, and two were discharged.

479. The quantity of juice confiscated was about two pounds as against three in the previous year.

480. The financial results of the production of 1881-82 will be given in the next year's report.

481. There was on hand at the end of the previous year lbs. 341,186 of juice, including the produce of that year, and the balance of the preceding year. Of this, juice weighing lbs. 332,136 was caked, and the balance, lbs. 9,050, remained in stock. The opium thus manufactured amounted to lbs. 283,667.

482. Of the above quantity lbs. 81,730 were sent to Bombay and there sold, leaving a balance on hand of lbs. 201,937.

483. The financial results of the sale in Bombay were as follows:—

	British Rs.
Cost of lbs. 81,730, inclusive of the price of the juice, manufacturing expenses, establishment charges, including those of Regimental and Police guards, interest, &c.	3,85,532
British Pass Fees	4,15,800
Transit expenses	4,418
Commission, &c.	6,405
Total.....Rs.	8,12,155
Deduct—	
Amount realized.....Rs.	8,11,568
Loss.....Rs.	587

484. The above loss is trifling, but the price of opium has since fallen considerably, and the Baroda Government has sustained a serious loss from subsequent sales. Add to this the loss of the fee which the State used to realize on opium exported from its territories. The amount of this fee averaged at Rs. 2,64,000 per annum.

485. With regard to the retail sale monopoly, the following figures show the operations under this head:—

Balance of opium from the previous year	...lbs.	98,894
Confiscated	,,	109
Total	...lbs.	99,003
Deduct—		
Issued to license-holders	...lbs.	35,445
Dryage	,,	1,104
Total	...lbs.	36,549
Balance on hand on 31st July 1882	,,	62,454

486. The quantity of opium actually sold by retailers was as follows:—

Division.	Opium sold by vendors in lbs.		Population as per last Census.	Consumption per head of population in Tolas.	
	1880-81.	1881-82.		1880-81.	1881-82.
Nowsari	1,610	1,724	287,549	·26	·23
Baroda	11,112	17,658	756,807	·59	·93
Kari	4,573	8,181	988,487	·21	·33
Amreli	3,236	7,478	147,468	·80	2·02
Total ...	20,531	35,041	2,180,311	·41*	·64

487. There is a notable advance in the retail sale, chiefly due to the change of system in issuing licenses. According to the new system licenses are issued to individual retailers, whereas in previous years they were sold by auction per Mahal or Taluka, and fetched a large sum in the shape of fees, an arrangement which raised the retail sale price of opium so much that Baroda subjects resorted to opium shops in the neighbouring territories, where the drug was sold at lower prices.

* The percentages for 1880-81 were calculated on an estimated population of 2,000,225.

488. The financial results of the retail sale monopoly were as follow:—

	British Rupees.
Cost of lbs. 35,445	1,83,269
Cost of opium lost by dryage	5,420
Establishments	2,570
Contingencies	2,741
Total	1,94,000

The realizations were—

	British Rupees.
Price of 35,445 lbs. of opium issued to license-vendors	4,60,790
License fees	36,808
Miscellaneous	497
Total	4,98,095

489. The foregoing figures show a net profit of Rs. 3,04,095 as against Rs. 2,08,849 of the previous year.

490. The following details relate to offences against the opium law:—

	1880-81.	1881-82.
Number of prosecutions	50	52
Cases disposed of	51	44
Cases remaining for disposal at the end of the year, including two from the previous year	2	10
Cases in which the accused were convicted	40	32
Number of persons convicted	53	43
Opium and poppy juice seized ...lbs.	205½	672

STAMPS.

491. The total receipts under this head amounted to Rs. 2,38,279 against Rs. 2,26,553 of the last year, giving an increase of Rs. 11,726. The increase was principally in the sale of Court-fee stamps.

492. The expenditure of the Stamp Department amounted to Rs. 15,216 against Rs. 14,874 of the past year, showing the slight increase of Rs. 342. The ratio of the expenditure to the income, however, was about 6⅓ per cent. this year, against 6½ per cent. of the last year.

493. The refunds on account of unused stamps amounted to Rs. 2,179, which sum is included in the expenditure above given.

FORESTS.

494. The operations of the Forest Department are still limited to the Nowsari Division, and are confined to the protection and improvement of existing forests only.

495. In consequence of the inadequacy of the permanent establishment to meet the requirements of the working season, it had to be temporarily strengthened as under:—

Persons.....	38
Pay .....Rs.	1,443

496. The total revenue derived from forests compares as follows:—

1880-81	Rs.	69,568
1881-82	,,	65,234
Decrease.....	Rs.	4,334

497. The revenue shown above consisted of the following items:—

Timber.....	Rs.	49,368
Bamboos	,,	8,765
Firewood	,,	5,712
Minor produce and miscellaneous	,,	1,389
Total.....	Rs.	65,234

498. The decrease of Rs. 4,334 was mainly in the receipts from firewood.

499. The total expenditure during the current year, as compared with that of the past, was as follows:—

1880-81.....	Rs.	28,293
1881-82.....	,,	31,485
Increase	Rs.	3,192

500. The increase in the expenditure was partly due to the extra establishment above referred to, and partly to adjustment of accounts.

501. Deducting expenditure from receipts, the net revenue was Rs. 33,749 against Rs. 41,275 of the preceding year.

502. Grants of forest produce to the estimated value of Rs. 37,119 against Rs. 33,000 of the previous year, were made to 3,851 inhabitants, of what may be called forest tracts, against 3,795 of last year. The increase was mainly on account of grants made to forest

people in the Mahuwa Mahal, who had not this indulgence in the year previous, when the operations of the Forest Department were extended to the forest tract of that Mahal.

503. There were 42 forest offences against 70 of the last year.

MINT.

504. Previous reports have shown in how great a measure the operations of the Mint depend on the market value of the Bábáshai or Baroda rupee in relation to the British Indian currency. The Mint can only be worked when the rate of exchange is favourable to the Baroda currency.

505. The value of the Baroda rupee during the year under report was at an average of Baroda Rs. 116½ to 100 British rupees. This rate enabled merchants to tender bullion, and the work of the Mint was, therefore, continued. The out-turn of work done was as under:—

Total quantity of silver melted in tolas ...	15,89,619
Total coin struck in rupees	17,54,062
Net profit (after deducting establishment charges), rupees.	25,558

506. The bullion tendered consisted of bar silver, Turkish coins, Mexican and other dollars, Austrian florins and Hali (Hydrabad) and Broach rupees.

507. The following statement shows the market value of the Baroda rupee in the City of Baroda on the 1st of each month of the year under review, and the two years immediately preceding it:—

MONTHS.	Babashai Rupees for 100 British Rupees.		
	1879-80.	1880-81.	1881-82.
August	121 2 0	117 11 0	115 7 0
September	119 3 0	116 4 0	115 13 0
October	119 12 0	116 15 0	116 4 0
November	120 9 0	116 6 0	116 3 0
December	120 5 0	115 10 0	116 12 0
January	117 11 0	114 14 0	116 11 0
February	117 1 0	113 11 0	116 12 0
March	117 5 0	113 14 0	116 8 0
April	117 0 0	113 7 6	116 4 0
May	116 4 0	113 12 0	117 3 6
June	116 1 0	116 2 0	116 10 0
July	117 12 0	115 3 0	116 14 0
Average.....	118 5 5	115 5 1	116 7 1

TAXES ABOLISHED.

508. The following petty imposts were abolished during the year under report:—

509. *Udhad Vera* levied in the village of Nani Bhadol in the Jarod Taluka, Baroda Division, on the Patidars of the village.

510. *Kasumbá Izárá*, or monopoly of dyeing turbans in Kasumba or safflower, in the town of Mehesana.

511. *Manyara Izárá*, or monopoly of making chudás or bangles for native females, in the town of Mehesana.

512. *Gali Izárá*, or monopoly of dyeing in indigo, in the towns of Mehesana, Vijapur and Sidhpur.

513. Three petty imposts in kind levied in the Tilakwada Mahal in the Baroda Division.

514. The yield to the State of the imposts abolished averaged at Rs. 316 per annum.

FINANCIAL.

515. The following statement shows the receipts and disbursements of the State for the year as compared with those of the preceding year:—

No.	DESCRIPTION OF ITEMS.	Amount in Baroda Rupees for 1880-81.	Amount in Baroda Rupees for 1881-82.	Decrease.	Increase.
	RECEIPTS.	Rs.	Rs.	Rs.	Rs.
1	Land revenue	97,42,082	96,54,957	87,125	.....

10	Assamdars, Nemnookdars, pensions, and miscellaneous allowances ...	8,24,083	11,72,726	3,48,643	.....
11	Public Works...	16,31,498	13,47,056	.....	2,84,442
12	Education	1,94,519	1,96,728	2,209	.....
13	Medical Department	1,33,804	1,42,678	8,874	.....
14	Municipalities	2,68,046	3,39,296	71,250	.....
15	Religious and charitable allowances.	8,75,852	7,23,241	.....	1,52,611
16	Miscellaneous	3,31,786	8,62,594	5,30,808	.....
17	Extraodinary charges	44,790	2,45,752	2,00,962	.....
	Total Disbursements.....	1,30,57,372	1,41,53,340	17,61,704	6,65,736

516. The above statement, like those of the preceding years, gives the income and expenditure under each head, inclusive of items which stand in the accounts as "deposits" and "advances," but which, on adjustment, are eventually creditable and debitable to the heads. I may add that such of the "deposits" and "advances" as, so far as can be ascertained, are not eventually to be credited and debited to Government, are eliminated from the figures.

517. It may be further noted that the figures contained in the statement will not agree with those given in other parts of the report. The amounts shown in those parts represent either the receipts which accrued, or expenditure which was incurred, during the year, irrespective of the sums actually paid into or drawn from the treasuries.

518. The following brief remarks are offered regarding the principal causes of increase and decrease on both sides of the statement, as compared with the previous year's transactions.

519. The decrease under the head of *Land Revenue* was mainly in the collections on account of the past year's outstandings.

520. The *tribute* payable by Kattyawar and other Chiefs and Zemindars is a fixed sum; but its realizations are, as explained in previous reports, liable to fluctuate. The increase during the year was chiefly in the collections from Kattyawar.

521. The receipts under *Abkari* show an increase of over 54,000 rupees, which was mainly due to the introduction of liquor tax into the greater portion of the Nowsari Division.

522. The increase in the *Miscellaneous Taxes* was due to various causes.

523. The decrease under the head *Customs* has been explained in another part of the report.

524. The main portion of the receipts under *Opium* is nominal, being the price of the State monopoly of opium sold. The item, however, includes a profit of Rs. 3,04,095 from the retail sale monopoly.

525. The increase in *Stamp* receipts calls for no remarks.

526. The increase under *Mint* was due to the rate of exchange between Baroda and British rupees having been favorable for mint operations for the greater part of the year.

527. The increase under *Education* was in school fees, owing to new schools having been opened during the year, and also to increased attendance.

528. The apparent falling off under the head of *Interest* was owing to accumulated interest on the Government of India's securities held by the State, drawn in the previous year.

529. The decrease in the *Railway Receipts* was nominal. In the year the net earnings of the first half-year only were received, whereas in the previous year, the earnings of the whole year were credited in the Central Treasury accounts.

530. That under the head *Miscellaneous* was due to causes too numerous to be mentioned here, the principal items of increase being in the Ahirputti and other usual deductions from Assamies.

Disbursements.

531. *Palace.*—The increase under this head is due to the settlement of the claims of certain Modies.

532. *Huzur Cutchery Establishments.*—The increase under this head was principally due to payments on account of the Trigonometrical Survey and the Amreli Revenue Survey.

533. *Land Revenue Department.*—The increase under this was mainly on account of the payment of arrears due to village patels.

534. *Opium.*—The increase under this head was mainly due to the larger quantity of opium manufactured during the year.

535. *Judicial Establishments.*—The increase under this head was due to departmental promotions, dead stock, &c.

536. *Police.*—The increase under this head was due to many causes, among which may be mentioned promotion of certain officers, payment for arms and accoutrements, &c.

537. *Jails.*—The increase under this head was due to various causes, among which may be noticed the high prices of provisions, purchase of materials for the factory, dead stock, contingencies and clothing.

538. *Military Department.*—The decrease under this head was on account of the payment of arrears in the previous year.

539. *Assamdars, &c.*—The increase under this head was principally due to the payment of certain old claims of the Assamdars, and also that of the arrears of the Mandvi Tora Giras, and also to the payment to the Myan of Mandwa on account of his claim for certain *hucks*.

540. *Public Works.*—The decrease under this head is attributable to the expenditure on account of the new line of Railway from Baroda to Dabhoi in the previous year, and also to the construction of liquor distilleries in the Nowsari Division.

541. *Medical.*—The increase under this head was due principally to increase of salaries and extension of medical agencies.

542. *Municipalities.*—The increase under this will be found explained in another part of the report.

543. *Religious, &c., allowances.*—The figures under this head are liable to fluctuations for reasons explained in previous reports. The decrease was due to the payment of arrears in the previous year.

544. *Miscellaneous.*—The increase under this head was due to many causes, among which may be mentioned the reward to Raja Sir T. Madava Rao, K.C.S.I., payments on account of old claims, interest to bankers, and expenditure on account of a cotton mill in course of erection at Baroda.

545. *Extraordinary Charges.*—The increase under this head was on account of expenses incurred on the occasion of His Highness' investiture.

546. The total receipts and disbursements in Baroda currency for 1880-81 and 1881-82 are shown below:—

	1880-81. Rs.	1881-82. Rs.
Receipts ...	... 1,43,82,129	1,53,84,705
Disbursements ...	... 1,30,57,372	1,41,53,340

547. The following were the closing balances in the Central and Subsidiary Treasuries, inclusive of deposits, but exclusive of the amount which stands invested in the Government of India Promissory Notes:—

	1880-81.	1881-82.
Baroda Rupees... ...	80,18,701	94,58,029

548. The amount invested in the Government of India Promissory Notes stood at the end of the year the same as at the end of the preceding year, viz., at British Rs. 1,30,22,000.

KAZI SHAHABUDIN,
Dewan.

Baroda, 29th September 1883.

Appendix A.

Note.—The number of appeal cases transferred by the Judges to other Courts shown in column 8 of Statement No. 8, Civil Justice, are not included in this Statement, as these cases are merely transferred from one Court to another. The total of 500 cases in column 2 of this Statement is obtained by deducting the 81 transferred cases shown in column 8 of Statement No 8, from the total of 518 cases shown in column 24 of that Statement.

HUZUR CUTCHERY,

Baroda, 9th September 1884.

MAY IT PLEASE YOUR HIGHNESS,—

I beg to submit herewith the following account of the administration of your Highness' State for the year ending 31st July 1883.

I beg to remain,

Your Highness'

Most obedient and faithful Servant,

KAZI SHAHABUDIN,

Dewan.

MEMORANDUM.

Relations with the British Government, &c.

There was nothing remarkable to note as regards the relations between this State and the neighbouring British and native territories. These relations continued to be satisfactory.

2. Mutual extradition of offenders and Police co-operation between this State and other territories were as satisfactory as reported before.

3. No case of mail robbery occurred during the year in these territories.

4. The Thakore of Matar having died, the British authorities concerned wished to administer his estate situated in Baroda territory on behalf of his successor, who is a minor, without the intervention of the authorities here. His Highness' Government represented that the estate should be managed by its officers, and the net proceeds, after deducting the expenses of management, be made over, through the Agent to the Governor-General, to the Thakore's guardian in British territory, a course which was adopted.

5. The Government of Bombay placed the estate of the Thakore of Amliara in the Mahi Kanta under attachment. It was arranged that no payments on account of the Thakore's rights in Baroda territory should be made to any other person than the attachment officer.

6. The Rana of Mandwa, having failed to supply, in compliance with the Resolution of the Bombay Government, Vartanias or watchmen to assist the Police of this State at Chandode, it was found necessary to employ eight more policemen. This arrangement will be continued, and its cost recovered from the Rana till he supplies policemen.

7. It was proposed that the criminal jurisdiction over the portion of the Bhavnagar-Gondal State Railway situated in Baroda territory, which was exercised by the Railway Magistrate, should be vested in the Assistant to the Agent to the Governor-General at Amreli. This State, while agreeing to the proposal, suggested that the Sessions powers in respect to the said line might be vested in the Agent to the Governor-General.

8. In regard to the taking of land belonging to Native States by Railway officers for quarrying and other purposes, the Government of India ruled that no such land was to be taken until the permission of the Native State or Durbar concerned should have been previously obtained.

9. Correspondence about constructing two State lines of Railway in the Kari Division was carried on without, however, any final result being reached.

10. His Highness' Government paid, during the year, its share of the cost of survey of the proposed line of Railway from Anand to Petlad.

11. A proposal was made that the Courts of this State should serve summonses issued by British Courts on witnesses residing in Baroda territory; but as the attendance of such witnesses could not be mutually enforced, the suggestion fell through.

12. The Assistant Agent to the Governor-General at Amreli submitted the question whether the Special Court at Amreli, composed of himself and the Subah of the Amreli Division, for the trial of subjects of Kattywar States surrendered to Amreli, could try persons for giving false evidence before it, and it was decided that the Court was competent to do so: provided the offender was a subject of a Kattywar State. Otherwise, he was to be tried by the State local Courts having jurisdiction.

13. A proposal was made and agreed to between His Highness' Government and the adjoining British and Political Districts, that cattle stolen from one jurisdiction and found in another should be delivered by the authorities in whose jurisdiction they might be found, to the owner, on his satifying the said authorities that he was the owner, and on his furnishing security for the production of the cattle before the Court of Inquiry, and for their restoration to the said authorities in case it was proved that they did not belong to him.

14. A question arose as to the payment of batta-money to witnesses required by one jurisdiction from another in Police investigations, and as it was found that an arrangement for the payment of batta could not be mutually carried out, His Highness' Government suggested it for mutual adoption, that either batta-money should be sent along with the requisition for the attendance of the witnesses, or their examination should be dispensed with, or that the necessary information should be obtained through the Police of the district where the witnesses resided.

15. The causeway between Nowanagar and Okhamandal, first constructed by a merchant named Visram Mowji as a work of charity, was washed away by the heavy rains of the year 1881. His Highness' Government proposed to reconstruct it jointly with Nowanagar, each State constructing the portion lying within its limits. His Highness the Jam agreed to the proposal, but stipulated that after the completion of the work, he should have the right to levy a toll on his side of the causeway. This stipulation was not acceptable. The matter, however, remained in abeyance pending the determination of the boundary between Okhamandal and Jamnagar.

16. It was proposed by the Political Agent, Kattywar, that the boundary in question should be settled by the Assistant to the Agent to the Governor-General at Okhamandal, and one of his own Assistants,

and that their decision should be final. this latter condition was objected to by His Highness' Government. The subject was further proceeded with next year.

17. In the map appended to the statistical account of the Junagarh State, prepared by Colonel Watson, President Rajasthanic Court, Kattywar, for the Bombay Gazetteer, the Baroda Purganna of Kodinar was described as being in dispute. The claim of Junagarh to this Purganna having been definitively negatived a long time ago, the description was inaccurate; and His Highness' Government represented to the Agent to the Governor-General the advisability of correcting it. The Political Agent, Kattywar, stated that as the decision against Junagarh was arrived at after complete investigation, it was not possible for that State to revive its claim, and gave an assurance that the map in question possessed no authority, and was worthless as evidence.

18. A proposal made by the Commissioner of Customs, Salt, Opium and Abkari, that the opium scales of the British Government at Ahmedabad should be removed to Sidhpur in the Kari Division of the State, was declined by His Highness' Government.

19. Permission was given by His Highness' Government for the opening of six new Post Offices in the State, and for entrusting the duties of Postmasters to the local school masters for certain remuneration from the Postal Department. This latter arrangement is, however, liable to be discontinued, should it be found to interfere with the efficiency of the schools. Other facilities were also given to the Postal Department to enable the postal service being carried out efficiently.

20. The working of the Post Offices in these territories continued satisfactory.

21. A committee was appointed by His Highness' Government to collect exhibits for the International Exhibition of Calcutta.

22. Up to the end of the year under review, 5,552 square miles of Baroda territory were topographically surveyed at the cost of the Baroda State.

His Highness the Maharaja's Tour in the Kari Division.

23. An important event of the year was the tour of His Highness through the Kari Division in the cold season, undertaken with the object of becoming practically acquainted with the condition and requirements of the people and of acquiring, on the spot, a knowledge of the details of district administration.

24. On the 23rd of November 1882, His Highness left in a special train for Ahmedabad under the usual military honors from the British and State troops at Baroda. He was accompanied by Her Highness the Maharani Chimnabai Saheb and Princess Tarabai, and

also by Major-General J. Watson, V.C., C.B., Agent to the Governor-General, the Acting Minister Khan Bahadur Kazi Shahabudin, C. I. E., Mr. F. A. H. Elliot, C. I. E., and some of the Sirdars, Darakdars and Officers of the State.

25. On the arrival of the train at Ahmedabad, the Maharaja was received by the Collector, the Judge, the General Commanding the Division and other British Officers, and also by the leading members of the native community. There was also present a European guard of honor and a battery of artillery to render military honors to the Maharaja. From the Railway Station a procession was formed. His Highness, accompanied by the Agent to the Governor-General and his own suite, and also by the Civil and Military Officers of the station and others who had come to receive him, and escorted by British and State troops, proceeded to his residence in Hatising's Wadi.

26. On their arrival at the place of residence, the officers and gentlemen received flower garlands, &c., and took leave.

27. His Highness stayed at Ahmedabad till the 27th November. The interval was spent in receptions, ceremonial and private visits and visits to various places of interest in and around the city, including educational, industrial and public institutions.

28. Addresses were presented to His Highness by the people and the authorities of public institutions. His Highness was greatly interested in all that he saw at Ahmedabad.

29. His Highness left Ahmedabad for Kalol (the first stage in the Kari District) on the 29th November; and the military honors paid and the ceremonies observed on his arrival were repeated on this occasion.

30. His Highness arrived at Kalol the same afternoon, and from here his tour in the division commenced. From Kalol, the Agent to the Governor-General returned to Baroda, the Acting Minister having, by His Highness' desire, returned to the capital from Ahmedabad.

31. The tour lasted for nearly two months, during which His Highness visited all the Taluka towns and other places of interest in the division, and devoted his time to the disposal of business, the exmination of records of the local officers, the inspection of the Police force and of Government buildings, and works of public utility, and the examination of schools, &c. His Highness' scrutiny extended to village records, and he paid much attention to the details of mofussil administration in all its departments. He also visited villages and conversed freely with the people. He allowed officials as well as ryots freely to approach him, and to speak to him without reserve. His Highness received the leading members of the communities at the different places he visited, and artizans known for their skill in native arts. These latter, and all those who deserved the honor, were presented with "Poshaks." Some of the tributary Thakores also came to pay their respects to His Highness, and were received with

the consideration due to the rank of each. Some of them presented *nuzzurs* to His Highness, and all received dresses of honor. Amidst all these engagements, His Highness did not relax his studies which he was still pursuing.

32. Everywhere His Highness was received with demonstrations of respect and joy, in most of the Taluka towns the communities having raised subscriptions to give their Maharaja a fitting reception.

33. Officials were sent by His Highness the Raja of Edar and by His Excellency the Dewan of Palanpur, inviting His Highness to their capitals; but the programme of the tour and his intended visit to Calcutta left His Highness no time to make these visits, which it would have given him much pleasure to do.

34. The objects of the tour were fully gained. Its fruits belong to subsequent years.

35. His Highness returned to Baroda on the 20th January 1883.

His Highness' Visit to Calcutta.

36. Soon after his return from the tour in the Kari Division, His Highness, as previously arranged, proceeded to Calcutta on a visit to His Excellency the Most Honourable the Marquis of Ripon, Viceroy and Governor-General of India. His Highness, who was accompanied by Her Highness the Maharani Chimnabai Saheb and the Agent to the Governor-General, Major-General J. Watson, V.C., C. B., and Lieutenant H. M. Temple, B.S.C., Assistant Agent, started from Baroda in the afternoon of the 12th February 1883. The Maharaja's suit consisted of F. A. H. Elliot, Esquire, C.I.E., and some of the principal Sirdars, Darakdars and Officers of the State.

37. Halts were made at several places *en route*, where the Maharaja was received by the British authorities with the honors due to his rank. As time permitted, His Highness visited public institutions, industrial establishments and other places of interest.

38. The special train which conveyed the party arrived at the Howrah Station on the afternoon of the 19th February, and His Highness was received with a salute of 21 guns and other Military honors. There were present on the platform the Foreign Secretary to the Government of India, the Honourable C. Grant, C.S.I., and the Under Secretary, Mr. H. M. Durand, C.S.I., and one of His Excellency the Viceroy's Aides-de-Camp. His Highness, accompanied by these officers and escorted by detachments of British and Baroda troops, drove in His Excellency the Viceroy's carriage, which had been sent for His Highness to his residence in Bally Gunj.

39. On the 20th February 1883, His Excellency received His Highness in a Durbar. His Highness was, on this occasion, accompanied by the Agent to the Governor-General, His Assistant, Mr. Temple, Mr. Elliot, and some of the principal Sirdars and dignitaries of the Court. The Sirdars, &c., presented *nuzzurs* to His

Excellency, who remitted the same. After the usual ceremonies, His Highness took leave. On His Highness' arrival and departure, the usual military honors were paid by British troops.

40. His Excellency the Viceroy and Governor General of India paid a return visit to His Highness the Maharaja, who received him in a Durbar. His Excellency, who was accompanied by the Foreign Secretary and other British Officers, was received with the honors due to him. The usual ceremonials were observed on the occasion, and His Excellency left.

41. Visits were also exchanged between His Highness and His Honor the Lieutenant-Governor of Bengal.

42. On the 22nd February 1883, Lord Ripon held a Reception, to which the leading members of society, European and Native, were invited to meet His Highness the Maharaja.

43. On the 28th February 1883, His Highness paid a private visit to His Lordship.

44. His Highness took the opportunity of his visit to Calcutta to become acquainted with many persons of rank and distinction and visited noteworthy institutions and places, and was very much interested by what he saw. Altogether this visit to Calcutta was most gratifying to him.

45. On the 3rd March His Highness left Calcutta on his return journey *via* Delhi and Ahmedabad. He broke the journey at Benares, Allahabad and Agra, where he visited the historical monuments and industrial institutions for which these places are noted.

46. From Agra, the Maharaja went on a visit to His Highness the Maharaja Scindiah at Gwalior, in compliance with His Highness' invitation, and was received and entertained by his host in a manner truly magnificent. His Highness stayed four days at Gwalior, and left for Ajmere, where, on arrival, he was received by the principal British Officers and others. After seeing places of interest, His Highness resumed his journey and stopped a short while at the Pahlanpore Railway Station, where His Excellency the Nawab and the Political Superintendent were present to meet him.

47. His Highness arrived at Baroda on the night of the 23rd of March 1883.

Settlement Department.

48. As in the preceding years, the labours of the Settlement Department were, in the year 1882-83, chiefly confined to the disposal of claims to cash allowances, though not an inconsiderable amount of work was gone through relating to land and other descriptions of claims.

49. The cash allowances consist principally of 'Dewasthans,' 'Warshasans,' 'Assamis,' 'Tora Giras' and Haks of 'Watandars,' or District Hereditary Officers.

50. '*Dewasthans.*'—510 claims of the aggregate annual value of Rs. 19,119-2-9, and involving arrears to the amount of Rs. 1,02,862-3-3 were disposed of in the year under report. The annual amount and the arrears awarded were Rs. 15,288-1-0 and Rs. 70,054-2-0, respectively. Thus, claims to the annual value of Rs. 3,831-1-9, and to Rs. 32,808-1-3, of arrears were disallowed.

51. '*Warshasans.*'—406 claims of the aggregate annual value of Rs. 15,070-11-0, and involving arrears to the amount of Rs. 74,488-4-6 were disposed of. The annual amount and the arrears awarded were Rs. 11,408-8-0, and Rs. 54,738-4-9, respectively. Claims to the annual value of Rs. 3,662-3-0 and to Rs. 19,749-15-9 of arrears were disallowed. Of the annual amount awarded as above stated, Rs. 2,960-8-0 have been declared continuable for life only. This amount, therefore, will lapse to the State in course of time.

52. '*Assamis*' *and* '*Nemnooks*' *in the* '*Fadnishi.*'—58 claims of the annual value of Rs. 9,977-10-11 were disposed of. Claims to Rs. 2,084-13-11 per annum have been allowed, and those to Rs. 7,892-13-0 per annum disallowed. Out of Rs. 77,152-2-6 claimed as arrears, Rs. 11,080-5-0 were awarded, and the remaining Rs. 66,071-13-6 disallowed.

53. '*Watandars.*'—Including claims to arrears, there were 26 claims disposed of under this head. Rs. 49,738-0-6 * per annum, and land bighas 1,696-19-18 have been continued, and arrears to the amount of Rs. 1,49,781-14-1 have been paid.

54. '*Kothalisantha.*'—22 claims of the aggregate annual value of Rs. 153, and involving arrears to the amount of Rs. 1,949 were disposed of. The annual amount and the arrears awarded were Rs. 124 and Rs. 1,461-6-0, respectively.

55. *Claims on the* '*Sayar Jama.*'—17 claims of the annual value of Rs. 423 were disposed of under this head. Claims to Rs. 184 have been allowed, and those to Rs. 239 have been disallowed. Out of Rs. 2,417½ claimed as arrears, Rs. 776 were awarded, and the remaining Rs. 1,641½ disallowed.

56. *Land.*—11 claims to kumbhas 45-61-11 and bighas 1,873-4-16½ were disposed of during the year. Kumbhas 26-79-11, and bighas 587-18-14½ have been continued to the claimants, and the remaining made Khalsa. The long pending claim to the estate of 'Yeshwantpura Bargam' was disposed of during the year, and the estate was restored to the claimant. Claims to the villages of Sardia, Dharnoj, Gambhira, Anjosar and Pidappa, were inquired into and disposed of in favour of the claimants.

57. *Giras and Wanta.*—372 claims to Giras rights, including those to succession, of the aggregate annual value of Rs. 11,745-14-5, and land, kumbhas 2-90-4 and bighas 38-5-19, were disposed of. Of these, claims to Rs. 11,376-6-5 per annum, and land, kumbhas 2-90-4

* Inclusive of Rs. 5,643-0-6 on account of the villages of Dahidu and Rajthala under Amreli.

and bighas 38-5-19, were allowed, and those to Rs. 369-8-0 disallowed. Arrears to the extent of Rs. 57,361-14-8 were awarded, and Rs. 740-15-5 of arrears were disallowed.

58. In the year under report, 1,894 decisions of the Special Settlement Officer were executed. These consist of 1,400 decisions relating to cash allowances, and 494 relating to land. The annual amount involved in the 1,400 decisions relating to cash allowances is Rs. 38,829-0-6. The annual value involved in the decisions relating to land is not known; but the extent of land adjudicated upon is 47,771-6-5 bighas and 2,921-27-6½ kumbhas. A sum of Rs. 27,092-9-10 has been paid on account of arrears.

59. It will be observed that a large aggregate sum of Rs. 84,454-8-6, on account of arrears, was ordered to be paid in the year under report. One reason is that arrears on account of Tora Giras allowances had to be paid in a majority of cases from Samvat 1919, A. D. 1863.

60. Taking all the claims together, there were 1,422 claims of the aggregate value of Rs. 1,10,436-6-7, and of land, kumbhas* 47-70-15, and bighas* 3,608-10-13½ disposed of in the year under report. Of these Rs. 86,729-10-1 per annum and land, kumbhas 28-88-15 and bighas 2,323-4-11½, have been continued, and Rs. 23,706-13-6 and land, kumbhas 18-82-0 and bighas 1,285-6-2, have been discontinued. Rs. 3,41,253-14-6 have been allowed, and Rs. 1,42,846-2-8 disallowed on account of arrears.

Special Giras Settlement.

61. The work of this Office, in the year under report, was performed partly by Mr. G. B. Reid, C. S., and partly by Mr. A. C. Boevey, C. S.

62. The following list will show the work of the year under review:—

	Wanta.	Giras.	Total.
Remaining undecided on 31st July 1882	876	499	1,375
Registered during the year under report	112	50	162
Total for decision	988	549	1,537
Deduct cases decided during the year	635	382	1,017
Balance for decision on the 31st July 1883	353	167	520

63. Of the total of 1,017 cases decided during the year, 697 were disposed of by Mr. Reid, and the rest by Mr. Boevey.

64. Of the Wanta claims, 337 were rejected, and in 298 awards were made for land measuring about 10,249 Bs. 12 W. 9 W. Of the Giras claims, 196 were rejected, and in 186 awards were made for about Rs. 1,304-12-0 a year.

* Excluding the estate of Yeshwantpura Bargam and the five villages mentioned in para. 56 above.

65. During the year under report 72 applications were presented for certificates under the rules, to enable the applicants to file appeals. Of these, 19 applications were rejected, and in the remaining cases, certificates were granted.

66. These appeals mostly were on the point of principles involved in the cases. Mr. Boevey speaks in terms of high commendation of the assistance rendered to him, in the discharge of his duties, by the agent appointed by the British Government to represent the interests of the Girassias, and by the agent of His Highness' Government.

67. The cost of this special agency for the settlement of Giras cases was Rs. 24,194 for the year under report, and borne by the Baroda State.

Boundary Settlement.

68. During the year the office of Boundary Commissioner continued to be held by Colonel G. L. Warden.

69. Including the cases instituted during the year, there were 35 boundary disputes for settlement.

70. The cases stood distributed as follows:—

With Mahi Kanta	1
,, Palanpur	17
,, Rewa Kanta	16
,, Khandesh	1
Total.....	35

71. Of this number, 33 were disposed of during the year, leaving a balance of 2 cases only.

72. Of the 33 cases disposed of, 17 related to disputes between this State and Palanpur, and 16 to disputes with Rewa Kanta.

73. The aggregate area disputed in the 33 cases decided was about 2,724 bighas.

74. The modes of settlement employed were as follows:—

By trial	16
By agreement of parties	17
Total.....	33

75. The boundaries settled were demarcated in 26 cases.

76. There was one appeal preferred by Baroda against the decision of the Boundary Commissioner. It was not decided during the year under notice.

77. In the year under report 11 cases of disputed jurisdiction were decided by the Boundary Commissioner. In two cases, the decision given was in favour of Baroda, and in nine cases, against Baroda.

Two appeals were made by opposite parties against the decisions of the Boundary Commissioner. They were not decided during the year under review.

78. The salary of the Boundary Commissioner, and the pay of his establishment and contingent charges, amounted to Rs. 26,463 in the year; Baroda's share of this cost amounted to Rs. 16,810. The salary of our Agent and his establishment amounted to Rs. 18,702. Thus, the aggregate cost to Baroda of the Boundary Settlement establishment during the year was Rs. 35,512.

79. The average expense incurred by Baroda for each case decided by the Boundary Commissioner amounted to Rs. 807.

80. Taking only the contested cases, the average cost to Baroda of the disposal of each case came to Rs. 1,315.

Judicial Department.

81. The Judicial Tribunals at work during the year were as follow:—

Designation.	No of Tribunals.	No. of Judges.
Varisht or High Court	1	2
Sardár Court	1	3
District Judges' Courts, including the Courts of the City Judge, Special Judge, and Assistant Judge.	7	7
Munsiffs' Courts	16	16
Courts of the Subahs of the Divisions	4	4
Magistrates' Courts	94	94
Total...	123	126

82. The number of Tribunals last year was 127, which included an extra temporary Munsiff, who was appointed to assist the City Munsiff and three attachés with magisterial powers, who were working under the Divisional Subahs, and a special Magistrate who was appointed to assist the Baroda Máhál Second Class Magistrate. The extra Munsiff and the Special Magistrate were withdrawn; and the probationers were absorbed into the regular Revenue and magisterial service as vacancies occurred. This reduced the number of Tribunals by five, leaving it at 122; and an attaché with 3rd Class powers, placed under the Baroda Subah, made up the total of 123 Tribunals working during the year under report.

83. The cost of the whole Judicial Department for the year under report, including the usual proportions of the salaries of

Revenue Officers doing magisterial duties, comes to Rs. 4,24,238. The figure for the last year was 4,20,024, so that the difference is only Rs. 4,214.

84. The total receipts from stamps, fines, &c., amounted to Rs. 3,35,205 against Rs. 3,21,332 for the last year, and against Rs. 3,13,356 for the year before the last. Out of this total of Rs. 3,35,205, the proceeds of the civil branch amounted to Rs. 2,56,924 against Rs. 2,43,050 last year, and against Rs. 2,34,785 in the year before the last. The proceeds of the criminal branch were Rs. 78,281 against Rs. 78,619 last year, and against Rs. 78,282 in the year before the last. It thus appears that while the proceeds of the criminal branch are nearly stationary, those of the civil branch show a considerable increase year by year.

85. There were 255 Vakils and Mukhtyars practising in the different tribunals against 260 practising last year. It is in contemplation to pass rules for the admission of candidates to these offices. As usual, about one-half of the number of the practitioners find employment at the capital city.

86. The total number of cases (original and appellate) decided by the civil and criminal tribunals was 30,653 against 29,038 cases last year. Of these, the civil cases were 16,229 against 15,745 last year, and the criminal cases were 14,424 against 13,293. Increase of work done is thus observable in both the civil and criminal branches.

Civil Justice.

87. The total number of civil suits filed during the year was 13,868 against 13,165 last year, thus showing an increase of about 5 per cent. The file of the civil suits has gone on increasing since the year 1876-77, as will be apparent from the following figures:—

File for 1877-78	8,159
„ „ 1878-79	9,622
„ „ 1879-80	10,059
„ „ 1880-81	12,617
„ „ 1881-82	13,165
„ „ 1882-83	13,868

The increase since 1877-78 comes to about 70 per cent.

88. The total numbers representing the file, disposal and pending balance of original civil suits, are as under:—

Number of civil suits pending at the commencement of the year	3,476
Filed during the year	13,868
Re-admitted	323
Received by transfer or by remand	114
Total for disposal	17,781
Disposed of	13,513
Pending at the end of the year	4,268

89. Out of the total number of 13,868 original suits filed during the year, 13,006, that is 94 per cent., were filed in the Munsiffs' Courts and the remaining 862 suits, or about 6 per cent., were filed in the Judges' Courts. The ratio of suits filed in the Judges' Courts has been fluctuating between 5 and 7 per cent. for the last 5 years. The total value of the suits filed in the year was about twenty lacs, thirty-five thousand Rupees against twenty lacs, sixty-three thousand. The average value of a suit comes to about Rs. 147 against Rs. 157 last year and Rs. 199 in the year before the last. The 862 suits filed in the Courts of the Judges represent a total value of about Rupees six lacs, ninety-six thousand, whereas the 13,006 suits filed in the Courts of the Munsiffs represent a total value of about Rupees thirteen lacs, thirty-nine thousand. The total value of the suits in the Courts of the Judges last year was Rupees seven lacs, thirty-three thousand, and that of the suits in the Munsiffs' Courts was Rupees thirteen lacs, thirty-one thousand, so that the falling off in value in the year under report was in the Judges' Courts, which, however, was not considerable. In the Munsiffs' Courts the value has increased only by about eight thousand Rupees, which is counterbalanced by a proportionate increase in the number of suits filed.

90. The total number of suits disposed of was 13,513 against 12,776 last year. Of these 2,059 suits, that is about 15 per cent., were struck off the file. The ratio last year was 14 per cent. Sixty-four cases were decreed on oath against 82 last year. Out of the total number of suits disposed of, 4,727 suits, or about 35 per cent., were either withdrawn by *razinama* or compromised or decreed on admission or by reference to arbitration. The ratio last year was 37 per cent. The experience of all the years has shown that about one-third of the suits disposed of are settled amicably.

91. The number of suits decided *ex-parte* was 3,183 against 3,176 last year, and gives a ratio of about 24 per cent. to the total number of suits disposed of. The ratio last year was 25 per cent.

92. The number of contested suits disposed of was 3,389 against 2,950 last year. This gives a ratio to the total number of suits disposed of, of about 25 per cent. against 23 per cent. last year. The Judges' Courts, with the exception of that of the Amreli Judge, and the Munsiff Courts of the Baroda City, Petlad, Naosari and Okhamandal, show the largest ratio of these cases.

93. Of the 3,183 *ex-parte* decisions, 3,088, that is about 97 per cent., were for the plaintiffs, while the remaining 3 per cent. were for the defendants. The ratios in the last year were 98 per cent. for the plaintiffs and 2 per cent. for the defendants. Out of the 3,389 decisions in contested suits, 2,985, that is about 88 per cent., were for the plaintiffs against 89 per cent. last year, while the remaining 12 per cent. of the decisions were for the defendants.

94. The total number of suits disposed of this year exceeded the number decided last year by 737. As the total number of suits for disposal were more than fifteen hundred in excess of the number last

year, the balance at the end of the year exceeded that of the last year by 792 suits, notwithstanding the greater number of disposals in this year.

95. The total pecuniary value of the suits disposed of was 19⅔ lacs of Rupees against 23⅛ lacs of Rupees last year.

96. The average duration of contested suits this year was 186 days against 163 last year. For other than contested suits, the average duration was 87 days against 82 days last year. The average duration of the cases disposed of in the Courts of the Judges was 266 days for contested and 83 days for other than contested suits, against 274 and 78 days, respectively, last year. In the Munsiffs' Courts the average duration for contested suits was 179 days and for other than contested suits 88 days, against 155 and 82 days, respectively, last year. The average in the Munsiffs' Courts has increased, and care should be taken to keep it within proper limits.

97. The pending balance at the end of the year was 4,268 suits against 3,476 suits last year. The balance of pending suits of more than one year's duration has risen to 575 against 373 last year, but out of this number 441 are of less than two years' standing, those above two years being 134 against 53 last year.

98. As usual, suits relating to money form the largest bulk of the suits instituted. In the year under report there were 13,069 such suits out of the total number of 13,868. This gives a ratio of 94 per cent. against 95 per cent. last year. Out of these money suits, 7,250, that is 52 per cent., were on written obligation, against 51 per cent. last year; those on account stated were 3,922, that is about 29 per cent. against 28 per cent. last year; and those on running account were 1,205, that is about 9 per cent. against 11 per cent. last year. So that, in all, 90 per cent. of the money suits were evidenced by bonds or accounts stated or running. The ratio last year was the same. The number of suits relating to immovable property was 615, that is about 4 per cent., the same ratio as in the last year. Suits of other descriptions numbered 184, being about a little more than 1 per cent. of the total number filed.

99. The classification of suits filed according to pecuniary values shows that there were 10,677 suits under Rs. 100 each. This gives a ratio of 77 per cent. to the total number of suits filed. The percentage last year was the same. There were 3,133 suits, each above Rs. 100 and not exceeding Rs. 3,000, against 2,991 last year. This gives a ratio of 22½ per cent., nearly the same ratio as in the last year, so that 99½ per cent. of the total number of suits filed belonged to the pecuniary jurisdiction of the Munsiffs, leaving only 52 suits, each above Rs. 3,000, to the jurisdiction proper of the Judges' Courts. These 52 suits, however, represent a total pecuniary value of about five lacs, ninety-four thousand Rupees, while the remaining 13,810 suits represent a pecuniary value of about fourteen lacs, forty-one thousand Rupees. Last year the number of suits, each above Rs. 3,000, was 48, and their total pecuniary value was six and a half lacs of Rupees. The number of suits, each exceeding Rupees one

thousand and not exceeding Rupees three thousand, was 143, representing a total pecuniary value of about Rupees 2,34,000, against 162 suits of a total pecuniary value of about 2¾ lacs of Rupees. The pecuniary jurisdiction of the Munsiffs was increased from Rs. 1,000 to Rs. 3,000 in the year before the last, and in that year 176 of such suits were filed with the total pecuniary value of Rs. 3,00,000. It thus appears that the increased facilities afforded by allowing such suits to be filed in the Munsiffs' Courts, instead of in the Judges' Courts situated at a distance, have not yet resulted in an increase of such suits.

100. The City Judge's Court comes first as regards the total pecuniary value of suits filed, it having filed suits of the value of Rs. 4,18,000 against Rs. 1,84,000 last year. The City Munsiff Court comes next in this respect, the total pecuniary value of the suits filed in it being about Rs. 2,54,000 against Rs. 3,21,000 last year. The Sardár Court, which was first last year, comes third, having filed suits of the value of Rs. 51,349 against Rs. 3,73,000 last year. The above three Courts, belonging to the Baroda City, give a total pecuniary value of 7¼ lacs of Rupees against 8¾ lacs of Rupees last year, that is about 36 per cent. of the aggregate pecuniary value of the suits filed in the whole State. The ratio last year was about 43 per cent. The Baroda District comes, as usual, next to the Baroda City in this respect. Next to it comes the Kari District. The Nowsari Districts follow the Kari District, and the Amreli District, as usual, comes last.

101. As regards the number of suits filed, the Baroda District, as usual, comes first, having filed 4,883 suits against 4,741 last year. The Kari Division comes next, having filed 4,456 suits against 3,679 last year. The Baroda City stands third, having filed 1,770 suits against 1,908 suits last year. The Nowsari District, coming next, filed 1,424 suits against 1,492 last year. The Amreli District, which comes last, filed 1,335 suits against 1,345 last year. There has thus been an increase of file in the Baroda and Kari Districts, (notably in the latter), and a decrease in the Baroda City and in the Nowsari and Amreli Districts.

102. Looking to individual Courts, the City Munsiff's Court filed the largest number of suits, viz., 1,644 against 1,798 last year. The Petlad Munsiff Court filed 1,584 suits against 1,702 last year. The Pattan Munsiff Court filed 1,502 suits against 1,104 last year. The Kari, Visnagar and Dabhoi Munsiff Courts, each filed suits above twelve hundred.

103. The details of the number, nature and values of the suits disposed of during the year will be found in the tabular statements, Civil, Nos. 3 and 5—*vide* Appendices.

104. Proceeding to the consideration of the execution of decrees, it appears that at the beginning of the year there were 1,953 Darkhásts or applications pending disposal against 1,796 last year. These Darkhásts referred to 1,905 decrees, the unrealized value of which was about Rs. 23,45,000. Last year the corresponding figures were 1,725 decrees and about 23,15,000 Rs. The total number of Darkhásts filed during the year was 9,989 against 9,468 last year, and they

referred to 9,022 decrees against 8,465 decrees last year. The unrealized value of the said 9,022 decrees was about Rs. 15,23,000 against about Rs. 14,53,000 last year. Including the Darkhásts received by transfer, there were in all 11,953 Darkhásts for disposal referring to 10,938 decrees, the total unrealized value of which was Rs. 38,76,289. Last year the corresponding figures were 11,273 Darkhásts, 10,199 decrees and 37,72,119 Rs. unrealized value. The total number of Darkhásts disposed of was 9,889, that is about 83 per cent., the same as last year, of those for disposal. These disposed of Darkhásts referred to 8,927 decrees against 8,288 decrees and 9,320 Darkhásts last year. The total amount realized was about Rs. 4,11,000 against about Rs. 5,17,700 realized last year. This gives 11 per cent. as the ratio of the actual relief obtained by the decree-holders to the unrealized value of the decrees sought to be executed. The ratio last year was 14 per cent., while in the year previous it was 12 per cent. The realizations in the Judges' Courts were about 6 per cent. against 7 per cent. last year; and in the Munsiff Courts the realizations were about 19 per cent. against 27 per cent. last year. The average duration of Darkhásts disposed of was 92 days against 96 days last year.

105. The number of Darkhásts pending disposal at the end of the year was 2,081, and they referred to 2,011 decrees, the unrealized value of which stood at about Rs. 24,02,000. The corresponding figures for the last year were 1,953 Darkhásts referring to 1,905 decrees, the unrealized value of which stood at about Rs. 23,46,000. Of the pending Darkhásts at the end of the year, 1,725 were under one year against 1,651 last year. Those above one year and under three years were 300 against 257 last year; and those above three years were 56 against 45 last year. The greater portion of these 56 Darkhásts is in the Courts situated in the capital city, and the delay is to a certain extent unavoidable.

106. The City Munsiff Court comes first as regards the number of Darkhasts disposed of, and also as regards the amount of value realized. It disposed of 1,509 Darkhásts, the value satisfaction of the decrees obtained thereby being Rs.49,797 against 1,662 Darkhásts and Rs. 58,339 last year. The Petlad Munsiff Court comes next, having disposed of 1,433 Darkhasts against 1,704 last year, and the amount realized was Rs. 48,425 against Rs. 56,773 last year. In the Judges' Courts the highest amount realized was Rs. 41,427, which was in the Baroda District Court.

107. Looking to the details of execution, it appears that out of the 9,881 Darkhásts disposed of finally, 3,091, or about 31 per cent., were struck off the file; 2,900, that is 29 per cent., were disposed of under *rázinámá* and 2,269, that is about 23 per cent., were disposed of as the decree-holders applied for stay of execution. The ratios last year were 30 per cent. for Darkhásts struck off the file, the same percentages for Darkhásts disposed of under *rázinámá*, and under application for stay of execution. Coercive process in the shape of imprisonment was resorted to in the case of only 98 Darkhásts, which gives a ratio of about 1 per cent. against 1⅓ per cent. last year, and the coercive process in the shape of auction sale of immovable and

movable property was resorted to in the case of 378 Darkhásts, which gives a ratio of 4 per cent. against 5 per cent. last year. The sales of immovable property realized about Rs. 34,000 against Rs. 38,000 last year, and the sales of movable property realized about Rs. 10,000 against Rs. 15,200 last year. The auction sales of immovable property seem to have realized about 76 per cent. and of movable property about 88 per cent. of the estimated values of those properties, the ratios last year being, respectively, 79 and 82 per cent.

108. Turning to the Appellate work of the various Courts, it appears that the total number of appeals filed during the year was 762 against 754 last year. Of these 629 were regular and 133 special appeals. The corresponding figures last year were 603 regular appeals and 151 special appeals. The number of appeals is nearly the same as last year's, though the number of original suits is greater.

109. The total number of appeals for disposal, including those that were pending, re-admitted, and transferred, was 1,105 against 1,236 last year.

110. As regards disposal, the total number of appeals disposed of by the various appellate tribunals was 663 against 923 last year.

111. The Varisht Court decided 207 appeals against 405 last year. The number for the current year looks small; but owing to a comparatively small number of appeals filed during the year, and owing to the fact that at the end of the last year, the balance of pending appeals was also small, the number decided was the largest available for final decision, the balance of pending appeals at the end of the current year being 121 against 128 last year. Among the Judges' Courts, the greatest number of civil appeals was decided by the Baroda District Judge's Court, being 218 against 137 last year. Out of this number, the District Judge himself disposed of 114 appeals, the Special Judge 47, and the Assistant Judge 57. The Kari District Judge's Court decided 92 appeals against 154 last year. Out of this number the Judge disposed of 30 appeals, and the Assistant Judge 62. In the City Judge's Court the number of appeals decided was 74 against 156 last year. Out of this number, 67 appeals were disposed of by the Judge himself, and 7 by the Special Judge. The Nowsari District Judge decided 57 appeals against 55 last year, and the Amreli District Judge decided 15 appeals against 16 last year. As all the Appellate Courts have original civil work or criminal work, or both, in addition to the appellate civil work, it will be advantageous to view together the aggregate number of cases decided by each of these Courts.

Designation of Courts.	Number of Cases decided during the Year.									Result of the previous year 1881-82.

* This Court worked for six months.

† These are the murder and other referred cases.

‡ This number includes the cases decided on revision by the Varisht Court.

112. The Amreli District Judge and the Baroda Special Judge decided cases even within the pecuniary jurisdiction of the Munsiffs.

113. The total value of the appeals filed during the year was about Rs. 5,87,000 against about Rs. 4,75,000 last year.

114. The number of appeals pending at the end of the year was 442 against 313 last year, and against 422 in the year before the last. The Baroda District Court decided 218 appeals, but the pending balance is still large, being 140. The pending balance in the City Judge's Court has increased from 24 to 78, and in the Kari District Court from 32 to 84. These Courts should take care to reduce the balances in the next year. Out of the 442 pending appeals, 399 are of less than one year's duration, against 270 last year; 36 against 28 last year are of more than one year's and less than two years' duration; and 6 against 15 last year are of more than two years' and less than five years' duration. In all there are 43 pending appeals above one year's duration, being the same number as in the last year. Out of this number, 16 are pending in the Varisht Court, and 27 in the Judges' Courts, against 28 and 15, respectively, in the last year.

115. The average duration of decided appeals was 223 days for contested appeals against 206 days last year, and 156 days for other appeals against 176 days last year.

116. There were 556 appeals from the decisions of the Munsiffs, who decided 12,533 original suits during the year, which gives a ratio of about 4½ per cent. between appeals filed and the original suits decided by the Munsiffs during the year. The ratio last year was 4 per cent. The total number of appeals decided by the Judges was 451. Of these in 322 appeals, that is in about 71 per cent., the decision of the Munsiffs were confirmed or only modified, the decisions in about 29 per cent. being reversed. The ratios last year were 70 and 30 per cent. respectively. The average duration of contested appeals decided by the Judges was 211 days against 128 days last year. For other appeals, the average duration was 127 days against 119 days last year. In the case of the Munsiff Courts of the Baroda City, Sinor, Kari, Visnagar, Dehgam and Kathore, the reversals have been higher than the average of 29 per cent. The Petlad and Pattan Munsiff Courts show the best results in this respect, as the reversals of their decisions have been only 14 and 18 per cent. respectively, although there were a good many appeals from their decisions.

117. The proportions of regular appeals preferred to the Varisht Court from the original decisions of the Judges to the total of original suits decided by them, comes to about 7 per cent. against 10 per cent. last year. As to disposal, about 80 per cent. of the decisions appealed from were confirmed or modified, against 73 per cent. last year; and the reversals were 20 per cent. against 27 per cent. last year. The average duration of regular appeals disposed of by the Varisht Court was 244 days for contested and 260 days for other appeals, against 274 and 313 days respectively last year.

118. The proportion of special appeals filed in the Varisht Court to the number of regular appeals decided in the Judges' Courts comes to about 29 per cent. against 30 per cent. last year.

119. As regards disposal, the decrees of the Lower Appellate Courts were confirmed or only modified in about 79 per cent. of the special appeals decided, the reversals being about 21 per cent. The ratios last year were 77 and 23 per cent. respectively. The average duration of decided special appeals was 252 days for contested and 335 days for other appeals. The figures for the last year were 341 and 337 days respectively.

120. The following statement presents in one view the civil work done by the various tribunals :—

Designation of Courts.	Original suits decided.	Miscellaneous cases.	Appeals from decrees decided.	Miscellaneous appeals decided.	Applications for execution of decrees disposed of.	Total.	Remarks.
Varisht or High Court.....	5	.....	207	96	.....	308*	*Besides this the Varisht Court disposed of 732 petitions presented to it for interference with the action of the lower Courts. Eight miscellaneous appeals were also rejected summarily after perusal, as they showed no *prima facie* good grounds for interference.
Judges' Courts, including the Special and Assistant Judges.	916	194	456	245	625	2,436	
Munsiff Courts	12,597	1,513	.....	.....	8,302	22,412	
Total.....	13,518	1,707	663	341	8,927	25,156	
Result for the previous year 1881-82.	12,781	1,690	923	351	9,320	25,065	

121. The working of the Special Court for Sardárs has been smooth, and there has not been this year much remission of Court fees. The Court has, however, comparatively little work, as it files on an average about 100 civil suits in a year, and a few miscellaneous and criminal cases. Although this is a Court of only original, civil and criminal jurisdiction, its income generally falls short of its expenses.

Criminal Justice.

122. The year under report commenced with the pending balance of 276 offence cases against 188 last year. The number of new cases filed during the year was 7,574 against 6,862 last year, and the number of committed, referred or transferred cases was 343 against 390 last year, so that the total number of cases for disposal for the year was 8,193 against 7,440 last year. The file this year shows an increase of about seven hundred cases over the file of the last year. The total number of cases disposed of was 7,870 against 7,164 last year, thus leaving at the end of the year 323 cases as the pending balance for the whole Raj.

123. The 276 pending cases at the end of the last year involved 626 persons as accused; the 7,574 cases filed during the year involved 16,088 persons as accused against 13,753 last year; and the 343 cases received by committal, reference, or otherwise, referred to 835 persons as accused, so that the total number of persons as accused in the 8,193 cases for disposal was 17,549 against 14,961 last year. The 7,870 cases disposed of referred to 16,702 persons, so that the 323 cases pending at the end of the year involved 847 persons as accused.

124. The following presents a summary of the criminal work done by the Varisht Court :—

Description of Cases.	Pending.	Filed.	Total.	Disposed of.	Pending.	Remarks.
1	2	3	4	5	6	7
Referred cases	4	15	19	17	2	Besides this work, the Varisht Court disposed of 463 Miscellaneous petitions presented to it, praying for interference with the action of the lower Courts. It also disposed of 81 appeals, against 58 last year, summarily, as there appeared no *primâ facie* grounds for admitting the appeals.
Regular appeals	3	36	39	28	11	
Special appeals	1	18	19	17	2	
Appeals against acquittals	7	80	87	77	10	
Appeals for enhancement of sentence	1	9	10	8	2	
Revision cases	2	307	309	302	7	
Miscellaneous appeals	11	77	88	75	13	
Total	29	542	571	524	47	
Result for the last year 1881-82.	38	543	581	552	29	

125. The average duration of referred cases disposed of by the Varisht Court was 42 days against 60 days last year; that of the regular appeals disposed of was 25 days against 28 last year; and that of the special appeals disposed of was 28 days against 29 last year.

126. The following presents a summary of the work done by the Sessions Courts.

Description of Cases.	Pending.	Filed.	Total.	Disposed of.	Pending.	Remarks.
1	2	3	4	5	6	7
Original Cases.						
Offence cases	39	201	240	200	40	
Miscellaneous cases	6	35	41	33	8	
Appeals.						
From decisions in offence cases.	13	326	339	309	30	
From decisions in miscellaneous cases.	14	283	297	269	28	
Total	72	845	917	811	106	
Figures for the last year, 1881-82.	52	737	789	718	71	

127. The average duration of original offence cases disposed of by the Sessions Courts from the date of filing to the date of disposal was 56 days against 41 days last year.

The average duration of appeals in offence cases disposed of was 28 days against 25 days last year. The average duration of both

classes of cases has increased this year. Looking to individual Courts, the greatest delay is observable in the Sirdar Court, in which the average duration is 118. The Amreli Judge's Court comes next, the average duration of sessions cases disposed of by it being 81 days. The Kadi and Nowsari District Judge's Courts show an average of 56 days for such cases. The City Judge's Court shows an average of 49 days, and the Baroda District Judge's Court, where the disposal of sessions cases has been the speediest, shows an average of 42 days. The average duration of miscellaneous original cases was 76 days against 57 last year, and that of miscellaneous appeals was 52 days against 56 last year.

128. The continuous decrease in the sessions work, observable for the last five years, is noticeable also in the year under report. Out of 201 cases filed in the Sessions Courts, against 220 last year, there were 180 cases against 197 last year, received by committal, &c., from the lower Courts. The Baroda City Judge's Court is the only Court in which the sessions cases have increased, *viz.*, from 25 last year to 34 this year. In the Amreli District, the number is the same as in the last year. In all the other districts they have diminished. As the diminution of sessions cases is an index of the diminution of heinous crime, this feature is to be looked upon as very satisfactory.

129. The cost incurred on account of Public Prosecutors was Rs. 3,880, against Rs. 2,608 last year. Government also paid Rs. 649 to Vakils engaged for the accused in murder cases wherein the accused were too poor to engage the services of professional gentlemen, and yet were anxious to have their cases conducted by them. This concession has been deemed advisable, as the question of the life or death of the accused is involved in such cases.

130. The following presents a summary of the work done by the Magistrates:—

Description of Cases.	Pending.	Filed.	Total.	Disposed of.	Pending.
1	2	3	4	5	6
Offence cases	233	7,701	7,934	7,653	281
Miscellaneous cases	246	5,481	5,727	5,436	291
Total	479	13,182	13,661	13,089	572
Result for the last year 1881-82	438	12,064	12,502	12,023	479

131. The file in the Magistrates' Courts has increased by more than a thousand cases, the increase in offence cases over the last year being about 700, and that in the miscellaneous cases about 400. The 7,934 offence cases for disposal with the Magistrates involved 17,060

persons as accused, against 7,172 cases involving 14,404 persons as accused last year. Of these, 7,653 cases involving 16,304 persons as accused were disposed of, 172 cases involving 308 accused being committed to the Sessions Courts, 150 cases involving 479 accused being either referred or transferred to other Courts, and the remaining 7,331 cases involving 15,517 accused being finally disposed of by the Magistrates themselves. The pending balance at the end of the year was 281 cases, involving 756 persons as accused, against 233 cases involving 543 persons as accused last year.

132. The average duration of offence cases disposed of in the Courts of the Magistrates was 21 days, the same as in the last year. The average duration of disposed of cases in the First Class Magistrates' Courts has increased from 28 days last year to 33 days this year, and in the Baroda Division the average duration of these cases comes to 66 days. This requires looking after. The average duration of cases disposed of by the Second Class Magistrates comes to 20 days against 14 days last year, and the average duration of cases decided by the Third Class Magistrates comes to 17 days against 22 last year. In the Town Magistrates' Courts, the average duration has increased from 10 days last year to 15 days this year. The average duration thus appears to have increased in most of the Magistrates' Courts.

133. The general average duration per case for the total number of offence cases disposed of in all the Courts of the State comes to 21 days against 22 last year.

134. The total number of offence cases finally disposed of in all the Courts of the State was 7,526 involving 15,858 persons as accused, against 6,789 cases and 13,575 persons last year.

135. The particulars as regards the disposal of these accused are as follows:—

Disposal.	Number of Persons.	Percentage in whole numbers this year 1882-83.	Percentage in 1881-82.
Let off under *Rázinámá*	5,222	33	26
Struck off the file.....	955	6	5
Acquitted or discharged	4,579	29	31
Convicted	5,047	32	38
Died, escaped, pardoned	55	.....	.....
	15,858	.....	.....

136. The percentage of persons acquitted or discharged has diminished to 29 per cent. against 31 per cent. last year, but the per-

centage of convictions has also diminished from 38 per cent. last year to 32 per cent. this year. The result is that more than two-thirds of the persons that came before the Courts as accused have gone out without the stigma of conviction, on account of the cases having been compounded or the cases having not been prosecuted, or on account of the evidence not having been considered sufficient for drawing up charges against or convicting the accused. The ratio of convictions for the three years 1877-78 to 1879-80 was about 50 per cent. Since 1880-81 the ratio has been diminishing, and has come to the low figure of 32 per cent. this year. This requires looking after.

137. The total number of witnesses examined by all the Criminal Courts of the State was 25,460, which gives an average of about 3 witnesses per case. The average last year was the same.

138. Out of 16,088 persons, against whom charges were preferred during the year, 6,035 persons, that is about 38 per cent., against 54 per cent. last year, were arrested by the police, the rest having been apprehended on warrant or having appeared on summons or voluntarily.

139. The diminished ratio of apprehensions by the police may be partly due to the diminished number of cognizable cases, but chiefly it seems to be the result of strict orders not to interfere with public liberty, except in clear cognizable cases, where immediate apprehension is necessary or desirable.

140. The number of persons committed to the Sessions was 308, while the total number of persons tried was 16,702. This gives a ratio of about 2 per cent. against 3 per cent. last year. The number of persons whose cases were referred to the higher authorities was 200 against 185 last year.

141. The number of miscellaneous cases has somewhat increased as shown above. The average duration of these cases disposed of was 21 days. The ratio last year was the same.

142. The classification of cases filed and finally disposed of according to the principal heads of offences, together with the number of accused persons involved in them gives the following results:—

143. Out of the 7,574 cases filed during the year, involving 16,088 accused, 3,448 cases, that is about 46 per cent., were those against property. The number of cases last year was 3,375, that is about 49 per cent. There were 1,802 cases of theft against 1,883 last year. This gives a ratio of about 25 per cent. to the total number of cases filed against 27 per cent. last year.

144. The principal sub-heads under the general class of offences against property show a marked diminution in the cases of dacoity, robbery and theft. There were only 5 cases of dacoity against 23 cases last year, and there were 177 cases of robbery against 226 cases last year. There were 1802 cases of theft against 1,883 last year. The cases under the other sub-heads have been nearly the same as in the last year. Crimes against property attended with force are thus decidedly on the decrease.

145. The number of cases referring to offences against the human body was 2,421 against 1,688, and gives a ratio of about 32 per cent. against 25 per cent. last year. The principal sub-heads under this class of offences, however, show a diminution of crime as compared with the last year, except in the case of grievous hurt which has risen from 70 to 86 cases. There were filed 19 cases of murder and 14 of culpable homicide not amounting to murder, the respective figures for the last year being 23 and 16. There were 3 cases of miscarriage and 11 of rape against 6 and 12, respectively, last year. It is satisfactory to notice that there has been no case of emasculation in the year under report.

146. In the year under report, one case of infanticide, involving 2 accused persons, occurred in the Kari Division, and one case involving 2 accused was pending in the Baroda Division at the end of the last year. In the case filed this year, the child was said to have been killed soon after birth, but the mother, a widow, and the other accused were both acquitted for want of sufficient evidence. In the other case, the child killed was aged 3 years, and as the mother, a widow, wanted to re-marry, and as the child was a burden to her, she killed it in order to be free to re-marry. She was convicted of murder and sentenced to life imprisonment, the alleged abettor having been acquitted.

147. Looking to the disposals, it appears that out of the total number of 7,526 cases involving 15,858 accused finally dealt with, there were 3,395 cases relating to offences against property, which gives a ratio of about 45 per cent. against 49 last year. There were 2,389 cases relating to offences against the human body, which gives a ratio of about 32 per cent. against 25 per cent. last year. Twenty two cases of murder and 11 cases of culpable homicide not amounting to murder were tried during the year against 26 and 10, respectively, in the preceding year. 169 cases of robbery and 11 of dacoity were tried during the year against 221 cases of robbery and 34 of dacoity last year.

148. The ratio of convictions to the total number of accused persons finally dealt with was, as already shown above, 32 per cent. In offences relating to property the ratio of persons convicted, 2,341 to the total number of persons tried for that class of offences, comes to about 36 per cent. against 41 per cent. last year. In offences against the human body the ratio comes to 15 per cent. against 22 per cent. last year. With regard to offences of murder, 10 persons were convicted out of 34, which gives a ratio of about 29 per cent. against 32 per cent. last year. Six persons out of 19 charged with culpable homicide not amounting to murder were convicted, which gives a ratio of about 32 per cent., the same as in the last year. The percentage of convictions in robbery cases comes to 54 per cent. against 53 per cent. last year; the percentage of convictions in cases of theft comes to 52 per cent. against 53 per cent. last year. The convictions in dacoity cases come to 43 per cent. against 41 per cent. last year. House-breaking shows a ratio of 55 per cent. against 70 per cent. last year. The above four classes of offences relating to property are those in which

the police have to take action from the very beginning, and in which the offenders are by their habits dangerous to society in general, and the results show that about one-half of the persons accused of them have been proved guilty thereof. This result may be regarded as satisfactory.

149. The following is a summary of punishments awarded in the year:—

Nature of Punishment.	No. of Persons, 1882-83.	No. of Persons, 1881-82.
Sentenced to death	3	2
Imprisoned	595	686
Fined	2,632	2,631
Flogged	74	48
Imprisoned and fined	1,673	1,756
Do. and flogged	35	34
Fined do.	.....	1
Imprisoned, fined and flogged	11	24
Bound to security, &c	24	14
	5,047	5,196

150. Three persons convicted of murder were hanged this year against 2 last year. They belonged to the Baroda and Kari Districts. The sentence of life imprisonment was passed on 5 convicts against 6 last year. Fifty-one persons against 95 last year were sentenced to periods of imprisonment exceeding 2 years and not exceeding 7 years. Thus 59 persons were punished for heinous offences against 104 last year.

151. Out of the total number of 2,314 persons imprisoned, 335 or about 14 per cent. were sentenced to simple imprisonment, the rest, 1,979, that is 86 per cent., being sentenced to rigorous imprisonment. The ratios last year were 12 and 88 per cent. respectively. Of the 1,979 persons sentenced to rigorous imprisonment, 990 persons or 42 per cent. of the whole number imprisoned received rigorous imprisonment under or up to one month; 714 or 31 per cent. above 1 and up to six months; 219 or about 9 per cent. above six months and up to 2 years. The corresponding ratios last year were forty, thirty-three and ten per cent. respectively. 142 persons were sentenced to rigorous imprisonment by the Sessions Courts and the Varisht Court. This gives a ratio of 6 per cent. to the total number imprisoned. The ratio last year was 4 per cent. The sentence of flogging was passed on 120 persons against 107 last year; this gives a ratio of about 2 per cent., the same as last year, to the total number of persons convicted.

152. The total number of persons fined was 4,316. Of these, 3,936 were fined up to Rs. 25 each, which gives a ratio of about 91 per cent. against 88 per cent. last year. Of these again, 2,472, that is about 57 per cent., were fined up to Rs. 5 each. The ratio was the

same last year. Two persons were fined each above Rs. 500 and up to Rs. 1,000, while none was fined above that amount. The total amount of fines inflicted was in mixed currency about Rs. 57,700 against about Rs. 72,800 last year. The realized amount including the previous outstandings was Rs. 43,974 against Rs. 48,027 last year. Out of the realized amount Rs. 4,513 against Rs. 9,567 were paid by way of compensation to complainants, &c., and Rs. 4,942 as against Rs. 5,040 last year were refunded, as the sentences were reversed or modified on appeal or revision.

153. Of the total number of persons punished, 4719 were males and 328 females, that for every 14 males punished there was one female punished, the proportion last year being 13 to 1.

154. Proceeding to appeals from the sentences of Magistrates, the total number of appeals filed during the year was 326, which gives a ratio of about 4 per cent. to the total number of cases decided by them. The ratio last year was the same. Out of 309 appeals decided during the year, the Subahs decided 95 and the Judges 214. In addition to these appeals, there were filed 283 appeals against the decisions of Magistrates in miscellaneous cases, which gives a ratio of about 5 per cent. against 4 per cent. last year, to the total number of these cases decided by the Magistrates. Of these miscellaneous appeals, 139 were decided by the Subahs, and 130 by the Judges.

155. Of the 506 convicted persons whose appeals were disposed of, the sentences against 197 were confirmed, and those against 103 were modified, and those against 206 were reversed. The proportion of reversals comes to about 41 against 38 per cent. last year.

156. The proportion of special appeals to the Varisht Court from the appellate decisions of the Subahs and the Judges in offence cases, exclusive of appeals against acquittals, comes to about 6 per cent. of the appeals decided by them, against 9 per cent. last year. All the decisions were either confirmed or modified, one only being reversed. The percentage of special appeals from appellate decisions in miscellaneous cases comes to about 29 per cent. against 24 per cent. last year.

157. The proportion of regular appeals to the Varisht Court from the decisions of the Subahs and the Judges passed in the sessions and other original cases decided by them, exclusive of the cases in which the accused were acquitted, was about 20 per cent. against 16 per cent. last year. In about 16 per cent. their decisions were reversed, the rest having been either confirmed or modified.

158. The number of appeals to the Varisht Court against acquittals and for enhancement of punishment was 80 and 9 respectively. With regard to about 12 per cent. of the persons affected in appeals against acquittals, the decisions of the lower Courts were reversed; while in appeals for enhancement of punishment, the decisions of the lower Courts were all confirmed. The number of appeals under both these heads was 105 last year, and the ratio of reversals was 13 per cent.

159. In the exercise of its powers of revision, the Varisht Court called up or received 307 cases against 286 last year. Of these the

Varisht Court itself called up 139 cases, the Baroda District Judge sent up 62, the Baroda Subah 35, the Kari Subah 23, the City Judge 12, the Amreli District Judge 8, the Amreli Subah 8, the Nowsari Subah 7, the Kari District Judge 6, and the Nowsari District Judge 2 cases. The Sir Subah sent up 5 cases against opium rules for revision. From the above, it would seem that some of the District Judges and Subahs do not seem to pay much attention to this important portion of their work. Of the 489 persons affected by the 302 cases decided, the decisions affecting 50 persons, that is about 10 per cent., were reversed, and those against 34 persons, that is about 7 per cent., were modified. The corresponding ratios last year were 18 and 9 per cent., respectively.

160. The Inámdars filed 20 criminal cases under the powers conferred on them by Sanads. Last year they had filed 50 cases, and in the year before the last, 63 cases. Thus their work seems to be diminishing. There were in all 26 cases with them for disposal, including the last year's pending balance, of which they decided 19 cases, leaving 7 cases with 10 persons as accused undecided during the year.

161. The civil and criminal cases in our Military Cantonments at Sadra, Deesa and Manekwara, which are disposed of by the Contingent Subahs located in these Camps and the Sir Subah of the Contingent, are given in the subjoined statement:—

Description of Work.	Pending Balance.	Filed during the year.	Total.	Disposed of.	Pending.
Civil	31	40	71	48	23
Criminal	12	59	71	64	7
Total.....	43	99	142	112	30

162. The usual statistical details will be found in the Appendix which may be referred to for further details.

163. The Chief Justice inspected the Courts in the Baroda District and of the Baroda City, during his tour of inspection, which occupied him about two months.

JAILS.

164. The number of jails and lock-ups in His Highness' territory, at the commencement of the year under report, was 43 in all, viz.:—

1 Central Jail.
7 District Jails.
35 Lock-ups.

165. One of the District Jails, viz., that at Dabhoi was, however, closed during the year, so that at the end of the year, the number of District Jails was 6, and that of Lock-ups 36.

166. *Central Jail.*—The following statement gives particulars regarding the prisoners in the Central Jail for the year under report:—

Number.	Class of Prisoners.	3 Remained on the 31st July 1882.			4 Received during the year.			5 Total.			6 Discharged, &c., from all causes.			7 Remained at the end of the year 1882-83.			8 Daily average of each class.			9 Total daily average of whole Jail.		
		Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1	Convicted.....	507	40	547	403	52	455	910	92	1,002	440	61	401	470	41	511	467	43	510	470	48	522

	Total of 1881-82.....	352	37	389	646	58	704	999	95	1,093	480	58	538	518	42	560	447	37	484	...	...	...

167. In the total daily average there was an increase of 785 per cent. The total admissions in the course of the year under report were less by 82, and those in the case of convicted prisoners, by 124. This increase is, therefore, due not to greater admissions in the course of the year under report, but to a larger balance at the commencement of the year, as compared with that at the commencement of the previous year.

168. The following are the details of the prisoners discharged :—

Convicted Prisoners.

Transferred to another jail	1
Released on appeal	22
Do. on expiry of sentence	437
Do. on payment of fine	12
Escaped	1
Executed	2
Died	16
Total	491

The convict shown as escaped was immediately recaptured.

Besides the above, two under-trial prisoners, who had escaped from the Jail in 1881-82 (*vide* para. 174, page 33, of the Administration Report) were recaptured in the year under report.

Under-trial Prisoners.

Released	5
Convicted and sentenced	13
Transferred to other jails	134
Total	152

Lunatics.

Released after recovery	1
Grand Total	644

169. The number of deaths during the year under report was 16. The daily average attendance being 522, the percentage of deaths is 3·06. The percentage last year was 3·1.

170. The following table shows the nature of the different diseases of which the above 16 prisoners died during the year under report:—

Name of Disease.	No. died.
Phthisis	2
Pleurisy	1
Remittent Fever	1
Ulceration of the Cornea with General Debility	1
Pericarditis with Endo Carditis	1
Dysentery	1
Heart-disease with Pneumonia	1
Keratitis with Diarrhœa	1
Hœmoptisis with Phthisis	1
Diarrhœa and Dysentery	1
Ague and Diarrhœa	1
Chronic Rheumatism with Diarrhœa	1
General Debility	1
Rat bite	1
Natural death	1
Total	16

171. There was no case of Cholera in the Jail.

172. The ages of those who died are given below:—

Age-period.	No. of Deaths.
20—29	1
30—34	4
35—39	4
40—44	2
45—49	.....
50—54	.....
55 and over	5
Total	16

173. The daily average of sick prisoners was 27 as against 19·9 in the previous year.

174. Of the 511 convicted prisoners remaining in the Jail at the end of the year, there were—

	Males.	Females.	Total.
Sentenced to life imprisonment	97	26	123
Above 14 years do.	9	.....	9
Do. 10 do. and not exceeding 14 years	14	1	15
Do. 7 do. do. do. 10 do.	57	2	59
Do. 5 do. do. do. 7 do.	49	.....	49
Do. 3 do. do. do. 5 do.	71	2	73
Do. 1 do. do. do. 3 do.	97	5	102
Do. 6 months do. do. 1 year	30	1	31
Do. 1 month do. do. 6 months	44	4	48
Not exceeding one month	2	.....	2
Total.....	470	41	511

175. Of the 511 convicted prisoners, there were—

	Males.	Females.	Total.
Hindus	412	36	448
Mahomedans	55	5	60
Jains	3	0	3
Total.....	470	41	511

176. Of the 423 admissions in the Jail during the year exclusive of those received from other jails, there were—

	Males.	Females.	Total.
Hindus	315	44	359
Jains	4	0	4
Mahomedans	55	5	60
Total.....	374	49	423

177. The total expenditure of the Jail during the year under review was Rs. 37,240-2-9 against Rs. 40,481 in the previous year.

178. The average cost per prisoner was as below :—

Heads of Charges.	1881-82.	1882-83.
	Rs. a. p.	Rs. a. p.
Diet	34 13 3	34 5 4
Establishment and guarding	35 0 10	31 4 5
Clothing	5 7 0	2 15 9
Hospital charges	2 9 9	1 12 11
Contingencies	5 11 5	0 15 0
Total	83 10 3	71 5 5

179. The above total shows a decrease under each head of the charges, and a total decrease of Rs. 12-4-10, or 1 Rupee per head per month, as compared with the expenditure in the year 1881-82. Compared with the expenditure in 1880-81 also, that under the year under report is favorable, being less by Rs. 5-8-8 per head.

180. A marked improvement is observable in the discipline and management of the Central Jail. This improvement is due to the abilities and zeal of the Superintendent, Mr. Rattanji Nassarwanji.

181. *District Jails.*—There were seven District Jails in the year. The following statement gives particulars of their inmates during the year:—

Number.	Class of Prisoners.	3			4			5			6			7			8			9		
		Remaning at the commencement of the year.			Received during the year.			Total.			Discharged, &c., from all causes.			Remaning at the end of the year.			Daily average of each class.			Total daily average of all jails.		
		Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1	Convicted	660	26	686	1,275	71	1,346	1,935	97	2,032	1,336	82	1,418	599	15	614	594	22	616	649	27	676
2	Under-trial	*46	3	49	1,067	96	1,163	1,113	99	1,212	1,061	92	1,153	52	7	59	53	5	58			
3	Lunatics	2	...	2	7	...	7	0	...	0	8	...	8	1	...	1	2	...	2			
	Total...	*708	29	737	2,349	167	2,516	3,057	196	3,253	2,405	174	2,579	652	22	674	649	27	676	649	27	676
	1881-82.	782	37	799	2,431	178	2,609	3,193	215	3,408	2,484	186	2,670	709	29	738	694	43	737	694	43	737

* *N. B.*—An under-trial prisoner was, by mistake, allowed to remain nominally on the list, though he was not actually present in the jail (Dubhoi). The mistake was discovered in the year under report, hence the correction.

182. The total daily average in all the District Jails together was in the year under report less than the previous year by 61. This corroborates what has been stated in para. 148 regarding the diminution of crime.

183. The particulars regarding the discharged prisoners are as follows:—

Convicted Prisoners.

Transferred to other jails	72
Released on appeal	48
Do. on expiry of sentence	983
Do. on payment of fine	294
Do. by order of Sirkar	1
Escaped	1
Executed	1
Died	18
Total.....	1,418

The prisoner who was released by Sirkar order was a Fouzdar, the facts of whose case called for the exercise of the prerogative of mercy, and, therefore, the remaining term of the sentence passed on him was cancelled.

Under-trial Prisoners.

Convicted and sentenced	381
Released	513
Transferred to other jails	249
Escaped	7
Died	3
Total.....	1,153

On the 13th November 1882, six under-trial prisoners simultaneously escaped from the Nowsari District Jail. They were all daring characters, and effected their escape by removing the iron bars of their wards. They were, however, recaptured soon afterwards, 5 in this territory and one in British India. The seventh escaped prisoner was from the Dabhoi Jail, who, too, was recaptured soon after his escape.

Lunatics.

Released after recovery	4
Transferred to other jails	0
Handed over to relatives	4
Total.....	8

184. The percentage of mortality in the District Jails was 3·1, as against 4 in the previous year. The percentage of mortality among the convicted prisoners was 2·9, and that among the under-trial ones was 5·2.

185. The total expenditure on District Jails in the year under report was Rs. 66,164-4-10, as against Rs. 68,763 in the previous year.

186. The average cost per prisoner in the District Jails was:—

	Rs.	a.	p.
Diet	36	9	9
Establishment and guarding	53	5	6
Clothing	4	8	4
Contingencies	3	2	6
Hospital charges	0	3	11
Total Rs.	97	14	0
Total for 1881-82 ,,	92	3	7

187. The expenditure per head in the year under report is indeed higher than in the last year, but it is mainly owing to decrease in the average number of prisoners, and to increase in the clothing and contingent charges.

188. The actual expenditure under the head of establishment and guarding charges exceeded that in the last year by about 800 Rupees only, but as the average number in the year under report was considerably less (viz. 61), and the establishment and guarding charges remained nearly the same, the average expenditure per head was naturally higher. The same remark applies to the contingent charges wherein, though the amount of expenditure was very nearly the same in both the years, the difference in the average rates was caused by that in the average population.

189. With regard to clothing, the higher average is mainly due to the expenditure (nearly Rs. 2,400) incurred under that head in the Kari District Jails.

190. The average under rations and Hospital charges is less than in the previous year.

191. The District Jail at Dabhoi was turned into a lock-up at the end of March 1883. At the close of the year, therefore, there were 6 District Jails in the territory instead of 7.

Lock-ups.

192. The number of lock-ups or taluka jails remained the same as in the previous year, for about 8 months, after which one district jail was reduced to a lock-up, and thus the number increased by one.

193. The following statement gives particulars of the inmates of these taluka jails :—

Number.	Class of Prisoners.	3 Remaining at the commencement of the year.			4 Received during the year.			5 Total.			6 Discharged, &c., from all causes.			7 Remaining at the end of the year.			8 Daily average of each class.			9 Total daily average of all lock-ups.		
		Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.	Males.	Females.	Total.
1	Convicted.	*64	6	70	1,170	66	1,245	1,243	72	1,315	1,173	63	1,246	61	4	65	59	2	61	162	9	101
2	Under-trial	101	10	117	2,876	257	3,132	2,976	273	3,249	2,915	269	3,184	65	4	69	93	7	100			
3	Lunatics	5	1	6	18	...	18	23	1	24	23	1	24	...	...	...	...	...	...			
	Total.....	*170	23	198	4,072	329	4,305	4,242	346	4,588	4,116	338	4,454	126	8	134	152	9	161	162	9	101
	Total 1881-82.....	143	4	147	4,624	314	4,838	4,667	318	4,985	4,400	205	4,701	171	23	194	227	15	242	...	...	...

* *N.B.*—The figure in last year's report was 65. It was discovered that there was an error of 1.

194. 4,395 prisoners were received in the several lock-ups during the year under report, or 443 less than in the previous year. Similarly, the number of prisoners discharged was also less by 337. The total daily average attendance was 161, as against 242 in the previous year.

195. The following are the particulars of the discharged prisoners:—

Convicted Prisoners.

Transferred to other jails	449
Released on appeal	34
Do. on expiry of sentence	634
Do. on payment of fine	129
Do. by order of the Sirkar	...
Total	1,246

Under-trial Prisoners.

Released	1,768
Transferred to other jails	686
Escaped	1
Died	2
Total	3,184

Lunatics.

Released after recovery	3
Transferred to other jails	14
Handed over to relatives	7
Total	24
Grand Total	4,454

196. The death-rate in the lock-ups was 1·2, as against 0·8 for the previous year.

197. The total number of deaths in the Taluka Jails was 2, as against 3 in the previous year; yet, as the daily average was less, the percentage was greater.

198. The average cost per prisoner in the lock-ups was:—

	Rs.	a.	p.
Diet	36	6	1
Establishment	4	15	1
Clothing	0	1	7
Contingencies	2	1	5
Hospital Charges	0	0	4
Total	43	8	6

199. The cost per head in the previous year was Rs. 34-4-2, or Rs. 9-4-4 less than in the year under report. The increase is attributable generally to the same causes as those mentioned with reference to district jails.

200. The total expenditure on account of the lock-ups was Rs. 7,007-12-8, as against Rs. 8,291 in the preceding year.

201. The following comparative statement gives particulars of the inmates of all the jails severally noticed above for 1882-83 and the previous year:—

	Convicted.		Under-trial.		Lunatics.		Total.	
	1881-82.	1882-83.	1881-82.	1882-83.	1881-82.	1882-83.	1881-82.	1882-83.
Prisoners at the beginning of the year...	1,225	1,303	102	176	8	11	1,335	1,490
Admitted during the year...	3,395	3,046	4,729	4,450	27	37	8,151	7,533
Total ...	4,620	4,349	4,831	4,626	35	48	9,486	9,023
Disposed of during the year	3,316	3,159	4,654	4,485	24	33	7,994	7,677
Remaining at the end of the year ...	1,304	1,190	177	141	11	15	1,492	1,346

202. The following table gives the admissions and disposals of prisoners in all the jails from the year 1878-79 to 1882-83:—

	1878-79.	1879-80.	1880-81.	1881-82.	1882-83.
Admissions	15,482	10,854	8,816	8,151	7,533
Discharged from all causes ...	15,150	11,491	9,004	7,994	7,677

203. In the Appendix will be found the usual statistical details.

POLICE.

204. During the year under report the sanctioned strength of the police force was as follows :—

Name of Division.	Superintendent or Police Naib Subha.	Inspectors and Fouzdars.	Subordinate Officers and men.		Other establishment.	Total.	REMARKS.
			Foot.	Mounted.			
Baroda City	1	8	575	35	39	658	
Baroda Division	1	14	1,155	138	30	* 1,338	*This includes 215 Tainaties. The post of one policeman was abolished, and two posts were created in the other establishment.
Nowsari do.	1	14	713	153	28	909	
Kadi do.	1	17	1,651	208	32	†1,909	†Exclusive of 221 Tainati Sowars detailed for police duty from the Military Department.
Amreli do.	1	8	488	78	23	598	
Total	5	61	4,582	612	152	5,412	

205. Thus the total strength sanctioned comes to 5,412. This total is inclusive of vacancies, which at the end of the year were 363. The total for last year was 4,911. Consequently the ratio of policemen to population remains the same this year as in the last, viz., 1 policeman to 414 of the population.

206. The total annual cost sanctioned during the year, including both budget and extraordinary grants, was Rs. 8,95,106-14-11 in mixed currency; and the total expenditure actually incurred was Rs. 7,68,426-0-7. The following table gives the figures for each Division :—

Name of Division.	Sanctioned (in mixed currency).	Actual expenditure (in mixed currency).
	Rs. a. p.	Rs. a. p.
Baroda City	1,08,050 2 11	97,682 14 1
Baroda Division	2,22,775 4 2	1,88,192 11 3
Nowsari do.	1,48,890 0 2	1,34,271 14 9
Kadi do.	3,08,749 9 6	2,58,057 8 4
Amreli do.	1,06,641 14 2	90,221 0 2
Total	8,95,106 14 11	7,68,426 0 7

207. The total expenditure for the year preceding was Rs. 7,59,956-1-8 in mixed currencies, so that the expenditure for

the year under report exceeded that for the previous year by Rs. 8,469-14-11. This increase is mainly due to—

(1) The issue of dress to the police of the Nowsari Division.

(2) The taking into account the expenditure under postal stamps which was not hitherto shown under police expenditure.

(3) The disbursing in the year under report certain sums of salaries not drawn in the previous year.

208. The total increase over the expenditure for the last year was Rs. 11,560-13-1, and the total decrease under various heads was Rs. 3,090-14-2. Thus the net increase amounts to Rs. 8,469-14-11.

209. Of the officers and men employed during the year under review, there were 2,881 Hindus of all castes, 2,148 Mahomedans, 18 Parsees and Jews, and 2 Christians. The subjoined table gives the figures for each Division:—

Name of Division.	Hindus.	Mahomedans.	Parsees and Jews.	Christians.	Total.
Baroda City	456	168	4	.....	628
Baroda Division	670	441	2	.....	1,113
Nowsari do.	560	252	9	2	823
Kadi do.	835	1,053	1	.....	1,889
Amreli do.	360	234	2	.....	596
Total.....	2,881	2,148	18	2	5,049

210. The following table gives particulars regarding Hindus in the force:—

Name of Division.	Brahmins.	Rajputs.	Marathas.	Parbhus and Senoys.	Waghers.	Kolis and Bhils.	Hindus of other castes.	Total.
Baroda City	101	51	188	8	...	48	60	456
Baroda Division	233	73	236	16	...	12	100	670
Nowsari do.	125	5	241	17	...	26	146	560
Kadi do.	105	157	77	27	25	205	179	835
Amreli do.	54	109	99	8	14	24	52	360
Total.....	618	395	841	76	39	375	537	2,881

211. The following comparative table shows the increase and decrease in the several castes forming the Hindu portion of the force:—

Castes.	Year.		Increase or Decrease.
	1881-82.	1882-83.	
Brahmins	615	618	+3
Rajputs	318	395	+77
Marathas	811	841	+30
Parbhus and Senoys	82	76	—6
Waghers	29	39	+10
Kolis and Bhils	364	375	+11
Hindus of other castes	598	537	—61
Total	2,817	2,881	+64

212. It will be seen that the number of Rajputs has risen by 77, of Marathas by 30, of Kolis and Bhils by 11, and of Waghers by 10. This shows that the attempt to attract these castes to the police force has begun to bear fruit.

213. The percentages of different castes to the total number remain almost the same as in the last year, except that the percentage of Mahomedans has decreased by about 1, and that of Hindus of other castes by 1·25, and the percentage of Rajputs has increased by about 1·50 and of Marathas by about ·50.

214. Another fact worth notice is that the percentage of Mahomedans in the force was in the last year less than in the year preceding by about 1 per cent., and it decreased in the same proportion in the year under report. It may, however, be observed that though the percentage in the ranks has decreased, that in the officers has increased by nearly 1 per cent.

215. Amongst officers 35·18 per cent. were Mahomedans, 1·25 per cent. Parsees, Jews and Christians, and 63·57 per cent. Hindus of all castes.

216. Of the Hindus 41·71 per cent. were Brahmins, 10·18 per cent. Rajputs, 21·84 per cent. Marathas, 7·06 per cent. Parbhus and Senoys, 3·94 per cent. Kolis, Bhils and Waghers, and 15·27 per cent. Hindus of other castes.

217. Of the men 44·27 per cent. were Mahomedans, ·20 per cent. Parsees, Jews, and Christians, and 55·53 per cent. Hindus of all castes.

218. Of the Hindus, 16·02 per cent. were Brahmins, 14·66 per cent. Rajputs, 31·16 per cent. Marathas, 1·45 per cent. Parbhus and Senoys, 17·30 per cent. Kolis, Bhils and Waghers, and 19·41 per cent. Hindus of other castes.

219. The following statement gives particulars regarding punishments and rewards to the police force during the year under retrospect:—

Name of Division.	Punishments.								Rewards.		
	Dismissed.		Reduced to lower grades.		Criminally punished.		Total number of officers punished.	Total number of men punished.	By promotion.	By presents in money.	Total number of men rewarded.
	Officers.	Men.	Officers.	Men.	Officers.	Men.					
Baroda City	1	169	20	24	1	1	22	194	56	...	56
Baroda Division	2	24	8	4	...	2	10	30	76	223	299
Nowsari do.	2	23	4	8	1	4	7	35	147	4	151
Kadi do.	1	10	6	13	4	13	11	36	92	87	179
Amreli do.	2	3	1	2	2	1	5	6	...	6	6
Total	8	229	39	51	8	21	55	301	371	320	691
Total for 1881-82...	2	220	319	907	2	46	323	1,173	228	88	316

220. It will thus appear that, as compared with the last year, punishment by reduction was less frequently resorted to this year than dismissal or criminal prosecution, and that there were more cases of rewards. This indicates that there was stricter discipline combined with a desire to encourage merit.

221. The following table shows the number of resignations, deaths, discharges and dismissals during the year under review as compared with those for the two previous years:—

Year.	By resignation.	By discharge or otherwise.	By desertion.	By death.	Total.
1882-83	132	104	164	55	455
1881-82	159	109	138	88	494
1880-81	212	235	94	96	637

222. Thus, while resignation, discharges, &c.,-and deaths have perceptibly decreased, the number of desertions seems to be persistently on the increase. The Police *Nibandh* which has been recently passed will, it is hoped, check the evil.

223. The total number of crimes reported during the year was 6,947 against 8,428 in the preceding year. From this number may be deducted 955 cases in which no offence was found to have been committed, and which were, therefore, struck off the register by order of Magistrates. Similarly, 8 more cases have to be deducted, as the offences were not found to have taken place in this territory. The actual number of crimes is therefore 5,984.

224. The following is a comparative statement for this and the last year:—

Crime.	1881-82.	1882-83.	Increase or Decrease.	Remarks.
Murder	20	*16	—4	* In one of these no offence was found to have been committed, and in another the offence was discovered to have been committed in foreign territory, so the actual number is 14. Both these cases belong to Amreli.
Culpable homicide	22	16	—6	
Grievous hurt	85	127	+42	
Rape	28	22	—6	
Dacoity	33	17	—16	
Robbery	145	124	—21	
Theft	3,630	3,866	+236	
House-breaking	435	217	—218	
Receiving stolen property	161	129	—32	
Criminal breach of trust	121	151	+30	
Mischief by fire	62	63	+1	
Miscellaneous offences	3,686	2,199	—1,487	
Total	8,428	6,947	—1,481	

225. It is evident that crimes of a heinous nature, and even petty miscellaneous offences have perceptibly decreased. Last year also there was a decrease in heinous crimes, as compared with the year preceding. This gradual decrease is therefore satisfactory.

226. The figures for each division are given in the following statement:—

Name of Division.	Murder.	Culpable homicide.	Grievous hurt.	Rape.	Dacoity.	Robbery.	Theft.	House-breaking.	Receiving stolen property.	Criminal breach of trust.	Mischief by fire.	Miscellaneous offences.	Total.
Baroda City	2	...	23	1	...	15	410	20	1	53	1	251	777

Nowsari do.	...	3	6	1	2	4	193	14	6	5	1	131	372
Kadi do.	10	6	48	6	13	43	1,565	118	68	31	22	1,007	2,937
Amreli do.	2	2	17	4		12	346	29	8	7	13	136	576
Total.....	16	16	127	22	17	124	3,856	217	129	151	63	2,199	6,947
Total for 1881-82.....	20	22	85	28	33	145	3,630	435	161	121	62	3,686	8,428

227. 1,263 cases of previous years were brought under inquiry during the year under report. These, with the 6,947 cases mentioned above, make up a total of 8,210.

228. Of these, 3,509 cases were sent to Magistrates, 1,658 were disposed of by *Razinamas*, 955 were struck off with the permission of Magistrates, 800 remained on the dormant list, 8 were transferred and 1,280 remained undetected at the end of the year.

229. Out of those sent to the Magistrates for trial, convictions were secured in 1,858 cases and 608 were disposed of by *Razinamas*, so that the percentage of convictions to cases sent to Magistrates for inquiry was 64·04 against 65·4 for the year preceding.

230. The following statement gives particulars for each Division :—

Name of Division.	Cases reported during the year.	Cases of previous years brought under inquiry during the year under report.	Total.	Struck off with the permission of the Magistrates.	Disposed of by *Razinamas*.	Remaining on the dormant list.	Transferred.	Remaining undetected.	Cases sent to Magistrates for inquiry.	Cases disposed of by *Razinamas*.	Cases on which convictions were secured.	Percentage of convictions to cases sent to Magistrates for inquiry.

231. The number of persons arrested during the year under report was 10,365 against 12,528 for the previous year. Of these, 2,651 were released, 4 died, 7 escaped, 5 were transferred, 18 remained in custody of the Police, and 583 were on bail at the end of the year. The rest, viz., 7,097, were sent to Magistrates for trial. Of these, again, 3,365 were convicted, 1,131 released after *razinamas*, 2,171 acquitted, 5 died after commencement of trial, 12 escaped, and 413 remained pending trial at the end of the year.

232. The figures for each Division are given in the subjoined table:—

Name of Division.	Number of persons arrested.	Disposal of persons arrested.						Sent to Magistrates for enquiry.						Total.
		Released without trial.	Died.	Escaped.	Transferred.	In police custody.	On bail at the end of the year.	Released after *razinamas*.	Acquitted.	Convicted.	Died after commencement of trial.	Escaped.	Pending trial at the end of the year.	
Baroda City	1,412	661	...	3	3	2	154	4	287	269	...	1	28	1,412

233. Of the persons arrested, 25·58 per cent. were discharged without trial, 20·94 per cent. acquitted, 32·46 per cent. convicted, and 5·62 per cent. remained on bail at the end of the year. The percentage of persons convicted to persons sent for trial was 56·56 against 53·97 for the year preceding. The percentages for each Division are given in the following table:—

Name of Division.	Percentage of persons arrested, who were				Percentage of persons convicted to those sent to Magistrates for trial.	
	Discharged without trial.	Acquitted.	Convicted.	On bail at the end of the year.	1881-82.	1882-83
Baroda City	46·81	20·32	19·05	10·90	43·25	46·06
Baroda Division	38·69	22·40	20·18	6·47	51·08	43·15
Nowsari do.	8·22	27·42	51·37	0·36	59·27	58·29
Kadi do.	14·08	18·93	41·23	4·85	57·28	64·65
Amreli do.	20·12	25·19	36·09	0·46	53·56	53·90
Total	25·58	20·94	32·46	5·62	53·97	56·56

234. In 2,638 cases, property to the extent of Rs. 1,83,675 was alleged to have been stolen, as against 3,421 cases involving property of the value of Rs. 2,13,408 for the year preceding. In 1,681 cases, property to the extent of Rs. 79,312 was recovered against 2,179 cases and Rs. 98,585 for the last year. The percentage of property recovered to that alleged to have been stolen was 43·18 aginst 46·20 for the year preceding.

235. The percentage of recoveries to property lost appears to have fallen off in the year under report. But this is mainly owing to the amounts in cases of *razinamas* being this year not reckoned, as was usually done, as recoveries. For, in such cases, the Police cannot be considered to have recovered the property and, therefore, allowed to get credit for the recoveries. The percentages given now show actual recoveries, and cannot, therefore, be properly compared with the percentages for the previous year.

236. The percentage of recoveries will always stand low as compared with the reported cases, as complainants generally over-esitmate the value of the property lost. Amongst the difficulties encountered by the Police in securing the whole of the stolen property, may be mentioned the circumstance that our territory is interlaced with foreign territory, and consequently there are great facilities for concealing the stolen property, and for evading attempts to recover it.

237. The percentage of recoveries in cases of robbery and dacoity, however, was very nearly the same as in the last year, being 72·85 against 73 per cent.

238. The following statement gives particulars for each Division:—

Name of Division.	1882-83.				1881-82.		Percentage of property recovered to property lost.	
	Cases in which property was alleged to have been stolen.	Alleged value of property stolen.	Cases in which property was recovered.	Value of property recovered.	Alleged value of property stolen.	Value of property recovered.	1882-83	1881-82.

General Remarks.

239. *Baroda Division.*—The Chief Justice of the Varisht Court made a circuit through the Baroda Division, and inspected the work of the Police Officers of that Division. The result on the whole was satisfactory.

240. Besides the Police force of the Division, a special party of Police was engaged towards the latter part of the year to do duty at Chandod, at the cost of the Rana of Mandwa.

241. The Police of this Division and the Police of the contiguous British Districts have rendered assistance mutually and have worked harmoniously.

242. No mail robbery occurred in the Division during the year under report.

243. There were only two cases of murder in the year under review, as against 10 in the previous year.

244. *Nowsari Division.*—The Police Naib Subha, Mr. Antaji Gangadhar, was temporarily transferred to the Revenue Department, Kadi Division, and Mr. Babaji Prabhakar Saranjame succeeded him. Mr. Antaji was subsequently retransferred from the Revenue Department.

245. *Kadi Division.*—The number of robberies has declined from 61 in the previous year to 43 in the year under report, or nearly 33 per cent. Four of these robberies were by mounted men. On the other hand, the number of dacoities has risen 30 per cent., and of these, one was by mounted men. In four out of these five offences, most of the delinquents have been apprehended, tried, and convicted.

246. No mail robbery took place in the Division during the year under review.

247. A special establishment was entertained for the prevention and detection of offences against the opium rules. The Subha reports that this special establishment worked well, and traced out within the course of six months, 23 offences against the opium rules.

248. A punitive post had to be located at Delwada in Wadawli Taluka, in consequence of a riot which took place between the inhabitants of that village and those of its neighbouring village Dharpura. The riot was owing to an ill-feeling between the inhabitants of the villages on account of a dispute about the use of a well, and the occasion of the Holi festivities was seized upon for manifesting that ill-feeling. About 37 persons were wounded in the affray. The offenders were eventually brought to justice, and a Police post was located in the village both as a punitive and preventive measure.

249. The Police of the Division had to make special arrangements and to take more than ordinary precautions for the prevention

and detection of thefts along the Rajputana-Malwa Railway line, which passes through that Division. The effect of the measures adopted by the Police was perceptible in the diminution of crimes of that kind and the absence of further complaints.

250. *Amreli Division.*—Mr. Vinayak Vishnu Dange, the Police Naib Subah of the Division, died on the 2nd February 1883. By his death His Highness' Government lost an intelligent and energetic Police Officer. Mr. Pragji Laxmidhar, Police Inspector, was in charge of the duties of the Police Naib Subah, until he was relieved by Mr. Antaji Gangadhar about the end of the year under report.

251. The offence of cattle-stealing requires special notice as regards this Division. The ingenious way in which the cattle lifters succeed in changing the very appearance of the stolen cattle, and the surprising rapidity with which the stolen cattle are taken miles away from the scene of offence, require, it seems, special measures to check the evil; and it is in contemplation to adopt such measures.

252. There was no case of outlawry during the year under report.

253. No dacoity or mail robbery took place in the Division during the year under report.

254. It has already been stated above in para. 226 that of the two cases of murder, given in the statement of offences, one was really no offence, and the other did not take place in this territory; so that, properly speaking, no cases of murder actually took place in the Division, during the year under retrospect.

255. On the 1st of June 1883, a very painful case of what is called *Kamal Puja*, or offering up as sacrifice the portion of the human body above the trunk, occurred at Tarak Talao in the Amreli Taluka. A Bania cut off the heads of ten members of his family, males, females and children, and committed suicide; because, as he wrote in a note left behind, his tutelary god, whom he had been propitiating for some time past, would not bring to life a member of the family who had died of fever, and also because the god had told him in a dream, that it was not advisable to continue to live in this wicked world. Searching enquiries were made as to whether the occurrence was the result of foul play, but no suspicious circumstances were detected. The occurrence was due entirely to ignorance and superstition, and is not unknown in Kattiawar.

EXTRADITION.

256. During the year under report, the Baroda Government made extradition demands in 104 cases, against 122 of last year, and received similar demands in 90 cases from British districts and tributary and other Native States against 92 of last year, as shown below:—

Demands by Baroda.

On	Number of demands.		Number of demands withdrawn.	
	Cases.	Men.	Cases.	Men.
British Districts	56	153	1	7
Native States	48	131	1	2
Total	104	284	2	9

Demands on Baroda.

By	Number of demands.		Number of demands withdrawn.	
	Cases.	Men.	Cases.	Men.
British Districts	51	113	.....	.....
Native States	39	71	1	1
Total	90	184	1	1

257. During the same period 247 men were surrendered to Baroda in 98 cases, while Baroda surrendered 157 men in 75 cases as shown below:—

Surrenders to Baroda.

From	No. of surrenders on demands during the year.		No. of surrenders on demands during previous year.		Total No. of surrenders during the year.	
	Cases.	Men.	Cases.	Men.	Cases.	Men.
British Districts	44	112	11	24	55	136
Native States	28	66	15	45	43	111
Total	72	178	26	69	98	247

Surrenders by Baroda.

To	No. of surrenders on demands during the year.		No. of surrenders on demands during previous year.		Total number of surrenders during the year.	
	Cases.	Men.	Cases.	Men.	Cases.	Men.
British Districts	44	87	6	24	50	111
Native States.....	24	44	1	2	25	46
Total.....	68	131	7	26	75	157

258. During the year, 228 extradited persons were tried in 95 cases, 149 were convicted, 79 acquitted, and 56 persons remained to be tried as shown below:—

	No. of trials.		No. of convictions.		No. of acquittals.		Pending.	
	Cases.	Men.	Cases.	Men.	Cases.	Men.	Cases.	Men.
British Districts	55	141	39	81	16	60	13	26
Native States	40	87	33	68	7	19	7	30
Total.....	95	228	72	149	23	79	20	56

259. No certificates for trial in British India were issued during the year under report.

260. One man, named Bhatta Gala, obtained from Kaira in 1881-82 on a charge of murder, was sentenced to capital punishment and executed, and one woman, named Galali, obtained from the same district on a similar charge, was sentenced to rigorous imprisonment for life.

Military.

261. The strength of the regular or the disciplined force remains the same as in the preceding years. Thus, there are four regiments of infantry, two of cavalry, and two companies of Artillery, serving at Baroda. A regiment of infantry is stationed at Dhari and one in Okhamandal in the Amreli Districts. Detachments of infantry and artillery are also posted at Kadi, the head-quarters of the Kadi Division.

262. The following table shows the numerical strength of each regiment or corps in detail:—

	Effective.	Non-effective.	Total.
ARTILLERY.			
Amalgamated Gold and Silver Gun Battery ...	65	81	146
Light Field Battery	69	46	115
Rumi Gunners	24	.....	24
Total.....	158	127	285
CAVALRY.			
The Maharaja's Body Guard	55	55	110
Silledari Cavalry.....	192	64	256
Total.....	247	119	366
INFANTRY.			
1st Regiment	566	55	621
2nd Regiment	566	50	616
3rd Regiment	566	82	648
5th Regiment	338	33	371
Dhari Battalion	514	26	540
Okha Battalion	461	25	486
Total.....	3,011	271	3,282
BANDS.			
Mounted Band	22	13	35
Foot Band	71	3	74
Total.....	93	16	109
General and Staff Officers	5	6	11
Grand Total.....	3,514	539	6,053

263. Thus the total strength of artillery, cavalry and infantry is as under. :—

	Effective.	Non-effective.	Total.
Artillery	158	127	285
Cavalry	247	119	366
Infantry	3,011	271	3,282
Bands	93	16	109
General and Staff Officers.....	5	6	11
Total.....	*3,514	539	4,053

* *Note.*—Out of this number 49 Privates' places were vacant.

264. The following table shows the nationality of the force:—

Nationalities.	No.	Percentage.
Europeans and Eurasians	17	·4
Mahomedans	824	23·8
Marathas and Konkanees	843	24·4
Pardeshees and Hindoostanees	1,589	45·8
Kolies, Rajpoots, Gosavis and other races	192	5·5

265. The cost of maintaining the above force during the year 1882-83, including the cost of arms, ammunition, remounts, &c., was as under:—

	Rupees.
Artillery	64,042
Cavalry	1,21,372
Infantry	4,54,541
Bands	27,332
General and Staff Officers	28,857
Store Magazine	3,731
Total	6,99,875

266. Thus the average cost per each effective man in the artillery is Rs. 406 per annum, in the cavalry Rs. 491 per annum, in the infantry Rs. 151 per annum, in the bands Rs. 294 per annum, and taking the whole force together the average cost per each effective man is Rs. 199 per annum.

267. This cost compares with that of the preceding year as follows:—

	Cost in 1881-82.	Cost in 1882-83.	Increase in 1882-83	Decrease in 1882-83
	Rs.	Rs.		Rs.
Artillery	67,274	64,042	.....	3,232
Cavalry	1,25,968	1,21,372	.....	4,596
Infantry	4,58,828	4,54,541	.....	4,287
Bands	29,858	27,332	.....	2,526
General and Staff Officers	33,084	32,588	.....	496
Total	7,15,012	6,99,875	.....	15,137

268. The decrease in the expenditure in the year under report is mainly attributable to a comparatively smaller amount having been expended on dresses and uniforms, as also on the purchase of animals than in the last year.

269. The total number of pensioners in the whole force is 134, drawing an aggregate amount of Rs. 8,524 in the year. Their number has increased by 21 in this year.

270. 31 men were discharged on payment of gratuities, amounting to Rs. 10,396, including the gratuities paid to the men of the Okha Battalion, which amounted to Rs. 3,266.

271. The rate of mortality in the force was 14 in a thousand against 50 in 1881-82.

272. The average daily attendance of the sick in the Syajirao Military Hospital at Baroda was 93·14 against 81 in the previous year.

273. There were 26 cases of desertion against 14 in the previous year. Only 2 of the deserters were apprehended, tried, and punished.

274. The Irregular force of the State consists of horse and foot. The horse or the mounted portion belongs to four departments, viz., the Silledari, Sibandi, Huzurat and Khalsa. The first three of these are managed on the Silledari principle, and the last departmentally. The foot portion consists of two departments, viz., the Sibandi and the Khalsa.

275. The numerical strength of the force belonging to each department is shown below:—

Name.	No.
Horse.	
Silledari	1,653
Sibandi	622
Huzurat	400
Khalsa	1,758
Total.....	4,433
Foot.	
Sibandi	1,155
Khalsa.....	665
Total.....	1,820
Grand Total.....	6,253

276. Thus taking all the departments together, there are 4,433 mounted effective men and 1,820 foot—total 6,253.

277. Three thousand of the mounted force are serving in the contingent stations of Manikwada, Sadra, Deesa, &c., and the rest at Baroda and in the districts.

278. The following table shows the expenditure incurred on account of this Irregular Force in the year under report:—

Horse.

	Rupees.
Silledari	8,59,351
Sibandi	2,59,298
Huzurat	1,64,546
Khalsa	7,31,581
Contingent Sir Subha, and Establishment	35,828
Total	20,50,604

Foot.

Sibandi	1,57,225
Khalsa	54,819
Total	2,12,044
Grand Total	22,62,648

A considerable portion of the above expenditure (upwards of five lacs) consists of the personal allowances of Sirdars and others charged to the Military Department according to the practice hitherto followed.

279. This cost compares with that of the preceding year as follows:—

	1881-82.	1882-83.	Increase in 1882-83.	Decrease in 1882-83.	Remarks.
Horse.	Rs.	Rs.	Rs.	Rs.	
Silledari	9,22,698	8,59,351	.....	63,347	
Sibandi	3,03,796	2,59,298	.....	44,498	
Huzurat	1,64,380	1,64,546	366	.....	
Khalsa	7,79,005	7,31,581	.....	47,424	
The Contingent Sir Subha, and Establishment.	35,017	35,828	811	.....	
Total	22,04,896	20,50,604	977	1,55,269	
Foot.					
Sibandi	1,61,939	1,57,225	.....	4,714	
Khalsa	48,783	54,819	6,036	.....	
Total	2,10,722	2,12,044	6,036	4,714	
Grand Total	24,15,618	22,62,648	7,013	1,59,983	

280. The decrease shown above is due to the payment of larger arrears having taken place in 1881-82 than in the year under report, as well as to a smaller expenditure on the purchase of animals.

281. The above figures give an average for each effective mounted man of Rs. 520 per annum in the Silledari, Rs. 417 per annum in the Sibandi, Rs. 411 per annum in the Huzurat, and Rs. 416 per annum in the Khalsa Karkhanas, and taking all the establishments together, the average per each Sowar is Rs. 463, against Rs. 500 per annum in the year 1881-82.

282. As regards the Foot, the average per man in the Sibandi is Rs. 136 per annum and in the Khalsa Karkhanas Rs. 82 per annum; or, taking both together, the average per man is Rs. 117 per annum in the year under review.

283. The cost of the whole force, regular and irregular, for the year 1882-83, and the previous year, is shown below:—

	1881-82.	1882-83.
Regular	7,15,012	6,99,875
Irregular	24,15,739	22,67,213
Total.....	31,30,751	29,67,088

284. These figures show a decrease of Rs. 1,63,663, the reasons for which are shown above.

Public Works Department.

285. During the absence of Mr. Hill on furlough to Europe, Mr. A. K. Modi, Assistant Engineer, acted for the Chief Engineer.

286. Mr. Hill having subsequently resigned his post, the services of Mr. Playford Reynolds, M.I.C.E., were obtained from the British Government, and he took charge of the appointment in the month of May 1883.

287. The following tabular statement shows in round numbers the total outlay of the department in the year under report, as compared with that of the previous year :—

Heads of Service.	Expenditure, 1881-82.	Expenditure, 1882-83.	Increase.	Decrease.
	Rs.	Rs.	Rs.	Rs.
Original Works	10,25,600	9,85,400	.....	40,200
Repairs	1,23,000	1,76,200	53,200	.....
Establishment	92,000	85,900	.....	6,100
Tools and Plant	2,500	3,400	900	.....
Stock Purchase	40	30	.....	10
Profit and Loss	.....	1,300	1,300	.....
Total.....Rs.	12,43,140	12,52,230	55,400	46,310

288. The decrease in original works was due to no new work involving a large outlay having been commenced in the year under report, and to some of the larger works having been completed in the previous year.

289. The increase in repairs is attributable to the adjustments of items debited to transfers from the year 1876-77.

290. The ratio of the cost of establishment to the total outlay was 7·5 in the year under report, against 8 in the previous year.

291. The following are the principal original works which were completed in the year under report:—

No.	Description of Works.	Amount sanctioned.	Amount expended.
		Rs.	Rs.
1	Constructing Lines for 2nd Regiment and Light Field Battery.	33,969	32,270
2	Converting a portion of Girjabai's Paga into Stables for sick horses and camels.	6,329	4,908
3	Dispensary at Sinore	8,498	7,477
4	Do. Karjan	8,370	7,471
5	Hospital at Pattan	36,913	35,892
6	Do. Amreli	29,717	25,273
7	Mastubang drain works	7,786	7,041*
8	Converting Store-house into Gadikhana at Makarpoora.	5,988	4,934
9	New High School and College	6,72,083	6,48,270
10	Erecting and setting Engine in Public Garden	9,543	9,170
11	Light-house at Modwa Point	5,556	5,422
12	New Library at Baroda	47,655	44,976
13	Pendals and lines at Dwarka for Okha Battalion	11,451	4,909*
14	Dispensary at Visnagar	11,048	9,748*
15	Do. Bechraji	10,243	8,567*
16	Do. Vadnagar	8,492	7,337*
17	Civil Surgeon's Bangalow at Kari	7,975	2,446*
18	Metalling road from Goods Shed to Camp	9,330	5,372*
19	Road from Public Garden to Bhootadizapa	54,860	45,430*
20	Do. Amreli to Chital	36,006	34,955*
21	Do. Government Garden to Jamalpura	5,101	3,035*
22	Do. Bhadarpore Station to Town	8,207	6,931*
23	Bridges on road from Amreli to Warsoda	6,894	5,606*
24	Vegetable Market at Amreli	6,282	2,062*
	Total.....Rs.	10,48,296	9,68,602

* The total expenditure on this work will be adjusted in the year 1883-84.

292. The following principal original works were under progress at the close of the year under review:—

No.	Description of Works.	Amount estimated.	Amount expended up to end of 1882-83.
		Rs.	Rs.
1	Substitution of gate-way for bastion at Amreli ...	6,894	692
2	Building Barracks for men of Dhari Battalion at Kodinar.	5,928	3,036
3	Converting bamboo end walls and gable into masonry lines of Dhari Battalion.	6,019	3,762
4	Constructing a new block of lines at Dhari	8,681	1,748
5	Do. Quarter guard do.	5,483	763
6	Constructing Military Hospital at Dwarka	15,656	8,617
7	Wahiwatdar's Cutchery at Kalol	49,340	9,651*
8	Constructing Munsiff's Court at Kodinar	11,041	37
9	Do. Police Sowars' Lines at Amreli	12,298	5,565
10	Laxmivilas Palace	23,90,065	9,45,291
11	Additional storey over Kadhayi Khana and a new staircase for Radhabai Saheb's Palace.	5,568	4,023
12	Wada at Kaolana in the Nasik District	48,031	80
13	Municipal Office at Baroda	56,606	28,675
14	School-house at Dabhoi	22,356	20,495
15	Do. at Savali	14,449	6,283
16	Do. in Raopoora, Baroda	57,529	2,316
17	Suspension bridge on Bhooki Nala	5,887	2,350
18	Club House at Baroda.....	9,000	3,060
19	Library at Petlad	6,996	950
20	Public Offices at Nowsari	1,12,667	1,06,581
21	Vishwamitri River Bund	29,968	19,911*
	Total.....Rs.	28,80,462	11,73,886

* This work has been suspended.

293. In addition to the works executed through the Public Works Department, some petty works, which did not require engineering skill, were executed by the Revenue and other Departments, and they have not been included in the outlay of the Public Works Department. The aggregate cost of such works is Rs. 1,32,114.

294. The work of the Laxmivilas Palace is making steady progress, which is, however, necessarily not rapid, owing to the nature of the work.

295. The new College which has since been occupied was completed by the end of the year under report.

296. The Municipal Offices also approached completion at the close of the year.

297. The new Public Offices at Nowsari, which were very nearly completed at the close of the year under review, are an ornament to the town, for which credit is due to the Public Works Department.

298. In the year under report, two schemes for water-supply to the City of Baroda were proposed, viz., (I.) Muwal Tank Scheme; (II.) Meni Lake Scheme. Mr. Jagannath Sadasivji, the Engineer in charge, was, at the end of the year, engaged in drawing up his report on the latter scheme.

299. A new light-house was constructed on the Sayani Island near Beyt, and that at Modwa in the Kodinar Taluka was put in better order. These two light-houses are useful to the shipping plying between Bombay and the North-Western Coast.

Public Park.

300. This public institution, which is more and more appreciated by the public, has been kept up in good order. To the other attractions of the place, an aviary was added during the year under report.

301. The total expenditure in connection with the maintenance and improvement of the Park was as follows:—

Improvement	Rs.	16,759
Maintenance	,,	23,549
Miscellaneous	,,	103
Total.....	Rs.	40,411

302. The usual Statistical Statements are given in the Appendix.

Municipalities.

303. The following is a comparative statement of expenditure incurred on account of Municipalities in the year under report and in the previous year:—

	1881-82.	1882-83.
1. Baroda City Municipality.....	2,59,734	2,47,296
2. Town Municipalities in the Districts	67,306	74,619
Total...Rs.	3,27,040	3,21,915

Baroda City Municipality.

304. The following statement shows the details of the expenses of the Baroda City Municipality:—

Items.	1881-82.	1882-83.
	Rs.	Rs.
Office establishment	15,713	18,353
Inspectors and surveyors	5,561	6,542
Conservancy	62,167	64,232
Road repairs	39,158	41,891
Watering roads	24,405	24,748
Lighting	26,878	20,013
Fire establishment	4,799	5,622
Clearing wells and tanks	2,197	2,278
Planting of trees	3,556	3,542
Dead-stock and live-stock	12,038	2,333
Buildings and repairs	53,364	56,507
Miscellaneous	9.898	1,235
Total.....Rs.	2,59,734	2,47,296

305. The following comparative table of expenditure under the various headings for five years, exclusive of the year under report, is interesting, as showing the gradual development of the working of the City Municipality:—

Items.	1877-78.	1878-79.	1879-80.	1880-81.	1881-82.
	Rs.	Rs.	Rs	Rs.	Rs.
Office establishment	12,117	12,836	13,837	13,958	15,713
Inspectors	3,085	3,971	5,366	5,124	5,561
Conservancy	51,162	54,103	58,762	58,360	62,167
Road repairs	22,887	30,890	57,226	35,494	39,158
Watering roads	16,760	17,761	23,299	20,548	24,405
Lighting	14,993	13,092	36,601	14,663	26,878
Fire establishment	4,006	4,135	5,517	4,644	4,799
Clearing wells and tanks	4,348	2,249	1,507	2,313	2,197
Planting trees	3,708	3,667	3,815	3,405	3,556
Dead-stock	29,365	16,198	13,767	16,770	12,038
Buildings and repairs	4,638	18,685	29,925	53,724	53,364
Miscellaneous	2,720	1,753	1,173	4,057	9,898
Public square	...	...	128	...	...
Triumphal arches, &c.	...	...	7,726	...	...
Total.....Rs.	1,69,789	1,79,334	2,52,639	2,32,960	2,59,734

306. Illuminations on the occasion of His Highness' assumption of powers entailed greater expenditure under the head of Lighting in the year 1881-82. Hence the figures under that head in 1882-83 show a decrease.

307. The decrease in the cost of dead-stock does not need any remark, as it is not a recurring item.

308. The decrease under the head of "Miscellaneous" is also owing to higher expenditure under that head in 1881-82, on account of the cost of triumphal arches, decorations, &c., executed by the City Municipality on the occasion referred to in the preceding para.

309. The principal articles of dead-stock maintained at the end of the year for the use of the City Municipality are shown in the following table. The articles that remained in the stores at the end of 1881-82, and those that were purchased during the year under report, are given separately:—

No.	Items.	Dead-stock which remained on hand on 31st July 1882.	Dead-stock purchased during 1882-83.	Total.	Remarks.
1	Fire engines	44	.....	44	
2	Carts of all kinds	195	.....	195	
3	Lamp-posts, iron and others	1,814*	200	2,010	* 4 sold.
4	Bracket lamps	314	.....	314	
5	Fire Tanks	47	.....	47	
6	Dust-bins	609	.....	609	
7	Urinals	105	.....	105	
8	Rollers, stone and iron	10	.....	10	
9	Sign-boards	594	.....	594	
10	Cages for trees, wooden and iron	814	43	857	
11	Mud-scrapers	60	.....	60	
12	Cast-iron pipes	188	.....	188	
13	Porcelain pipes	21	.....	21	
14	Jack-screw	1	.....	1	
15	Wheel-barrows	20	.....	20	
16	Fire-escape	1	.....	1	

310. The health of the city was generally good during the year under report, and there was no epidemic of any kind worth noticing.

311. One hundred and seventy seven wells and twenty three tanks were cleared, and 33 wells were repaired during the year under report, the corresponding figures for the previous year being 154 wells (cleared) and 63 wells and 2 tanks (repaired). Four new wells were constructed during the year under report.

312. There were in all 24 fires in the city during the year, causing damage to the extent of about Rs. 5,940, as against 25 fires resulting in damage worth Rs. 28,200 in the previous year.

313. Sixty five main roads and streets about 23 miles in length were watered during the year under report, as against 43 main roads and streets 17 miles in length in the previous year.

314. The following is a comparative statement of expenditure for the past two years:—

Items.	1881-82.	1882-83.
	Rs.	Rs.
Public health	92,351	89,631
Public safety	36,420	28,868
Public convenience	27,058	27,099
Public communication	81,149	72,353
Establishment	22,756	25,685
Miscellaneous	.....	3,660
Total.....Rs.	2,59,734	2,47,296

District Municipalities.

315. There are in all 26 District or Town Municipalities in this territory, and their main work is conservancy.

316. The total expenditure during the year under report on account of the Town Municipalities in the districts was Rs. 74,619; that of the previous year was Rs. 67,306.

317. The following statement shows the total expenditure incurred in connection with the Town Municipalities in the districts :—

Names of Towns.	Sanction.					Expenses.	
	Grant.			Municipal receipts.	Total.	1881-82.	1882-83.
	Annual.	Special.	Last year's savings.				
Kari Division.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	Rs.
Kari	4,250	97	402	56	4,805	3,829	4,313
Visnagar	4,750	97	242	22	5,111	4,159	4,512

Total	9,000	30	445	229	9,704	8,636	7,787
Grand Total...Rs.	67,074	11,447	19,933	6,319	1,04,773	67,306	74,619

318. An analysis of the expenditure in the case of Municipalities showing a considerable increase in the expenditure in the year under report shows that the increase is principally in the following items:—

Conservancy.
Lighting.
Watering.
Establishment.
Public works.
Dead-stock.

319. The above expenditure does not include charges for schools, dispensaries, police, &c., which are defrayed directly by the State.

320. As compared with the previous year, the District Municipal expenditure during the year under report stands thus:—

No.	Names of Divisions.	1881-82.	1882-83.	Increase.	Decrease.
		Rs.	Rs.	Rs.	Rs.
1	Kari	31,238	36,290	5,052	.....
2	Baroda	14,397	15,515	1,118	.....
3	Nowsari	13,035	15,027	1,992	.....
4	Amreli	8,636	7,787	.....	849
	Total.....Rs.	67,306	74,619	8,162	849

RAILWAYS.

321. The following lines of His Highness the Gaekwar's State Railways were at work during the year under review:—

		Miles approximately.
From Dabhoi to	Meagaum.....	20
,, ,,	Chandode.....	$10\frac{3}{4}$
,, ,,	Bahadarpur.....	$9\frac{3}{4}$
,, ,,	Vishwamitri Junction...	19
	Total ...	$59\frac{1}{2}$ miles.

322. The total capital authorizations up to the 30th June 1883 amounted to Rs. 13,81,711 and the actual expenditure up to that date was Rs. 12,53,590.

323. The total of the capital contributions up to the end of the calendar year 1882, (including the sale proceeds of old materials amounting to Rs. 15,309), was Rs. 13,35,309 and the total expenditure on capital account was Rs. 12,52,277. Thus the balance available for further expenditure on 1st January 1883 was Rs. 83,032. This balance includes Rs. 23,763, the value of stores in the hands of the B. B. and C. I. Railway Company.

324. The expenditure during the calendar year 1882 on capital account was Rs. 12,908, incurred principally on:

Reconstructing Dabhoi Station.

Baroda extension, ballast and permanent way.

Police and pointsmen's quarters at Ten Talav Station.

325. The following statement shows the general results of the working of our open lines for the calendar year 1882, as compared with the figures for the years 1881 and 1880:—

	Totals for 1880, 58 miles open.	Totals for 1881, 59½ miles open.	Totals for 1882, 59½ miles open.
	Rs.	Rs.	Rs.
Gross earnings	1,28,825	1,41,233	1,44,022
Expenses	63,687	92,384	97,275
Net profit	65,138	48,849	46,747
Return per annum on capital invested	5·67	3·94	3·73

326. There was thus an increase of Rs. 2,789 or two per cent. more on the realizations for the preceding year. But on the other hand, there was an increase of Rs. 4,891 in the cost of working, the result being a net decrease of Rs. 2,102, equivalent to 4 per cent. on the net earnings for the last year.

327. The following statement shows the gross earnings under their main heads, as compared with those for 1881 :—

Main Heads.	1881.	1882.	1882.	
			Increase.	Decrease.
	Rs.	Rs.	Rs.	Rs.
Coaching Traffic	85,436	88,385	2,949	.....
Goods Traffic	53,924	55,216	1,292	.....
Sundries	1,873	421	.....	1,452
Total	1,41,233	1,44,022	4,241	1,452
Net increase in 1882	.....	.....	2,789	.....

328. The following statement shows the total number of passengers carried during the year 1882, and the two preceding years:—

Class.	Totals for 1880.	Totals for 1881.	Totals for 1882.
Upper	2,212	2,568	2,976
Lower	212,211	269,447	277,036
Total	214,423	272,015	280,012

329. The earnings derived from the above mentioned passengers are shown below:—

Class.	Totals for 1880.	Totals for 1881.	Totals for 1882.
	Rs.	Rs.	Rs.
Upper	1,557	1,851	2,113
Lower	62,773	81,178	83,335
Total.....Rs.	64,330	83,029	85,448

330. It will be observed from the above statement that the improvement in the coaching traffic occurred for the most part in the receipts from the lower class.

331. The following is a statement of goods traffic for the year under review, and the two preceding years:—

	Totals for 1880.	Totals for 1881.	Totals for 1882.
Tons	29,169	35,750	32,112
	Rs.	Rs.	Rs.
Earnings therefrom	47,449	53,925	55,216

332. The slight increase in the receipts from the goods traffic, as compared with the figures for the last year, was occasioned by the increased quantity of grain carried during the year under report.

333. There was a falling off in the sundry earnings during the year, and this was due to the receipts under this head in the previous years having been swollen by the hire of rolling stock to Railway contractors, who have since completed their work.

334. The working expenses for 1882 and the two preceding years, are given in the following table:—

Main Heads.	Totals for 1880.	Totals for 1881.	Totals for 1882.
	Rs.	Rs.	Rs.
Maintenance	15,632	33,842	43,355
Locomotive	24,730	28,750	25,403
Carriage and waggon	3,753	2,762	4,608
Traffic	13,956	20,410	16,176
General	5,616	6,620	7,453
Special and miscellaneous	.....	.....	280
Total.....Rs.	63,687	92,384	97,275

335. The total working expenses amounted to about 67 per cent. of the gross receipts against 65 per cent. in 1881 and 49½ per cent. in 1880.

336. The main reason for this increase was that the maintenance charges of the section from Dabhoi to Baroda were charged to the Revenue accounts, the same having been borne in the previous year by the contractors according to their agreement.

337. The lines were worked as in the previous years by the B. B. and C. I. Railway Company. The payments made to the Company for the management of the lines in the year under review, and the three preceding years, are noted below:—

	Rs.	a.	p.
1879	4,498	14	0
1880	7,078	12	0
1881	9,600	0	0
1882	9,600	0	0

338. The following table shows the details of rolling stock :—

Description.		Total stock authorized.	Total stock on the list at the end of 1882.	Actual stock in running order on 31st December 1882.	Remarks.
Engines		6	6	6	
Coaching Vehicles.	State saloons	2	2	2	
	Upper class	3	3	3	
	Lower class	18	18	18	
	Open waggons fitted with roofs and doors to carry passengers.	4	4	4	
Goods Vehicles.	Open waggons	155	155	155	
	Covered waggons	26	26	26	
	Timber trucks	6	6	6	
	Brake-vans	6	6	6	

339. The total outward and inward traffic dealt with in 1882, at each station, and also the cost of working each station, are shown in the subjoined table:—

No.	Stations.	Outwards.		Inwards.		Total outwards and inwards.	Cost of working each station.	Remarks.
		Coaching.	Merchandise.	Coaching.	Merchandise.			
		Rs.	Rs.	Rs.	Rs.	Rs.	Rs.	
1	Miyagam	2,556	375	2,425	2,826	8,182	2,900	
2	Karwan	1,845	891	1,539	2,018	6,293	964	
3	Mandalla	594	146	647	513	1,900	826	
4	Nulla	168	1,478	168	42	1,856	405	This station was opened for traffic on 5th February 1882, and closed on 21st May 1882.
5	Dabhoi	14,576	5,812	14,182	6,158	40,728	1,844	
6	Bhaderpur	6,858	22,638	6,763	3,559	39,818	1,543	
7	Vishwamitri	1,134	.....	1,094	.....	2,228	414	
8	Goa Gate	18,819	703	21,133	9,240	49,895	1,061	
9	Kilanpur	550	6	383	49	997	543	
10	Bhilapur	1,141	26	949	131	2,247	579	
11	Ten Talao	1,427	163	1,280	88	2,958	620	
12	Chandode	21,414	8,091	24,502	3,814	57,821	1,491	
13	Main Line	15,712	12,687	11,738	24,578	64,715	.....	
14	Excess Fares	331	.....	331	.....	662	.....	
15	Season Tickets	646	.....	646	.....	1,292	.....	
16	Hire of Sorting Vans	90	.....	90	.....	180	.....	
17	Specials	515	.....	515	.....	1,030	.....	
18	Rent, Demurrage, &c.	.....	313	.....	313	626	.....	
19	Platform Tickets	.....	.....	.....	.....	82	.....	
	Total.....Rs.	88,385	*53,329	88,385	*53,329	2,83,510	13,100	* Exclusive of Rs. 1,887 charged for carriage of revenue stores.

340. The total interest* on the capital outlay on the State Lines up to the end of the year under review amounted to Rs. 2,71,962; the total net revenue earned was Rs. 2,44,742, thus leaving a net deficit of Rs. 27,220 to be made good.

341. In addition to the expenses of management charged by the B. B. and C. I. Railway Company, a special grant of Rs. 50 per mensem was made an account of medical relief to the persons employed on this line.

342. As decided last year, a line of telegraph was constructed and opened for traffic between Miyagam and Dabhoi. Another line to connect the Vishwamitri Station with Dabhoi and the latter station with Chandode and Bhaderpur was sanctioned.

343. Authority was given to the B. B. and C. I. Railway Company to increase the strength of the Police as occasion may require with the limitation that the additional expense thus incurred was not to exceed Rs. 500 per annum.

344. Appendix **Ai** will show the principal commodities carried on the State Railways during the year.

The Baroda Cotton Spinning and Weaving Mill.

345. The foundation of this Mill was laid in May 1882. It is a fact regretted by all well-wishers of India that most of its old arts and industries have decayed, and that but few new ones have been introduced into the country. Of these few, the manufacture of cotton cloth by machinery is by far the most important. The Maharaja from the outset of his career had perceived the absence in the Baroda territory of any industrial institution on a large scale, and finding that the fact was due, in a great measure, to the conservative ideas of the people, His Highness resolved to start a State Mill as an example to capitalists. By the end of the year under report, the building was completed and equipped with the necessary engine, and spinning and weaving machinery. To this was added a ginning factory working 40 gins. 10,328 spindles and 104 looms with all the requisite machinery were erected. The building and the engine are, however, capable of receiving and working a much larger machinery.

346. The cost of the main and subsidiary buildings was Rs. 1,79,500, and that of the machinery, including the engine, Rs. 3,63,500.

Education.

347. The following is a comparative statement of the total expenditure of the Educational Department during the year under retrospect and the three preceding years.

* At 4½ and 4 per cent.

	Expenditure in Local Currency.				Remarks.
	1879-80	1880-81	1881-82	1882-83	
	Rs.	Rs.	Rs.	Rs.	
Baroda High School and College.	33,114	36,009	41,385	48,142	
Sirdars' School	.....	.....	.....	3,784	This School was opened on the 4th December 1882.
Anglo-Indian Institution	3,744	4,033	3,937	2,276	This institution was closed on the 31st December 1882.
Anglo-Vernacular Schools.....	4,165	4,581	5,195	5,757	
Grant-in-aid to the Nowsari Zartosti Madressa.	2,600	2,600	2,600	2,600	
Grant-in-aid to the Gandevi School.	400	600	780	840	
Grant-in-aid to the Dadabhai Cowasji Tata Anglo-Vernacular School at Nowsari.	.....	.....	75	300	
Vernacular Schools	81,293	96,805	1,06,818	1,25,004	
Vernacular College of Science...	12,279	11,821	10,334	.....	
Educational Buildings	76,559	2,77,898	1,71,491	*2,23,750	* This item has also been included in the Public Works Department expenditure.
Total.....Rs.	2,14,154	4,34,347	3,42,615	4,12,453	

348. Excluding the expenditure under the head of educational buildings, the total expenditure for the year comes to Rs. 1,88,703, as against Rs. 1,71,124 for the last year. Very nearly three-fourths of this increase is attributable to the opening of new vernacular schools. No expenditure on account of the Vernacular College of Science is shown during the year under report, as this institution was abolished in the latter part of the previous year. This has caused a saving of about Rs. 10,334, which was the amount expended over it in the year 1881-82.

Baroda College and High School.

349. The staff of the College and High School at the end of the official year consisted of—

1 Principal.
1 Vice-Principal.
22 Assistant Teachers.
1 Gymnastic Master.
1 Writing Master.
1 Laboratory Assistant.

27 in all.

350. Of the 22 Assistant Masters one is an M. A., six are B. As., one F. E. A., and fourteen are Matriculated students.

351. Four Assistant Masters were added to the permanent staff during the year.

352. The following statement shows the number of students on the rolls for the month of July 1883, and for the corresponding months in the seven preceding years.

	1876	1877	1878	1879	1880	1881	1882	1883	Remarks.
College	...	...	...	...	...	...	28	44	
Upper School ...	56	85	102	100	105	143	180	219	
Lower School ...	172	241	225	273	270	284	416	430	
Total.....	228	326	327	373	375	427	624	693	

353. It will be observed from the above statement that there has been an increase during the year in the number of students attending the High School and College. As regards this increase, Mr. Tait, the Principal, observes as follows :—

"The increase in all the departments is well marked, but especially so with regard to the College and Upper School."

"The total increase during the year has been 69, which is very satisfactory, because I was under the apprehension that the enormous increase of the year before (from 427 to 624) could scarcely be sustained. Not only has that number been sustained, but we have even increased our number by 69."

354. The expenses and fee collections of the College and High School during the year under review compare as follows with the figures of 1881-82 :—

	1881-82.	1882-83.
	Rs.	Rs.
Expenses.....	41,385	48,142
Fee collections	2,760	3,861

355. Deducting the amount of fee collections from the total of ordinary expenses, the annual average cost of educating each pupil was Rs. 81-14-6. In the year before, the average cost was Rs. 90-11-3, while in the year 1880-81 it was Rs. 109-8-10. Thus, it will be seen that the average cost has been steadily decreasing.

356. The previous examination of the University of Bombay was held in November 1882, when 8 of our students succeeded in passing the examination.

357. Ten students from the Baroda High School succeeded in passing the Matriculation Examination of the University of Bombay, held in November 1882.

358. Of these 10 students, 7 joined the College class, and to 5 of them scholarships worth Rs. 5 per mensem were awarded.

359. There were during the year 6 students holding Sirkar Scholarships of Rs. 20 per mensem each, and prosecuting their studies at other colleges affiliated to the University of Bombay.

360. The annual prize distribution took place on the 17th of August 1883, the prizes being presented by His Highness the Maharaja.

361. The following statement shows the number of students in the School and College, the nationalities of the students, the number studying different languages, the average daily attendance, and the monthly rate of School fee:—

Name of Institution.	Number of students of each denomination.					Average daily attendance.	Number studying each language.					Monthly rate of fee.
	Hindus.	Mahomedans.	Parsis.	Others.	Total.		English.	Marathi.	Guzerathi.	Sanscrit.	Persian.	
1	2	3	4	5	6	7	8	9	10	11	12	13
Baroda College and High School.	School 603 College 33 } 641	School 13	School 33 College 6 } 39	.....	School 640 College 44 } 693	517·45	693	302	336	School 173 College 38 } 211	School 73 College 6 } 79	College 2-8-0 Upper School 1-0-0 Lower School 0 8-0

362. The number of books in the School Library is shown in the following table :—

1877	274
1878	325
1879	431
1880	517
1881	596
1882	692
1883	760

363. The prize fund remained the same as in the last year.

364. During the year, subscriptions were raised in order to found a Memorial commemorative of Mr. Melvill's connection with this State. The amount subscribed has been invested in British Government Promissory Notes and made over to the Bombay University on the condition that the interest accruing therefrom is to be devoted to the grant of a scholarship of Rs. 20 per mensem, tenable for 2 years, to the candidate from the Baroda College, who may obtain the highest number of marks at the previous examination.

Anglo Indian Institution.

365. For the reasons given in last year's report, this institution was closed in the year under review.

366. A similar institution has, however, been established in the Baroda Cantonment, and it was deemed desirable to contribute partly towards its maintenance. The arrangement entered into is that the expenses are to be borne in equal proportions by the British Government and this State, but that this State is not to be called upon at any time to pay more than 150 Rs. per mensem, and is to have the option of discontinuing its contribution if it appears that the school is not availed of by the class for whom it is intended, viz., the children of the European and Eurasian Officers in the service of this State.

367. The school is open to all other European and Eurasian children, besides those of the class just referred to.

368. Its management is entrusted to a local board.

369. Mrs. O'Byrne was engaged as mistress of the school during the year, and the number of pupils of both sexes attending the school was 18 at the close of the year. The fee charged per head is one rupee.

Sirdar School.

370. An important educational measure of the year was the establishment of a shool at the capital, exclusively for the education of the sons ot the Sirdar and other higher classes.

371. Soon after His Highness had assumed powers, the state of these classes in the matter of education attracted his attention. They had hitherto held aloof from the ordinary schools. This disinclination was due to an exaggerated idea of their own importance. His Highness therefore rather than leave these classes without education, ordered the establishment of a special institution for them to be called the Sirdar School, which came into existence in 1882.

372. Its object at present is not to impart high literary or scientific instruction, but education of a practical kind which would enable the next generation of Sirdars, &c., to manage their own affairs and perform their duties towards the Sirkar in an efficient and intelligent manner. The station they are expected to fill hereafter also requires that their physical development should receive particular attention, and to this end the necessary arrangements have been made to provide for training in horsemanship and other physical exercises. In the beginning much result cannot be expected from such an institution. Looking, however, to the short period for which the school was at work during the year under report, the result appears to be fair.

373. The school is at present under the charge of Mr. K. M. Jogleker, M.A., as Head Master, and Mr. Tait, Principal of the Baroda College, has been entrusted with supervision over it.

374. The staff of the school exclusive of the Head Master consists of—

1 First Assistant Master.
1 Marathi Teacher.
1 Guzerati Teacher.
1 Urdu Teacher.
1 Marathi Assistant.

Teachers have been provided for the different languages, as the scholars have not one common vernacular.

375. The following table gives the necessary details about the number of students, average attendance, and the charges on account of this school:—

Name of Institution.	When established.	Number of pupils on the rolls at the end of the official year.				Average daily attendance.	Charges.			Remarks.
		Hindus.	Mahomedans.	Others.	Total.		Ordinary.	Extraordinary	Total.	
Sirdar School.	December 4th, 1882.	30	16	...	46	35·5	3,535-6-6	248-12-0	3,784-2-6	

376. In addition to the above expenditure, there has been a large outlay for furniture, gymnastic apparatus, &c.

377. The School is divided into Guzerati and Marathi departments; both are sub-divided into four classes, so that there are eight classes in all.

378. The number of boys studying each language is as follows:—

English	11
Guzerati	21
Marathi	25
Hindustani	8

379. In addition to reading and writing, instruction is given in arithmetic, history and geography. Accounts have also been introduced as a subject of study.

380. The boys devote an hour every day to athletic pursuits.

Anglo-Vernacular Schools.

381. There were Anglo-Vernacular schools at the following towns during the year under review:—

1 Petlad.
2 Sojitra.
3 Dabhoi.
4 Kadi.
5 Pattan.
6 Sidhpur.
7 Amreli.
8 Visnagar.

382. The last school was opened during the year under report.

383. The following table gives the necessary information about the number of students in the Anglo-Vernacular schools, their castes, their average attendance, &c.:—

Names of places where schools have been opened.	Number of pupils at the end of the year.					Average daily attendance.	Rate of school fee.	Fee collections.	Monthly cost of establishment.	Annual cost including all charges.	Annual cost of educating each pupil.
	Hindus.	Mahomedans.	Parsees.	Others.	Total.						
								Rs.	Rs.	Rs.	Rs. a. p.
Petlad	72	3	...	...	75	52	Annas 4, Babashai	183	117	1,085	17 6 9
Sojitra	61	...	...	...	61	43	Do.	162	57	677	11 13 6
Dabhoi	32	...	...	...	32	29	Do.	108	60	702	20 3 3
Kari	36	...	...	...	36	30	Annas 4, British	119	67	752	20 14 6
Pattan	30	...	...	...	30	28	Do.	101	67	729	22 9 3
Sidhpur	36	...	...	...	36	23	Do.	102	62	457	15 10 3
Amreli	59	1	...	...	60	39	Annas 2, British	76	67	703	15 15 9
Visnagar	40	...	...	...	40	27	Annas 4 do.	96	67	652	14 3 3
Total	366	4	...	...	370	271	...	947	564	5,757	17 5 6

384. The total number of students who attended the Anglo-Vernacular schools was 92 more than that of the preceding year.

385. This satisfactory increase is attributable partly to the establishment of the new school at Visnagar, and partly to the increase in the number of pupils in the schools at Petlad, Sojitra and Amreli.

386. All the teachers engaged in these schools are matriculated students.

387. The annual average cost of educating each student was Rs. 17-5-6, as against Rs. 22. in the previous year.

388. The Anglo-Vernacular schools sent 29 students during the year to the High School, as against 42 in the last year. This decrease is attributed by Mr. Tait to the raising of the standard of the Petlad Anglo-Vernacular School from the 3rd to the 4th.

Sir Cowasji Jehangir Nowsari Zartosti Madressa.

389. This school continues to receive a grant-in-aid of British Rs. 2,600 per annum from His Highness' Government.

390. The staff of this school consists of—

2 B. As.
2 F. E. As.
1 Matriculated student.
1 Zend Teacher.
1 Gymnastic Master.

391. The following table gives the necessary details about the number of students, average attendance, rate of fee, and the cost of educating each pupil:—

Name of Institution.	Number of pupils at the end of the official year.					Average daily attendance.	Monthly rate of school-fee.	Annual cost.	Cost of educating each pupil per annum.
	Hindus.	Mahomedans.	Parsees.	Others.	Total.				
							As.		Rs. a. p.
Sir Cowasji Jehangir Nowsari Zartosti Madressa.	28	...	63	...	91	67	8	British Rupees 5,461.	74 8 6

392. Compared with the preceding year, the number of boys in the school has increased by about 36 per cent., and the average cost of educating each pupil has consequently diminished.

393. At the Matriculation examination of the University of Bombay, held in November 1882, four students from this school passed as against one in the previous year.

Gandevi English School.

394. This school received a grant-in-aid of British Rs. 70 per mensem during the official year.

395. The teaching staff consists of three teachers, who are matriculated students of the University of Bombay.

396. The following table gives the necessary details about the number of pupils, their sects, average attendance, rate of fee, and the cost of educating each pupil :—

Name of Institution.	Number of students on the rolls at the end of the official year.					Average daily attendance.	Monthly rate of fee.	Annual cost.	Cost of educating each pupil.
	Hindus.	Mahomedans.	Parsees.	Others.	Total.				
									Rs. a. p.
Gandevi English School	20	...	40	...	60	50	Re. 1 As. 8 As. 4	Rs. 1,777	34 7 6

The Dadabhai Cowasji Tata Anglo-Vernacular School at Nowsari.

397. A grant-in-aid of Rs. 300 was granted to this school during the year.

398. The following table gives the necessary details about the number of pupils in the school, their sects, average attendance, rate of fee, and the cost of educating each pupil :—

Name of Institution.	Number of students on the rolls at the end of the official year.					Average daily attendance.	Monthly rate of fee.	Annual cost.	Cost of educating each pupil.
	Hindus.	Mahomedans.	Parsees.	Others.	Total.				
							As.	Rs.	Rs. a. p.
The Dadabhai Cowasji Tata Anglo-Vernacular School.	4	2	175	...	181	142	8	1,649	10 12 0

Vernacular Schools.

399. Mr. Bhogilal Pranvallubhdass continues to be the Director of Vernacular education in these territories.

400. The number of the Vernacular and Sanscrit schools, and that of the boys and girls attending them at the close of the year were as follow:—

Class of School.	Number of schools.		Number of boys and girls.	
	1881-82.	1882-83.	1881-82.	1882-83.
1	2	3	4	5
Government	181	203	19,211	22,396
Aided indigenous	23	21	1,492	1,250
Total.....	204	224	20,703	23,646

401. The number of Government schools, and the number of scholars attending them show a perceptible increase, while there has been a falling off of two in the indigenous schools, and of 242 in the pupils attending them.

402. Of the Government schools, 17 are girls' schools, and their aggregate average attendance was 1,411, which is more than the figure for the last year by 465 or 49 per cent. The average daily attendance was 800, against 532 in the last year.

403. The schools may be variously classified as follows:—

1st—According to Grade.

No.	Grade.	1881-82-		1882-83.	
		Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Superior	33	7,882	48	10,729
2	Middling	104	9,911	116	10,418
3	Inferior.....	65	2,910	60	2,499
	Total.....	204	20,703	224	23,646

2nd—According to the Languages taught.

No.	Language	1881-82.		1882-83.	
		Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Guzerathi	164	18,194	183	20,894
2	Marathi	18	1,346	19	1,439
3	Sanscrit	11	269	11	251
4	Urdu	11	894	11	1,062
	Total	204	20,703	224	23,646

3rd—According to the Districts in which they are situated.

No.	District.	1881-82.		1882-83.	
		Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Kari	64	6,221	73	8,085
2	Baroda Division — Baroda City	24	2,440	26	2,645
	Baroda Division — „ District.	58	7,243	63	7,855
3	Nowsari	26	2,478	30	2,962
4	Amreli Division — Amreli	19	1,518	19	1,270
	Amreli Division — Okhamandal	13	803	13	829
	Total	204	20,703	224	23,646

404. The 26 schools of the city of Baroda were as shown below:—

No.	School.	1881-82.		1882-83.	
		Number of schools.	Number of scholars.	Number of schools.	Number of scholars.
1	Sanscrit	9	235	9	206
2	Marathi	6	802	6	856
3	Guzerathi	5	1,083	5	1,162
4	Urdu	1	135	5	314
5	Girls' Schools	3	185	5	314
	Total	24	2,440	26	2,645

405. The average number of scholars throughout the year was 22,637 against 19,579 in the preceding year, and 1,642 in the year before the last.

406. The following table shows the numbers and percentages of pupils belonging to each community:—

No.	Section of the Community.	1881-82.		1882-83.	
		Number.	Percentage.	Number.	Percentage.
1	Brahmins	4,742	24·3	5,340	23·6
2	Banias	3,909	19·9	4,197	18·5
3	Kanbis	3,604	18·4	4,004	17·7
4	Kolies, Bheels, &c.	.....	.....	1,056	4·7
5	Other Hindus	.....	.....	4,700	20·8
6	Mahomedans	2,018	10·3	2,218	9·8
7	Other Creeds	5,306	27·1	1,122	4·9
	Total.....	19,579	100·	22,637	100·

407. As regards expenditure the following statement compares the figures of the year under review with those of the preceding year:—

No.	Head of Expenditure.	1881-82.		1882-83.	
		Amount of Grant.	Amount expended.	Amount of Grant.	Amount expended.
		Rs.	Rs.	Rs.	Rs.
1	Direction	11,388	10,588	11,903	11,582
2	Inspection	7,650	6,970	8,039	7,797
3	Special Examiners	240	240	118	118
4	Sanscrit Supervision	1,248	1,248	1,248	769
5	Do. Library	439	408	528	528
6	Baroda Central Book Depôt	.....	.....	1,104	1,074
7	Instruction	89,317	81,912	1,04,023	94,027
8	Contingencies	6,605	4,389	10,434	7,890
9	Grants-in-aid	1,200	555	950	638
10	Special Scholarships	.....	.....	274	237
11	Assignment for the purchase of new Vernacular books published by way of encouraging literature	1,000	508	1,000	344
	Total.....	1,19,087	1,06,818	1,39,621	1,25,004

408. Thus the expenses during the year exceeded those of the preceding year by Rs. 18,186, and those of the year before last by Rs. 28,199.

409. Rs. 3,370 were spent on account of prizes, as against Rs. 2,630 in the preceding year. Besides this prizes and sweetmeats of the value of Rs. 2,306 were distributed to the various schools by private visitors.

410. The fee collections during the year amounted to Rs. 15,773 as against Rs. 14,388 in the last year. The particulars of the collections are as follows :—

No.	District.	1881-82. Amount.	1882-83. Amount.
		Rs.	Rs.
1	Baroda City	1,438	1,589
2	Baroda Division	5,604	5,821
3	Nowsari do.	1,704	1,748
4	Kari do.	4,398	5,398
5	Amreli do.	769	705
6	Okhamandal	475	452
	Total	14,388	15,773

411. The total expenses may be summed up as follows:—

No.	Item.	1881-82. Expenditure.	1882-83. Expenditure.
		Rs.	Rs.
1	Instruction, Direction, &c.	1,06,818	1,25,004
2	School-houses	16,207	.....
	Total	1,23,025	.....
	Deduct amount of fees	14,388	15,773
	Net Total	1,08,637	.....

412. The following statement shows the number of Vernacular schools, the number of students attending them, and the amount of expenditure during the year 1882-83 and the 11 preceding years. It will give an idea as to how the system has developed since its introduction in 1871-72:—

No.	Year.	Number of Schools.	Number of Scholars.	Amount expended in Babashai Rupees.
1	1871-72	5	822	13,303
2	1872-73	34	2,268	15,350
3	1873-74	32	2,233	21,674
4	1874-75	55	4,599	26,560
5	1875-76	70	6,478	32,605
6	1876-77	104	11,172	63,190
7	1877-78	105	11,454	66,876
8	1878-79	105	10,691	70,606
9	1879-80	145	13,380	81,293
10	1880-81	180	17,465	96,805
11	1881-82	204	20,703	1,06,818
12	1882-83	224	23,646	1,25,004

413. I have above stated the provision which has been made by His Highness for the education of the Sirdars and other higher classes. The Maharaja's attention was equally attracted to the ignorant and degraded state of the lowest classes of his subjects—classes which had hitherto been almost entirely neglected in the matter of education. His Highness therefore during the year under report ordered the opening of additional schools at the places noted in the margin, specially for the children of Kolees, Waghers and cognate classes. At the same time a special school was, as an experimental measure, opened at Pattan for the children of Dheds, Bhungies, &c., against whom caste prejudices are so strong, that they could not be admitted in the schools opened, as above stated, for Kolees and others. The attendance in this school at the end of the year was encouraging, being 40.

Kari Division.
Kathwada.
Dabhoda.
Saij.
Baroda Division.
Desae.
Nowsari Division.
Wav.
Ghalla.

414. With the object of drawing large numbers to these low class schools, the pupils have been exempted from the payment of

the usual fees, and they have been provided with the necessary books, slates and other things required by school-going children. This measure has met with encouraging success, as will appear from the following comparative statement:—

Years.	Kolees.	Bheels.	Waghers.	Dhanka.	Vaghers.	Dubla.	Bowcha.	Muchis.	Dheds.	Others.	Total.
1882-83	878	48	15	38	11	65	...	237	40	25	1357
1881-82	464	15	6	89	7	28	3	202	...	2	816
Increase	414	33	9	...	4	37	...	35	40	23	541
Decrease	...	...	...	51	...	...	3	...	...	...	...

415. The development of these schools has received due attention, but the matter pertains to subsequent years.

416. *Book Depôt.*—A sum of Rs. 7,000 remained with the Director as a permanent advance towards the purchase of books to be kept in stock.

417. The following is a comparison of the stock in hand on the last day of the year under report, with that on the last day of the preceding year:—

	No. of books. in the Depôt.	Price. Rs.
On the 31st of July 1883.....	55,607	14,961
Do. do. 1882.....	54,011	11,881

418. The following statement shows the number and value of books sold during the year, and the four preceeding years:—

Year.	Number of books sold.	Value of books sold.	Remarks.
		Rs. a. p.	
1878-79	28,099	6,455 5 9	
1879-80	26,307	5,825 11 1	
1880-81	33,796	8,219 2 11	
1881-82	44,498	10,433 12 1	
1882-83	62,961	13,616 11 1	

419. *School-buildings.*—The following statement shows the details of the expenses incurred under this head in the year under review:—

Names of Works.	Previous Expenditure.	Expenditure during the year under report.	Total Expenditure.
	Rs.	Rs.	Rs.
New College, Baroda	4,49,822	1,98,447	6,48,269
School-house at Sidhpur	25,195	1,638	26,833
Do. do. Dabhoi	14,713	5,782	20,495

Plank casing to masonry gallery in the School-house at Dehgam.	.....	144	144
Minor Works costing Rs. 500 and under, and repairs.	.....	966	966
Total.....	5,21,602	2,23,750	7,45,352

Baroda State Library.

420. There was no change in the constitution and management of this useful institution during the year.

421. His Highness' Government granted a further donation of Rupees (500) five hundred for the purchase of books.

422. During the year under retrospect, the new building for the State Library, designed by Major C. Mant, was occupied by the Institution, and a special grant of Rs. (650) six hundred and fifty was sanctioned by the State for the purchase of furniture for it.

423. On the 31st July 1883, there were in the Library—

1,485 English books.
577 Guzerati books.
531 Marathi books.
159 Sanskrit books.
143 Hindustani books.

2,895 in all, that is 404 books more than the number on the last day of the preceding year.

424. In addition to the papers and periodicals subscribed for by the Library, the State continued to send to it, for the benefit of the subscribers, several newspapers, journals, &c., ordered on Sirkar account.

Government Printing Press.

425. The total expenditure incurred during the year 1882-83 was Rs. 15,750 against Rs. 21,300 in 1881-82. The particulars of this expenditure are given below:—

		1882-83.	1881-82.
Establishment	Rs.	6,427	Rs. 6,452
Contingencies	,,	1,373	,, 1,437
Printing paper	,,	7,850	,, 11,930
Machinery, types, and other items	,,	100	,, 1,481
Total	Rs.	15,750	Rs. 21,300

426. There has thus been a decrease in expenditure of Rs. 5,550 in favour of the year under report, mainly in the items of printing paper and machinery. A large quantity of paper having been purchased at the close of last year, the expenditure on that item this year was necessarily smaller.

427. The work of printing was mostly in the Vernacular, and was of a miscellaneous character, having been indented for by Officers of all the departments of the State.

Medical Department.

428. The total strength of the Department, on the 31st of July 1883, consisted of 10 Officers, 49 Hospital Assistants of all grades, 36 Medical pupils, 1 Midwife, 1 Veterinary Surgeon, against 10, 46, 34, 1 and 1, respectively, in the previous year.

429. The following statement will show the strength and cost of the Medical Establishment as it stood at the close of the year under report:—

Division.	Establishment.	Cost in the month of July 1883, pay and contingencies.			Calculated yearly cost.		
		Rs.	a.	p.	Rs.	a.	p.
Baroda Division. (a) Baroda City.	Head Office	1,155	10	6	13,867	14	0

Division	Establishment.	Cost in the month of July 1883, pay and contingencies.	Calculated yearly cost.
		Rs. a. p.	Rs. a. p.
Amreli Division.	Amreli Civil Hospital	285 8 5	3,426 5 0
	Dwarka do.	301 2 9	3,614 1 0
	Okha Battalion do.	19 9 6	235 2 0
	Dhari do. do.	96 4 0	1,155 0 0
	Dhari Branch Dispensary	54 10 3	655 11 0
	Kodinar Dispensary	74 13 0	897 12 0
	Damnagar do.	39 5 9	472 5 0
	Beyt do.	83 12 4	1,005 4 0
	Manickwara do.	77 9 4	931 0 0
	Total	1,032 11 4	12,392 8 0
	Grand Total	8,038 10 2	96,463 10 0

430. The above amount of Rs. 96,463-10-0 was exclusive of the cost of medicines, instruments, furniture, buildings and pensions.

431. The total actual cost during the year, as compared with the previous year, may be summarized as follows:—

	1881-82. Mixed currency	1882-83. Mixed currency.
	Rs. a. p.	Rs. a. p.
Establishment	84,300 2 4	88,820 8 7
Medicines and Instruments	25,367 11 2	20,598 8 2
Contingencies	23,259 2 1	21,431 12 4
Buildings and Repairs	1,41,416 0 0	64,071 0 0
Total	2,74,342 15 7	1,94,921 13 1

432. Excluding the expenditure under the head of medical buildings, the total expenditure during the year comes to Rs.1,30,850-13-1, which is less by Rs.2,076-2-6 than that in the preceding year.

433. The decrease was chiefly due to (1) the cost of medicines, &c., being less than in the preceding year, and (2) to the expenditure for contingencies also being less than in the previous year.

434. There was an increase in the cost of Establishment of Rs. 4,520-6-3, due to the opening of new dispensaries, and to disbursements on account of previous year.

435. During the year the following additional institutions were opened, namely:—

2nd Class Dispensaries at

(1) Sankheda
(2) Kalol.

A 3rd Class Dispensary at

(3) Mohwa.

436. The special dispensary at Mastubag was closed on the 20th of April, and thus there were 12 hospitals, and 30 dispensaries in full working order.

437. There were no temporary medical agencies employed during the year under review.

438. The buildings for the Amreli Civil Hospital, Patan Civil Hospital, Sinore Dispensary, Karjan Dispensary, Bechrajee Dispensary, Visnagar Dispensary, and the bungalow for the Medical Officer in charge, Central Jail, quarters for the Hospital Assistant, and out-houses for the Vijapoor Dispensary, which were under construction in the previous year, were completed and received charge of by the Medical Department.

439. Buildings for the dispensary at Wadnagar, the Okha Battalion Hospital, and a bungalow for the Civil Surgeon at Kari, were under construction.

440. Although buildings for the dispensaries at Kathor, Songhar, and Vyara were sanctioned in the previous year, still they have not been commenced for want of suitable sites.

441. The value of Medical stores at the beginning of the year, together with that of purchases during the year, aggregated about Rs. 39,440, as against Rs. 41,338 for the last year. Issues in the year were of the value of about Rs. 20,814; the balance of stores left on hand at the end of the year was of the value of Rs. 18,449, and the wastage amounted to Rs. 176.

442. The total expenditure on account of the establishment attached to the stores and contingencies amounted to Rs. 2,893-15-9, as against Rs. 2,448-0-0 in the previous year.

443. The two passed students of the Vernacular College of Science, who attended the Medical Stores, Bombay, for obtaining scientific and practical training, returned after completing one year's course in Bombay, and are now attached to the Stores here.

444. The results of the work of the various medical agencies are shown below:—

Institution.	1881-82.			1882-83.			Increase.	Decrease.

Total	1,698	27,220	28,918	2,269	30,590	32,859	5,116	1,175
Grand Total	6,643	153,833	160,476	6,852	175,101	181,935	33,887	12,410

445. The following statement shows the results of the year, as compared with those of the previous year, in regard to the number of patients treated in all the institutions:—

Year.	In-door patients.	Out-door patients.	Total.
1881-82	6,643	1,53,833	1,60,476
1882-83	6,852	1,75,101	1,81,953
	Increase.	Increase.	Increase.
Difference	209	21,268	21,477

446. The increase in the number of in-door patients was due to the accommodation provided for them in the new buildings to which several of the institutions were removed.

447. The increase in the number of out-door patients was due to the establishment of new medical agencies and the increasing appreciation on the part of the people of the medical aid placed at their disposal by the State.

448. Of the total number treated 162,807 were cured, 15,576 absented, 337 died, and 3,213 were remaining under treatment at the close of the year, against 143,357, 14,367, 360 and 2,392, respectively, in the previous year. The ratio of death was 1·8 per mille against 2·2 in the previous year to the total number treated.

449. The daily average attendance was 227·27 of the in-door and 2431·41 of the out-door patients against 233·51 and 2489·3, respectively, in the previous year.

450. Of the total number treated 169,530 were from the civil population, as against 144,708 in the previous year.

451. The number of patients treated may be variously classified as follows:—

1st. According to caste—

	1881-82.	1882-83.
1. Hindoos	128,403	144,137
2. Mahomedans	24,482	27,172
3. Parsis	6,779	9,223
4. Christians	170	182
5. Other castes and creeds ...	642	1,219
Total...	160,476	181,933

2nd. According to sex—

	1881-82.	1882-83.
1. Males	91,799	100,545
2. Females	28,247	32,445
3. Children	40,430	48,943
Total...	160,476	181,933

452. The surgical operations performed at the several medical institutions, were :—

Year.	Major.	Minor.	Total.
1881-82	91	7,031	7,122
1882-83	133	7,583	7,716
	Increase.	Increase.	Net Increase.
Difference	42	552	594

453. The average cost of treating each patient, both in-door and out-door, was :—

	Rs.	a.	p.
In the year under report	0	12	4
In the previous year	0	12	9

454. The erection of a new General Hospital has been commenced.

455. The vaccination establishment remained the same as in the previous year.

456. The work done by the vaccination establishment is shown in the following table, as compared with that of the two preceding years:—

Year.	No. of vaccinators employed.	Total No. of persons vaccinated and re-vaccinated.	No. of persons successfully vaccinated.	Average No. vaccinated by each vaccinator.	Percentage of successful vaccinations to total No. vaccinated.	Average No. vaccinated per 1,000 of population.
1880-81	31	61,170	59,071	1,973	96·5	28·0
1881-82	31	66,934	64,777	2,159	96·7	30·6
1882-83	31	69,450	66,907	2,240·3	96·3	31·7

457. The sexes vaccinated were as follows:—

Year.	Males.	Females.	Percentage of females to males.
1880-81	32,111	29,059	90·4
1881-82	35,042	31,892	91·0
1882-83	36,556	32,894	89·9

458. The castes or creeds of the persons primarily vaccinated were as follows:—

Year.	Hindoos.	Mussalmans.	Parsis.	Christians.	Others.	Total primary vaccinations.
1880-81	52,022	4,285	70	9	3,682	60,968
1881-82	58,020	4,648	88	6	3,987	66,749
1882-83	58,942	5,421	186	17	4,533	69,099

459. The subjoined table gives the average number of persons vaccinated by each vaccinator in each of the four divisions:—

Name of Division.	No. of vaccinators employed.		No. of persons vaccinated and re-vaccinated.		Average No. of persons vaccinated by each vaccinator.		Increase.	Decrease.
	Years.		Years.		Years.			
	1882-83	1881-82	1882-83	1881-82	1882-83	1881-82		
Baroda Division...	11	11	20,518	18,821	1,865·2	1,711·0	154·2	...
Kari do. ...	10	10	31,024	31,312	3,102·4	3,131·2	...	28·8
Nowsari do. ...	6	6	10,968	10,320	1,828·0	1,720·0	108·0	...
Amreli do. ...	4	4	6,940	6,481	1,735·8	1,620·2	115·6	...
Total.....	31	31	69,450	66,934	2,240·3	2,159·1	377·8	28·8

460. The ages of the persons primarily vaccinated are shown in the following table as compared with those of the preceding year :—

Year.	Total number of primary vaccinations.	Ages.			Ratio per cent.		
		Under one year.	Between one and 6 years.	Above 6 years.	Under one year.	Between one and 6 years.	Above 6 years.
1881-82	66,749	55,168	11,194	387	82·7	16·8	0·5
1882-83	69,099	55,028	13,437	634	79·6	19·5	0·9

461. The increase in the total number of vaccinated is due to the better work done by the inspectors and vaccinators, besides the general health of the people was good.

462. The total cost of the vaccination establishment was as follows :—

Year.	Number of persons vaccinated and re-vaccinated.	Total cost in Babashai currency.	Total successful operations.	Average cost per successful operation.
		Rs.		Rs. a. p.
1881-82.....	66,934	13,553	64,777	0 3 4
1882-83.....	69,450	13,647	66,907	0 3 3
Difference ... Increase	2,516	94·00	2,130	.....
Difference ... Decrease.....	.....	.....	.....	0 0 1

463. The work done by the midwife is shown in the following table:—

Year.	Total number of obstetric cases.	No. of cases of tedious labor.	No. of cases of natural labor.	Issues.	
				Living.	Dead.
1881-82	69	54	15	54	15
1882-83	77	42	35	59	20

464. In one of these cases, craniotomy operation was resorted to for the delivery of a dead child.

465. The operations of the Veterinary Hospital are summarized below:—

Year.	Total No. of sick horses treated.	Number cured.	With-drawn.	Number died.	No. remaining under treatment at the close of the year.	Per-centage of cured to treated.	Per-centage of deaths to treated.
1881-82	1,360	1,250	...	34	76	91·9	2·72
1882-83	837	752	8	37	40	.....	4·4

466. The increase in the death rate is due to the prevalence of malignant fever which had such a high rate of death as 62·0 per cent. of the total number treated.

467. The decrease in the total number of sick horses was due to the transfer of some of the *kavkhanas* to the care of the old *salotries*.

468. The chemical analysis performed by the Chemical Analyser were as follows:—

Names of items examined chemically.	1882-83.
Human viscera	78
Articles of clothing with stains on	70
Weapons, sticks, &c., with do. do.	38
Articles of food	14
Samples of water	31
,, of soil	26
,, of opium	7
Crystals	14
Samples of mortar	1
Roots, seeds and leaves	5
Miscellaneous substances, such as powders, pills, &c.	45
Total	329

469. On the last day of the year, there were 435 works of reference available to the employés in the department. The same medical journals and periodicals, as in the last year, continued to be supplied.

470. In the Appendix will be found the usual statistical details.

PALACE.

471. The ordinary expenditure of the year under report was Rs. 17,60,999 against Rs. 18,57,327 of the last year, showing upon the whole a decrease of Rs. 96,328.

472. The following is a comparative statement of the figures of the year under report and of those of the last year under the principal heads :—

No.	Head of expenditure.	Expenditure for the year under review.	Expenditure for the previous year.	Increase.	Decrease.
		Rs.	Rs.	Rs.	Rs.
1	Household	7,93,135	8,91,897	.....	98,768
2	Karkhanas	5,39,786	5,59,852	.....	20,066
3	Gardens	35,649	33,119	2,530	.....
4	Dharmadaya	3,30,348	3,10,029	20,319	.....
5	Dewasthan	62,081	62,430	.....	349
	Total.....Rs.	17,60,999	18,57,327	22,849	1,19,177

473. The above decrease is mainly owing to a decrease in the household expenses, a part of which during His Highness' absence from Baroda, for about four months, was charged to other heads of accounts.

SEASON AND RAINFALL.

474. The year under review was on the whole an average one, so far as its season and rainfall were concerned.

475. The rainfall in the Nowsari Division was a little above the average. This, together with the floods of the rivers Poorna and Ambika that occurred in the month of September, did some damage to the Khariff crops.

476. In the Kari Division, the rainfall was much less than that of the previous year, but was not much below the average local fall. The early falls were favorable, while the later ones were rather excessive and somewhat injured the Bajri crop, which, however, was better than that of the previous year.

477. In the Amreli Division, the later rains were scanty, in consequence of which the cotton crop suffered a good deal.

478. The following statement compares rainfall at the head-quarter towns of the several divisions, with that of the previous year :—

Division.	Years.		Normal Average.
	1881-82.	1882-83.	
	Inches.	Inches.	Inches.
Nowsari	47·14	61·22	48
Baroda	42·68	42·83	32
Kari	41·61	23·22	32
Amreli	22·54	18·77	25

479. The average prices of food-grains for the two years are given below :—

	1881-82.	1882-83.
Baroda Division.	Seers per British Rupee.	Seers per British Rupee.
Wheat	24⅝	23½
Bajri	30⅝	29
Jowar	37	35¾
Rice (common)	24½	26
Kodra	60⅞	58⅛
Kari Division.		
Wheat	31	32
Bajri	35⅛	34¼
Jowar	41¾	41½
Rice (common)	19¾	22¼
Kodra	61⅓	55
Nowsari Division.		
Wheat	30½	28
Bajri	37½	29½
Jowar	44⅝	42⅞
Rice (common)	30¾	31¼
Kodra	88½	86½
Amreli Division.		
Wheat	27½	25¼
Bajri	34⅜	29⅛
Jowar	45½	38⅛
Rice (common)	20	19¼

480. In the City of Baroda, the following prices ruled during the year, as compared with those in the previous year:—

	Average Price in lbs. per Baroda Rupee. 1881-82.	1882-83.
Bajri	$27\frac{14}{16}$	$25\frac{8}{16}$ to $26\frac{7}{16}$
Jowar	30	$29\frac{14}{16}$
Rice	$21\frac{6}{16}$	$20\frac{2}{16}$
Dal	$22\frac{14}{16}$	$24\frac{14}{16}$
Wheat	$19\frac{7}{16}$	$17\frac{5}{16}$
Gram	$30\frac{9}{16}$	$27\frac{14}{16}$

481. The water supply for both men and cattle was good throughout the year. In no parts of the Baroda territory did locusts appear, and consequently the crops enjoyed perfect immunity from the ravages of these insects.

Public Health.

482. Public health on the whole was good throughout the year.

483. There was no serious epidemic among cattle.

Land Revenue.

484. Appendix **Am** is a statement showing the gross land revenue, the remissions and the net amount for collection for the year under report as compared with the figures of the preceding year.

485. Appendix **Am** shows the actual collection and the outstanding balance for the two years.

486. The following is an abstract statement of Appendix **An**:—

	Land Revenue proper, Babashai currency.	Miscellaneous Land revenue, Babashai currency.	Total Babashai Rupees.	Remissions, Babashai Rupees.	Amount for Collection or Net Demand, Babashai Rs.
1881-82	85,57,275	12,89,340	98,46,615	25,096	98,21,519
1882-83	85,85,557	13,52,596	99,38,153	3,669	99,34,484
More	28,282	63,256	91,538	.....	1,12,965
Less	.....	.....	.....	21,427	.....

487. The above statement shows increases and decreases for the whole territory. Appendix **An**, of which this is an abstract, gives increases and decreases for each division.

488. The increase in the land revenue proper of the Baroda Division is attributable principally to better prices obtained for Government share levied in kind in the Bhagbatai villages.

489. The decrease in the land revenue proper, and increase in the miscellaneous land revenue of the Kari Division, is owing to a great variety of causes.

490. The increase in the land revenue of the Nowsari Division was caused by better crops in the Songarh and Vyara Talukas, in which the land revenue is assessed in kind in proportion to the produce of the year, and then converted into cash at the market rates of the time. The increase was, to some extent, also due to better prices that obtained in these talukas during the year under notice.

491. There was a decrease in the land revenue of the Amreli Division which was chiefly owing to bad cotton crop, for which the rainfall was unseasonable.

492. The following is an abstract of Appendix **An**:—

	Amount for collection.	Collection exclusive of excess payment or *Fazil*.	Outstanding Balances.
	Babashai Rs.	Babashai Rs.	Babashai Rs.
1881-82	98,21,519	92,79,379	5,42,140
1882-83	99,34,484	94,87,102	4,47,382
Increase	1,12,965	2,07,723	.....
Decrease	.....	.....	94,758

493. The improvement in the collections for the year under report is due to the increased efficiency of the department.

Former Years' Balances.

494. The following statement shows the outstanding balances of former years, the collections and remissions made during the year, and balances which still remain unadjusted:—

On what account.	Baroda Division.	Kari Division.	Nowsari Division.	Amreli Division.	Total.
	Babashai Rs.	Babashai Rs.	Babashai Rs.	Babashai Rs.	Babashai Rs.
Balance standing unadjusted at the end of 1881-82	28,60,471	21,45,218	14,45,093	1,43,327	65,94,109
Deduct					
Balances written off during the year 1882-83	5,850	33,201	16,715	1,320	57,086
Balances collected during the year 1882-83	2,26,380	64,646	75,123	21,978	3,88,127
Total	2,32,230	97,847	91,838	23,298	4,45,213
Balances outstanding at the close of the year 1882-83	26,28,241	20,47,371	13,53,255	1,20,029	61,48,896

495. Special attention has been directed to this subject since the year under notice; and special officers have been appointed in the Baroda, Kari and Nowsari Divisions to enquire into and collect the balances recoverable, and to write off such as are not recoverable. These officers commenced their work only at the close of the year, and therefore no results can be given in this report.

Revenue Survey.

496. Two measuring parties continued to work in the Amreli Division during the year under report.

497. The whole of Amreli, with the exception of one village, was completed, and 76 out of the 84 villages of the Dhari Taluka were commenced. Of these, 49 were completed, leaving only 35 over for the next season.

498. The work done during the season under report, as compared with that done during the preceding season, was as under:—

	1881-82.	1882-83.
Number of villages in which survey was finished	101	51
Do. partly surveyed	29	27
Total area in bighas	468,941	339,035
Survey numbers including sub-numbers	14,287	10,054
Cost of the survey ..... Rs.	36,792	24,225
	a. p.	a. p.
Do. do. per bigha	1 3	1 1¾

499. These figures show a falling off in the year under report, which is accounted for by the fact that the country was hilly and more difficult. The measurement of large portions by Theodolite reduced the cost per bigha nevertheless to anna 1 pies 1¾.

Customs.

500. The following statement shows the amounts of demand, collections and outstandings, on account of customs for the year under review, as well as those for the past year:—

Items.	1881-82.	1882-83.	Increase.	Decrease.
BARODA DIVISION.	Baroda Rs.	Rs.	Rs.	Rs.
Government demand	4,37,782	4,88,495	50,713	.....
Realizations	4,37,340	4,88,122	50,782	.....
Outstanding balances	442	373	.....	69
KARI DIVISION.				
Government demand	4,05,381	4,69,205	63,824	.....
Realizations	4,05,378	4,67,547	62,169	.....
Outstanding balances	3	1,658	1,655	.....
NOWSARI DIVISION.				
Government demand	88,437	89,649	1,212	.....
Realizations	88,382	89,626	1,244	.....
Outstanding balances	55	23	.....	32
AMRELI DIVISION.				
Government demand	85,083	79,549	.....	5,534
Realizations	84,695	77,394	.....	7,301
Outstanding balances	388	2,155	1,767	.....
TOTAL.				
Government demand	10,16,683	11,26,898	1,10,215	.....
Realizations	10,15,795	11,22,689	1,06,894	.....
Outstanding balances	888	4,209	3,321	.....

501. These figures show a general increase in the receipts of this department except in the District of Amreli. The increase is generally attributable to the favourable character of the season.

502. Steps were taken during the year under notice to reform the customs arrangements in the Dehgaum Taluka of the Kari Division. But this subject pertains to the next year.

OPIUM.

503. The following particulars relate to the opium production monopoly.

504. The area under cultivation, and the out-turn of the poppy juice in the year, as compared with those of the previous year, were—

	1881-82.	1882-83.
Area in acres	17,579	17,372
Yield, juice.....lbs.	262,510	311,810
Average yield per acre ...	$15\frac{5}{52}$	18

505. The decrease in the area under cultivation is slight, and calls for no remarks.

506. About 22 acres were cultivated without licence, against 17 in the preceding year. 29 persons were found guilty and punished under the Opium Law for unauthorized cultivation. One was under trial at the end of the year, and three were discharged.

507. The quantity of juice confiscated was about 16 lbs. against 2 in the previous year.

508. There was on hand at the end of the previous year 271,576 lbs. of juice, including the produce of that year, and the balance of the preceding year, and the quantity confiscated during the year under report. Of this, juice weighing 268,861 lbs. was caked, about 2 lbs. were destroyed, and the balance 2,713 lbs. remained in stock. The opium thus manufactured amounted to 239,104 lbs.

509. The following figures show the total quantity of Baroda manufactured opium, including the balance of the previous year, the quantity disposed of during the year, and the balance at the end of the year under notice:—

Balance of the year 1881-82	lbs.	201,937
Transferred from the retail sale account as it actually formed part of the stock under the Opium Superintendent.....		40,199
Manufactured during the year 1882-83		239,104
Total.....		481,240
Deduct—		
Sent to the Bombay Market	lbs.	81,931
Sent to the Divisional Depôts for retail sale.		63,460
Total.....		145,391
Balance on hand on 31st July 1883 in the Sidhpur Opium Store		335,849

510. The financial results of the sale of 81,931 lbs.* of opium sent to the Bombay market were as follows:—

Cost of 81,931 lbs., inclusive of the price of juice, manufacturing expenses, establishment charges, including those of Regimental and Police Guards, interest, &c.	Rs.	3,64,560
British Pass Fees	,,	3,84,475
Transit expenses	,,	3,706
Commission, &c.....	,,	5,718
Total.....	Rs.	7,58,459
Deduct—		
Amount realized.....	Rs.	7,17,071
Loss.....	Rs.	41,388

* *Note* In this quantity, 300 chests sent to Bombay for sale, and of which a portion was sold during the year under report and a portion in the following year, have been excluded, owing to the account sale not having been received in the year. Rs. 2,93,353 for the portion sold were actually received in the year under report, but they will be brought to account in the next year.

511. Thus, a loss of Rs. 41,388 was sustained by the Baroda Government as anticipated last year.

512. With regard to the retail sale monopoly, the following figures show the operations under this head:—

Balance of opium from the previous year ...	lbs.	62,454
Confiscated ...	,,	128
Received from the Sidhpur store ...	,,	63,460
Total.....	lbs.	126,042
Deduct—		
Transferred to the Sidhpur Store Account (*vide* entry under para. 509) ...	lbs.	40,199
Issued to licensed vendors ...	,,	47,698
Dryage ...	,,	423
Total.....	lbs.	88,320
Balance on hand on 31st July 1883.....	lbs.	37,722

513. The quantity of opium actually sold by retailers was as follows:—

Division.	Opium sold by vendors in lbs.		Population as per last census.	Consumption per head of population in tolas.	
	1881-82.	1882-83.		1881-82.	1882-83.
Nowsari ...	1,724	2,057	287,549	·23	·28
Baroda ...	17,658	21,693	756,807	·93	1·14
Kari ...	8,181	12,384	988,487	·33	·50
Amreli ...	7,478	11,514	147,468	2·02	3·012
Total.....	35,041	47,648	2,180,311	·64	·87

514. The advance in the retail sale is due to the same cause as was pointed out last year, viz., the change of system in issuing licenses which was introduced in the previous year. The beneficial results of this system are manifesting themselves every year.

515. The financial results of the retail sale monopoly were as follows:—

	British Rupees.
Cost of lbs. 47,698 ...	2,33,637
Cost of opium lost by dryage ...	2,145
Establishments ...	2,509
Contingencies ...	2,715
Total.....	2,41,006

The realizations were:—

	British Rupees.
Price of 47,698 lbs. of opium issued to licensed vendors	5,48,450
License fees	37,452
Miscellaneous	966
Total	5,86,868

516. The foregoing figures show a net profit of Rs. 3,45,862, as against Rs. 3,04,095 of the previous year.

517. The following details relate to offences against the opium law:—

	1881-82.	1882-83.
Number of prosecutions in the year	52	64
Cases remaining from past year	2	10
Total	54	74
Cases disposed of during the year	44	72
Cases remaining for disposal at the end of the year	10	2
Cases in which the accused were convicted	32	53
Number of persons convicted	43	67
Opium and poppy juice seized ....lbs.	672	230

Stamps.

518. The receipts under this head amounted to Rs. 2,45,985 against Rs. 2,38,279 of the last year. The increase of Rs. 7,706 is both in Court-fee and other stamps.

519. The expenditure of the Stamp Department amounted to Rs. 16,231 against Rs. 15,216 of the past year, showing an increase of Rs. 1,015. The ratio of the expenditure to the income was about $6\frac{1}{2}$ per cent. this year, against $6\frac{1}{3}$ per cent. of the past year.

520. The refunds on account of unused stamps amounted to Rs. 2,912, which sum is included in the expenditure above given.

Forests.

521. During the year under report, the services of Mr. Narayan Balal Oke, an officer of the Bombay Forest Department, were obtained, and he was appointed Conservator of Forests of this State, in the place of Narayan Anant Ukidve, deceased.

522. The operations of the department are still confined to the Nowsari Division.

523. The total revenue, derived from the forests during the year under report as compared with that of the past year, was:—

1881-82	Rs.	65,234
1882-83	„	90,702
Increase	Rs.	25,468

524. This revenue consisted of the following items:—

Timber	Rs.	73,049
Bamboos	„	9,092
Firewood	„	7,334
Minor produce and miscellaneous	„	1,227
Total	Rs.	90,702

525. The increase was mainly in the receipts from timber.

526. The total expenditure on account of the Forest Department, as compared with the past year, is as follows:—

1881-82	Rs.	31,485
1882-83	„	25,037
Decrease	Rs.	6,448

527. Deducting expenditure from receipts, the net revenue was Rs. 65,665 against Rs. 33,749 of the preceding year.

528. Grants of forest produce to the estimated value of Rs. 39,986, against Rs. 37,119 of the preceding year, were made to 3,982 inhabitants of forest tracts against 3,851 of the past year.

529. There were 38 forest offences against 42 of the last year.

MINT.

530. During the year under report, the rate of exchange between the Baroda and the British Rupee was somewhat unfavorable, the value of 116¼ Baroda Rupees being equal to 100 British Rupees. Consequently, less work was done in the Mint than would otherwise have been the case. The work done was as shown below:—

Total quantity of silver melted in tolas	932,530
Total coinage in Rupees	10,30,446
Net profit after deducting establishment charges	14,790

531. The bullion tendered consisted of Maria Theresa and Mexican dollars; Turkish, Japanese, Nadri, Broach and Kutch coins, and silver.

532. The subjoined table shows the marked value of the Baroda Rupees in the Baroda City on the 1st of each month of the year under report, and the two years preceding it:—

Months.	100 British Rs. equal to Babashai.			Remarks.
	1880-81.	1881-82.	1882-83.	
August	117 11 0	115 7 0	117 7 6	
September	116 4 0	115 13 0	117 10 0	
October	116 15 0	116 4 0	117 14 0	
November	116 6 0	116 3 0	118 0 0	
December	115 10 0	116 12 0	116 10 0	
January	114 14 0	116 11 0	117 1 0	
February	113 11 0	116 12 0	116 3 0	
March	113 14 0	116 8 0	116 2 0	
April	113 7 6	116 4 0	116 4 0	
May	113 12 0	117 3 6	116 0 6	
June	116 2 0	116 10 0	116 6 0	
July	115 3 0	116 14 0	116 14 0	
Average	115 5 1	116 7 1	116 14 0	

Taxes Abolished.

533. The following petty imposts were abolished during the year under notice:—

Baroda Division.

534. 'Gam-Kharch,' an impost under the name of village expenses, levied from cultivators in the village of Lillora.

535. 'Sama Vero,' 'Kohala Vero,' and 'Dangar Vero,' or imposts on cultivation of 'Sama' (a kind of grain), pumpkin and paddy, respectively, levied from cultivators in 35 villages of Tilakwara.

536. 'Vero,' a cess levied from Waghries in Shandashal, a very poor class.

537. And four petty imposts levied under different designations in different villages of the Baroda Mahal.

Kari Division.

538. 'Poochadee Vero,' an impost on cattle of the village of Balod.

539. 'Itt-Izara,' or monopoly of manufacturing and selling bricks in the town of Kalole.

540. 'Mohdánagol-Izará' or monopoly of manufacturing molasses from 'Mohra' flowers in the town of Kari.

541. 'Kanya Chowri,' or 'Kanya Vero,' an impost levied from the parents of brides on certain occasions at the following places:—

Vadnagar.
Kahiyel.
Kabhainoo Mowadoo.
Wawna Mowadoo.
Karkaria.
Shandesan.
Attarsumba.
Dharnej.
Ookardinoo Mowadoo.

542. 'Tant Izara' or carders' monopoly in the towns of Pattan and Sidhpur.

543. 'Lagan Dustoori' or a marriage cess levied in Visnagar.

544. 'Kata Talai' or monopoly of weighing articles of trade imported into, or exported out, of the towns of Pattan and Wadnagar.

545. The yield to the State of the imposts abolished averaged at Rs. 830 per annum.

Audit and Accounts.

546. The work of auditing the Palace bills, which had hitherto been done by the Huzur Audit Department, was transferred to the special officer, Rajwada, from December 1881.

547. The Special Account Department, which had the charge of old accounts, was transferred from the Sir Subha's or Revenue Department to the Huzur Auditor, and is now engaged in bringing up the arrears of account work from Samvat 1,913. It is also usefully employed in affording information to other departments regarding deposits, advances, payments of Nemnook, and such other transactions relating to past regimes.

548. The establishment of the Huzur Auditor has been strengthened in order to dispose of arrears of work in that department, with the result that a considerable portion of these arrears has been cleared.

549. Measures are in progress, in connection with the departments concerned, to dispose of large amounts, which stand in the accounts under the heads of deposits and advances.

550. The subjoined statement shows the receipts and disbursements of the State for the year as compared with those of the year previous:—

No.	Description of Items.	Amount in Baroda Rupees for 1881-82.	Amount in Baroda Rupees for 1882-83.	Increase.	Decrease.
	Receipts.	Rs.	Rs.	Rs.	Rs.
1	Land revenue	96,54,957	98,41,358	1,86,401	.....
2	Tributes called Ghasdana and fixed Jamabundi	8,90,357	6,92,894	.....	1,97,463

18	Tour expenses within His Highness' Territories	.....	1,48,489	1,48,489	.....
	Total Disbursements	1,41,53,340	1,43,59,299	14,01,487	11,95,528

551. The above statement, like those of the preceding years, gives the income and expenditure under each head, inclusive of items which stand in the accounts as "deposits" and "advances," but which on adjustment are eventually creditable and debitable to the heads. I may add that such of the "deposits" and "advances" as, so far as can be ascertained, are not eventually to be credited and debited to Government, are eliminated from the figures.

552. It is to be further noted that the figures contained in the statement will not agree with those given in other parts of the report. The amounts shown in those parts represent either the receipts which accrued, or expenditure which was incurred, during the year, irrespective of the sums actually paid into or drawn from the Treasuries.

553. The principal causes of increase and decrease in both the receipts and expenditure, as compared with the previous year's transactions, may briefly be explained as follows :—

554. *Land Revenue.*—The increase under this head is mainly in the collections for the current year.

555. *Tribute.*—There is a decrease under this head. This is due to outstandings for the year under report against some of the tributary Chiefs.

556. *Abkari.*—The receipts under this head show an increase owing to the development of the Sudder Distillery System in the Nowsari Division, and to the favorable character of the season.

557. *Miscellaneous Taxes.*—The decrease is attributable to less realizations of cotton and pilgrim taxes in the Amreli Division, and also to the collection of arrears in the previous year.

558. *Customs.*—The increase under this head is explained in another part of the report.

559. *Opium.*—The increase under this head is in the sale of opium.

560. *Stamps.*—There being at present no means of distinguishing stamps used for purposes of suits and those for bonds, the increase cannot be correctly explained.

561. *Mint.*—The decrease under this head is due to the high rate of exchange which prevailed during a part of the year, and the consequent falling off in the amount of bullion tendered.

562. *Judicial Fees.*—The net decrease is trifling under this head and calls for no remarks.

563. *Education.*—The increase under this head is in school fees, owing to new schools having been opened during the year, and also to increased attendance.

564. *Interest.*—The decrease under this head is attributable to accumulated interest on Government Securities having been drawn in the previous year.

565. *Railways.*—The increase is due to the amount received in the year under report being on account of the earnings for eighteen months, whereas that shown in the previous year was for six months only.

566. *Miscellaneous.*—The increase under this head is due to numerous causes, but chiefly to forest receipts, receipts from Sirkari Karkhanas, and the usual Nuzurs at Durbars, &c.

Disbursements.

566. *Palace.*—The figures given under this head show the aggregate amount drawn by the Palace Kamdar from the Treasury. The actual cash transactions which took place in the Palace for the current year only are shown under the chapter headed "Palace." The increase of Rs. 6,29,000 and odd is due mainly to payments made in the current year on account of previous years and to the transfer of certain items on account of religious and charitable allowances.

567. *Huzur Cutchery Establishment.*—The decrease is mainly due to saving in the pay of the Settlement Commissioner and other officers and the non-payment of expenses on account of the Trigonometrical survey.

568. *Land Revenue Department.*—The increase under this head is caused mainly by the payment of arrears due to Talatees, Village Servants, Wattandars, and the appointment of special Officers to settle out-standings.

569. *Opium.*—The increase is in the amount spent in the purchase of juice and the duty paid on chests.

570. *Other Civil Establishments.*—The increase is chiefly in the Customs establishments, and to larger contributions from certain revenue items towards the maintenance of the dispensary and Municipality in Beyt.

571. *Police.*—The decrease is in contingencies.

572. *Military Department.*—The increase under this head is due to payments on account of past year's claims.

573. *Assamdars, &c.*—The decrease is caused by the discontinuance of the allowance of Maharaja Mulharrao, owing to his death, the non-payment of arrears disbursed last year on account of giras, &c. Against this, there was an increase of Rs. 14,000 and odd on account of compensation to the Sayar Kotha Methas and for opium shops in certain alienated villages which were closed consequent on the new opium arrangements.

574. *Public Works.*—The increase of Rs. 21,000 and odd is due to the construction during the year of the Military Hospital at Dwarka, and certain works in connection with the Military Barracks in Okhamandal; as well as to the adjustment of certain items of expenditure incurred by the Civil Departments in the previous year.

575. *Education.*—The decrease of Rs. 33,000 and odd is due to the cessation of expenses on account of His Highness the Maharaja's education, the abolition of the Vernacular College of Science, and the Anglo-Indian Institution. Against this, there is an increase of Rs. 27,031 on account of the opening of the Sirdar School, new schools, and contingencies.

576. *Medical.*—There is an increase of Rs. 5,100 under this head, which is due to the opening of new hospitals and dispensaries, and also to the fact that the cost of the institutions which were newly opened last year was paid for the full year under report, whereas it was for broken periods last year.

577. *Religious and Charitable Allowances.*—The decrease of two lacs and odd is due to the transfer of certain items on account of religious and charitable charges in the City of Baroda to the Palace Department, as also to the fact that less arrears were paid this year than in the last on account of Warshasans.

578. *Miscellaneous.*—In the previous year charges on account of reward to Raja Sir T. Madava Row, the claims of Bhow Scindia's widows, and census expenses were included under this head. None of

these had to be paid this year, and hence the decrease. There is an increase of about Rs. 50,000 on account of the cotton mill and the purchase of Faraskhana kit.

579. *Extraordinary Charges.*—There is an increase of Rs. 3,70,412 on account of His Highness' visit to Calcutta, and the adjustment of similar expenditure in previous years. Against this there is a decrease of Rs. 2,13,316 which is due to His Highness' marriage and investiture in the preceding year.

580. *Tour expenses.*—This is on account of His Highness' tour through the Kari Division.

KAZI SHAHABUDIN,

Dewan.

Appendix A.

GENERAL STATEMENT No. 1.

JUDICIAL, CIVIL, AND CRIMINAL.

General Statement showing the various Judicial Tribunals in the Territory of Ha Ilyi ... *ese the Cachoor in the year 1882-83, together with the location, territorial jurisdiction, appeal tribunals, income, expenditure and work done during the year.*

Note.—The extraordinary criminal powers are in the case of those Judges and Magistrates whose work-range is limited to a district or sub-district. Of the Bahadur or Governor Heads of Districts only such heads are included, and of the Sub-Talook, Talook Courts, Peshkars, &c., Assistants, &c. &c. &c., the work done is included in the Sessions Department. When a separate establishment exists for Criminal Work only, the whole cost is calculated in the expenditure, and where other work is done by the same, only one-half of its cost is entered.

Note.—The number of appeal cases transferred by the Judges to other Courts shown in column 8 of Statement No. 8, Civil Justice, is not included in this statement, as these cases are mere transfers from one Court to another. The total of 451 cases in column 2 of this statement is obtained by deducting the 5 transferred cases shown in column 8 of Statement No. 8, from the total of 456 cases shown in column 24 of that statement.
